employee of the County. Consultant shall be subject to the direction of the County only as to the result to be accomplished and not as to the means and methods for accomplishing the result. Consultant shall report all earnings received hereunder as its gross income, and be responsible for its own Federal, State, and City withholding taxes and all other taxes, and shall operate its business independent of the business of the County, except as required by this Agreement.

3. During the initial term of this Agreement, County shall pay Consultant a fee not to exceed \$360,000.00, payable in twelve equal payments of \$30,000.00 each. Consultant shall invoice for services performed under this Agreement, and County shall make timely payment to John Q. Ebert and Associates.

4. Consultant shall bear all of the ordinary and necessary expenses of its work under this Agreement. However, the parties anticipate that it may become necessary for Consultant to take on some extraordinary expense to ensure the most efficient performance of the work. In that event, the parties agree to meet and confer in good faith for the purpose of reaching agreement on a mutually satisfactory allocation for these extraordinary expenses, which can then be paid pursuant to a formal addendum to this Agreement.

5. Throughout the term of this Agreement, Consultant shall report directly to the County's Chief Administrative Officer.

6. The term of this Agreement shall be effective January 1, 2016, and shall extend to December 31, 2016, unless sooner terminated. Consultant or the County may terminate this Agreement for any reason by giving thirty (30) days' written notice to the other party. Termination of this Agreement shall not constitute a waiver of the rights

or obligations which the County or Consultant may be entitled to receive or be obligated to perform under this Agreement for services prior to the date of termination. Should this Agreement terminate, all County written materials of any kind must be delivered and returned by the Consultant to the County within ten (10) days of the termination of this Agreement. If the County cancels this Agreement prior to the completion of the engagement, Consultant shall be entitled to a fee based on a percentage of the work actually completed.

At the agreement of both parties, this Agreement may be extended for up to two additional twelve-month terms after the conclusion of the initial term. If this Agreement is extended, Consultant's duties and corresponding compensation will be updated and modified by mutual agreement of the parties.

7. Consultant agrees, in addition to all other provisions herein, that Consultant shall not assign any portion or the whole of this Agreement without the prior written consent of the County.

8. Timely performance of all duties provided herein is of the essence of this Agreement.

9. Consultant agrees to faithfully observe and perform all of the terms and conditions of this Agreement, and Consultant's failure to do so shall represent and constitute a breach of this Agreement. In such event, Consultant consents and agrees as follows:

(1) The County may without prior notice to Consultant immediately terminate this Agreement; and,

(2) The County shall be entitled to seek any available legal remedy and to

collect from Consultant all costs incurred by the County as a result of said breach including reasonable attorney's fees, costs, and expenses.

10. If any covenant or other provision of this Agreement is invalid, or incapable of being enforced, by reasons of any rule of law or public policy, all other conditions and provisions of this Agreement shall nevertheless remain in full force and effect and no covenant or provision shall be deemed dependent upon any other covenant or provision unless so expressed herein.

11. Consultant warrants that no officer or employee of the County, whether elected or appointed, shall in any manner whatsoever be interested in or receive any benefit from the profits or emoluments of this Agreement.

12. Pursuant to §285.530.1, RSMo, Consultant assures that it does not knowingly employ, hire for employment, or continue to employ an unauthorized alien to perform work within the State of Missouri and/or Jackson County, and shall affirm, by sworn affidavit and provision of documentation, its enrollment and participation in a federal work authorization program with respect to the employees working in connection with the contracted services. Further, Consultant shall sign an affidavit, attached hereto and incorporated herein as Exhibit B, affirming that it does not knowingly employ any person who is an unauthorized alien in connection with the contracted services.

13. Consultant shall treat all information, not generally and publicly available, learned in the course of providing the Services as confidential, and Consultant hereby agrees not to directly or indirectly disclose such confidential information to any third party. Consultant will use the Confidential Information solely in connection with providing Services hereunder and will disclose the Confidential Information only to those

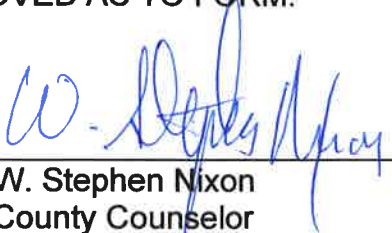

of its employees, associates and agents who have a bona fide need to know such information in order to further the purposes of this Agreement.

14. This Agreement incorporates the entire understanding and agreement of the parties.
