### Statement of Mission

*The undersigned officials, representing the citizens of Jackson County, hereby form this committee to guide decisions relative to determination of project need and policies. This Steering Committee will work in coordination with JCDC Partners, pledges cooperation, and commits to the development of a state-of-the art detention center to provide an effective and efficient system for management of pretrial and sentenced offenders; with the understanding that the citizens of Jackson County require detention facilities that meet contemporary professional and constitutional standards.*

*The detention center should support an equitable criminal justice system that maintains public safety, holds people accountable, and provides evidence-based treatment and training opportunities that address underlying causes of criminal behavior.*

*The detention center will be safe, secure, efficient to operate, and thoughtfully designed to provide long term solutions to the needs of the Jackson County justice system*
