<p>REQUEST SUMMARY</p>	<p>Jackson County entered into an agreement with MoDot to improve the intersection of Missouri 7 and Stringtown Road. The plan includes installing signage and striping on state and county right of way. Jackson County entered into the agreement to allow the work to take place on the county right of way. The work was originally planned for 2013; however, MoDot has requested a supplemental agreement for the work to occur in 2015.</p> <p>We therefore request that the supplemental agreement be approved and the County Executive be authorized to execute the supplemental agreement.</p>
