Kansas City, Missouri 64106

**Christopher Soule
Chief of Police**

To the Commissioners, Directors, and Staff of COMBAT,

In 2014, the City of Sugar Creek Police Department in cooperation with Jackson County COMBAT began an enhanced and innovative community policing program for the citizens and guests of Sugar Creek (a community less than a fifteen minute drive from Downtown Kansas City). This partnership operated in 2015 with continued improvements.

The program, entitled "Community Violence Prevention Police Officer", merged what we thought were key areas that would amplify positive outcomes between the police and the community we serve. A new position was created, staffed by a police officer of the Sugar Creek Police Department. That officer's job description was combined from other proven law enforcement programs. The officer was to be part detective (involved in crime trends and major cases), part Community Policing Officer (to be in constant contact with the community and businesses and look at the issues they are facing and how to better their needs), and part School Resource Officer in the ELEMENTARY SCHOOLS (to provide a positive role model for the children and build their trust from a young age. A robust program like this had never been conducted to our knowledge, especially having an officer in the elementary schools frequently. In addition, the officer acted as a Police and Fire Explorer Leader, Jackson County Youth Court Board Member, First Time Offender Diversion Coordinator, and coach for the program "Boys on the Run", which met every Monday, Wednesday, and Friday after school; this program taught young men a new life lesson every meeting, after which they had a running practice, culminating in a 5k run at the end of the semester. Needless to say, our program has been successful and an integral part of our community. The officer conducted anti-bullying training in the elementary schools, and as a result of our efforts, this officer was also the first to obtain certification as an "ALICE" Program Instructor (ALICE stands for Alert, Lockdown, Inform, Counter, and Evacuate, which the students and teachers are trained on how to deal with active shooter scenarios, in an attempt to avoid such tragedies as Sandy Hook and Columbine). The Independence School District has since enacted ALICE throughout the entire school system. All of these activities have made this position an integral part of our community.

As our program looks toward the future, we wish to have your approval to build on its strengths by allowing us to begin D.A.R.E. training in the schools. We intend to modify our program to fit with D.A.R.E. and obtain maximum interaction with the youth in our community. The support of COMBAT is requested to continue this program for many years to come.

Sincerely,

Captain Matt Kline – Operations Officer
