CONSULTING AND PROGRAM DEVELOPMENT EXPERIENCE

Consultant for “Improving the Mental Health Adjustment and Marketability of the Unemployed” in partnership with the Kansas City Urban League.

Project LIVE (Learning to Interrupt Violence through Education): Developed grant funding and implemented a non-traditional mental health intervention program aimed at trauma screening and intervention in high-risk middle school populations.

Jackson County Mental Health Court: Led the implementation of the first-ever mental health and municipal court collaborative aimed at developing a specialty diversion court emphasizing treatment instead of incarceration for non-violent infractions.

The Spirit Project: Authored a grant and implemented a substance abuse prevention collaborative program with the Hickman Mills School District and the Missouri Department of Mental Health.

Improving Primary Care-Mental Health Integration: Authored a HRSA grant leading to the implementation of a three-year pilot project. The focus was improving chronic disease outcomes by utilizing depression, substance abuse screening and being a behavioral consultant in a primary care setting.

The Sankofa Project: Authored a grant to develop a culturally specific outpatient substance abuse treatment and prevention program for urban African American youth whose drugs of choice are alcohol and marijuana.

Developed and implemented school-based mental health prevention programs for high risk (ADHD, behavior problems, parents incarcerated, parents with mental illness) students in eight urban schools.

Mental Health Access Program: Developed and implemented a comprehensive community-based mental health program aimed at reducing unnecessary hospitalization in SED and SPMI populations.
