

COOPERATIVE AGREEMENT
(Community Access & Engagement)

THIS AGREEMENT, made by and between **JACKSON COUNTY, MISSOURI**, a Constitutional Home Rule Charter County of the First Class of the State of Missouri, hereinafter referred to as "the County" and a Missouri not-for-profit corporation, **SAMUEL U. RODGERS - COMMUNITY ACCESS AND ENGAGEMENT 825 EUCLID AVENUE KANSAS CITY, MO 64124**, hereinafter referred to as "Organization".

WHEREAS, the County and Organization desire to enter into an Agreement to provide funding to be used for Community Access and Engagement; and,

WHEREAS, the County deems it to be in the best interest of its citizenry to support such programs and activities; and,

NOW THEREFORE, in consideration of the foregoing and the terms and provisions herein contained, the County and Organization respectively promise, covenant, and agree with each other as follows:

NOW, THEREFORE, it is agreed by and between the parties as follows:

1. **Services.** Organization shall provide services for Community Access and Engagement, as is more fully set out in the proposal attached hereto as Exhibit A and incorporated herein by reference. The term of this contract is January 1, 2019, through December 31, 2019, and as such, all expenditures must occur within this period. The budget Organization submitted as part of Exhibit A is considered final and non-changeable.

2. **Terms Of Payment.** The County agrees to pay Organization the total amount of **\$407,488.00** in quarterly installments of **\$101,872.00**, with the payment for

the first quarter in advance upon execution of this Agreement; this is the ONLY payment that may be made in advance throughout the entire term of this Agreement. The remaining payments shall be made upon the County's receipt of the quarterly reports as set forth in paragraph 3 hereof. The County reserves the right to audit all invoices and to reject any invoice for good cause. The County retains the right to deduct from an invoice of Organization any overpayment made by the County on a prior invoice. The County retains the right to make invoice corrections/changes. The County will not reimburse sales tax expense.

3. Reports/Other Documentation. Within 30 days after the conclusion of each calendar quarter under this Agreement, Organization shall submit a quarterly reconciliation report through the Outside Agency Portal along with proof of payment and receipt documentation that reconciles to the quarterly report, including cancelled checks and/or a copy of the face of the check and corresponding bank statements, invoices, and any other documents requested by the Department of Finance and Purchasing, to establish that the funds provided pursuant to this Agreement were used for the purposes set forth herein. The report for the first quarter must be submitted within 30 days after the execution of this Agreement. The last quarter's report shall include an annual report which shall summarize all of Organization's activities pursuant to this Agreement. Organization's failure to submit this annual report shall disqualify Organization from future funding by the County. Organization must submit all quarterly reconciliation reports in the format specified by the County regardless of whether activity took place in each quarter, before the next quarterly payment will be processed. Any quarterly reports that are incomplete or incorrect will delay payment.

Organization must notify the County in writing on Organization's letterhead, within five working days of the following changes:

- a. Organization name, address, telephone number, administration, or board of directors
- b. Organization funding that will affect the program under this contract
- c. Liability insurance coverage

When a management or staff position responsible for providing services pursuant to this contract is vacated and when the position is subsequently filled, the following will apply i.) reimbursement for a vacated position will be suspended until it is filled, and ii.) if another person under this contract assumes the duties of the vacated position, the Organization will not be allowed to bill the County for both positions.
- e. Any proposed or actual merger or acquisition either taken by the Organization or toward the Organization

4. **Submission of Documents.** No payment shall be made under this Agreement unless Organization shall have submitted to the County's Department of Finance and Purchasing through the Jackson County Outside Agency portal accessible on www.jacksongov.org/auditor: (1) a written proposal setting out in detail the intended use of the County's funding, including the target population to be served; (2) Organization's IRS Form 990 from the previous fiscal or calendar year; (3) a statement of Organization's total budget for its most recent fiscal year; and (4) a detailed explanation of actual expenditures of the County's funds (pertains to final payments and payments on contracts for future years). If Organization has previously received funding from the County, to be eligible for future payments, Organization must submit either an audited financial statement for Organization's most-recent fiscal or calendar year, or a certified public accountant's program audit of the County's funds. Any documents described herein which were submitted to the Department of Finance and Purchasing as a part of an application for funding need not be resubmitted to qualify for

payment. No payment shall be made if Organization is out of compliance on any other County contract, or has not paid county taxes on all properties owned by Organization and assessed by the County.

5. **Equal Opportunity**. Organization shall maintain policies of employment as follows:

A. Organization and Organization's subcontractor(s) shall not discriminate against any employee or applicant for employment because of race, religion, color, sex, age, disability, or national origin. Organization shall take affirmative action as set forth to ensure that applicants for employment and employees are treated without regard to their race, religion, color, sex, age, disability, or national origin. Such action shall include, but not be limited, to the following: recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. Organization agrees to post in conspicuous places, available to employees and applicants for employment, notices setting forth the policies of non-discrimination.

B. Organization and Organization's subcontractor(s) shall, in all solicitation or advertisements for employees placed by them or on their behalf, state that all qualified applicants will receive consideration for employment without regard to race, religion, color, sex, age, disability, or national origin.

6. **Employment Of Unauthorized Aliens Prohibited**. Pursuant to §285.530.1, RSMo, Organization assures that it does not knowingly employ, hire for employment, or continue to employ an unauthorized alien to perform work within the State of Missouri and/or Jackson County, and shall affirm, by sworn affidavit and provision of

documentation, its enrollment and participation in a federal work authorization program with respect to the employees working in connection with the contracted services. Further, Organization shall sign an affidavit, attached hereto and incorporated herein as Exhibit B, affirming that it does not knowingly employ any person who is an unauthorized alien in connection with the contracted services.

7. **Audit.** The parties agree that the County may, for any reason and at any given time, examine and audit the books and records of Organization pertaining to this Agreement. Further, Organization agrees to establish and adopt such accounting standards and forms as recommended by the County prior to receipt of the County's first distribution of funds under the terms of this Agreement. The forms used to document expenditure of these funds may be changed from time to time by the County.

8. **Default.** If Organization shall default in the performance or observation of any covenant, term or condition herein contained to be performed by Organization, the County shall give Organization ten days written notice, setting forth the default. If said default shall continue and not be corrected by Organization within ten days after receipt of notice from the County, the County may, at its election, terminate this Agreement and withhold any payments not yet made to Organization. Said election shall not, in any way, limit the County's rights to sue for breach of this Agreement.

9. **Appropriation Of Funds.** Organization and the County recognize that the County intends to satisfy its financial obligation to Organization hereunder out of funds annually appropriated for that purpose by the County. County promises and covenants to make its best efforts to appropriate funds in accordance with this Agreement. In the event no funds or insufficient funds are appropriated and budgeted, or are otherwise

unavailable by any means whatsoever for payment due hereunder, County shall immediately notify Organization of this occurrence and this Agreement shall terminate on the last day for which appropriations were received, without penalty or expense to the County of any kind whatsoever, except as to the portions of the payment amounts herein agreed upon for which funds shall have been appropriated and budgeted or are otherwise available, or at any time after the last date that County has paid for the Services, if earlier.

County further agrees:

A. That any funds authorized or appropriated for services rendered under this Agreement shall be applied to the payments hereunder until all such funds are exhausted.

B. That County will use its best efforts to obtain authorization and appropriation of such funds including, without limitation, the inclusion in its annual budget, a request for adequate funds to meet its obligation under this Agreement in full.

10. **Conflict Of Interest.** Organization warrants that no officer or employee of the County, whether elected or appointed, shall, in any manner whatsoever, be interested in or receive any benefit from the profits or emoluments of this Agreement.

11. **Severability.** If any covenant or other provision of this Agreement is invalid, or incapable of being enforced by reason of any rule of law or public policy, all other conditions and provisions of this Agreement shall, nevertheless, remain in full force and effect; and no covenant or provision shall be deemed dependent upon any other covenant or provision unless so expressed herein.

12. **Indemnification.** Organization shall indemnify, defend and hold the County harmless from any and all claims, liabilities, damages, and costs (including reasonable attorney's fees directly related thereto) including but not limited to violation of civil rights and/or bodily injury to or death of any person and for damage to or destruction of property if and to the extent caused by the negligence, willful misconduct or omissions of Organization during the performance of this Agreement.

13. **Insurance.** Organization shall maintain the following insurance coverage during the term of this Agreement.

Such certificates shall provide that the applicable insurance policies have been endorsed to provide a minimum of thirty days advance notice to the County in the event of cancellation, non-

renewal, or reduction in limits by endorsement.

14. **Term.** The term of this Agreement shall commence January 1, 2019, and shall continue until December 31, 2019, unless sooner terminated pursuant to paragraph 8, 15, or 19 hereof. If this Agreement is terminated by either party, the County shall pay only for those services actually performed by Organization as verified by the County's audit.

15. **Termination.** This Agreement may be terminated for any reason or no reason by either of the parties upon thirty (30) days' written notice to the other party's designated fiscal representative. All services and payments shall continue through the effective date of termination. Termination of this Agreement shall not constitute a waiver of the rights or obligations which the County or Organization may be entitled to receive as provided in this Agreement, or be obligated to perform under this Agreement for services prior to the date of termination. Should this Agreement terminate, all County written materials of any kind must be delivered and returned by Organization to the County within ten (10) days of the termination of this Agreement.

Community Access and Engagement

Date Program was Initiated: 2010

What time period does this program run: All Year

Provide program description: Community Access and Engagement provides increased access to health care for patients and community at Rodgers Health. This is made possible through patient navigation; community health screenings; health education; Lunch and Learns; patient communication; breast health and other cancer screenings; initial screenings and immunizations for immigrants; medical and dental indigent services and services; financial resource counseling through the Affordable Care Act (ACA) and MO HealthNet application and enrollment; community engagement through outreach for the at-risk population; access to imaging services, pharmacy, laboratory services, oral and primary health care, and behavioral health services. Currently the Access and Engagement Department is collaborating with the Kansas City Library to host a seven to ten month Facebook Live series entitled, "Ask a Doctor." "Ask a Doctor" will consist of fifteen to thirty-minute Facebook Live segments in which a provider will be interviewed focusing on a specific area of medicine, for example, pediatrics and/or women's health. Patients and patrons will submit questions anonymously to the Health and Wellness Librarian a week before each segment is scheduled or via Facebook through live chat during the segment. The purpose of the program is to allow patrons and patients the time and space to ask questions they often forget to ask their doctors or are not comfortable asking during their scheduled appointment.

Describe the benefits of this program to Jackson County Missouri: The program provides access to quality health care and health education for individuals and families in the most medically and socially vulnerable and under-served communities in Jackson County. Individuals who are uninsured or under-insured can come to Rodgers Health and receive care on a sliding fee scale (with a minimum fee of \$35 paid at the time of their visit); this includes imaging and laboratory services. However, patients are not denied services due to an inability to pay. The nominal fee is not a threshold for receiving care. Health screenings and events held in the community are without any fees, and often provide incentives for community members to attend. Many times, through these community events, participants are able to get their baseline results, find they have an abnormal result and are able to seek follow-up care at a location of their choosing. The overarching goal is to decrease inappropriate emergency room usage for program participants. This improves health, reduces health care costs, and improves each patient's experience.

Describe target population to be served: Rodgers Health delivered health care to 23,187 individuals in 2017; we currently provide services at three locations in Jackson County, Missouri. Racially and ethnically, in 2017 our patients were 18.2% African/African American, 6.2% Asian or Hawaiian/Pacific Islander, 25% Caucasian, 36% Latino, and 14.6% were two or more races or other. Over 34% of our patients are best served in a language other than English. In addition, 8,918 of our patients in 2017 – 38.46% - were children; 9% of those children had no insurance coverage; 1,231 of our patients – or 5.4% - were seniors.

What are the qualifications for participants: At Rodgers Health, we serve all patients regardless of race, gender, age, ethnicity, or ability to pay. Participants who present at a community event may participate in screenings and education regardless of their residence. However, participants who require additional services at the Health Center will be required to live in Jackson County to be eligible to have their care paid through Jackson County Outside Agency funding and are required to show proof of residence.
