

Von Henger Kennels LLC

To: Deputy Jessica Davidson, Jackson County Sheriffs Dept.

Per our conversation due to the age Spy (9), his value of resale is limited. There is not a market for an 9 year old police dog, due to having a small window of working life left. Dogs of this age have no value or are donation type dogs.

In my opinion Spy would have a value of \$1.00.

Please let me know if you have any questions.
