### Operation Breakthrough, Inc.

### Food Assistance Program

Operation Breakthrough, Inc.  
Food Assistance Program  
Feb 20, 2020  
Page 3

**Date Program was Initiated:** 2010

**What time period does this program run:** All Year

**Provide program description:** Operation Breakthrough provides limited food assistance to enrolled families through our on-site Food Pantry, stocked primarily with donations of dry goods from agency supporters, supplemented by bulk purchases from Harvesters, other large food distributors, and produce from local grocery stores and/or farmers' markets when feasible. Each family enrolled in the Center's programs is assigned a Family Advocate (case manager), who helps them assess and prioritize basic needs, provides access to the Food Pantry as needed, and tracks goods and services provided on MAACLink. A facility expansion in 2018 and a subsequent enrollment increase of nearly 300 children and 100 families have seen a significant boost in the needs of families served.

**Describe the benefits of this program to Jackson County Missouri:** Nearly all families enrolled at Operation Breakthrough rely on the Center to help them meet their basic needs -- from housing/utility assistance to help with food, diapers, clothing, household and hygiene products. About 76% of our families live more than 50% below the federal poverty line on incomes less than \$12,000 a year. For children, poverty and food insecurity can have a lasting negative impact on their health and physical development, their sense of trust and security in the world, and their ability to learn and concentrate. We know that for children to be ready to succeed in school, we must first meet their basic needs and help parents regain housing and economic security so that home environments can promote children's learning.

**Describe target population to be served:** Our 2018 Family Survey showed 81% of OB families are African-American and 76% live more than 50% below the federal poverty level, on incomes averaging less than \$1,000/month. About 97% of families are headed by single women; 60% have no education beyond high school or a GED certificate; only 2% are college graduates. Although 66% are currently working, about 60% reported having full-time jobs. Nine percent are enrolled in school or job training and 15% are actively looking for work; others are unable to work due to homelessness, mental health and/or substance abuse issues. Most are struggling to raise children with very few skills or meager resources. All live in Kansas City's urban core, primarily in five zip codes surrounding our facility at 31st St. & Troost Ave., including 64109, 64110, 64127, 64128 and 64130.

**What are the qualifications for participants:** All families with children enrolled in Operation Breakthrough programs are eligible for emergency assistance, including food, rent/utilities, and household supplies. Families are expected to qualify for state child-care assistance, but each month the Center cares for approximately 100 children who are homeless or unsubsidized for free and without reimbursement from the state.

**Check if your services are available to anyone:**

**Do you maintain a database of participants:** Yes

**Number of participants from Jackson County:** 690

**Number of participants from Other Areas:** 0

**Total Number of participants:** 690

**Outcome:** Children and families experiencing food insecurity will receive food assistance.

**How will outcome be measured:** Families' basic needs are monitored monthly by Family Advocates (case managers); those receiving food (or other goods) are tracked in MAACLink.
