(Housing Resources Commission)

THIS AGREEMENT, made by and between **JACKSON COUNTY, MISSOURI**, a Constitutional Home Rule Charter County of the First Class of the State of Missouri, acting by and through its **Housing Resources Commission**, hereinafter referred to as "the County" and a Missouri not-for-profit corporation, **BENILDE HALL, 3220 E. 23rd Street, Kansas City, MO 64127**, hereinafter referred to as "Contractor".

WHEREAS, on June 4, 1991, the voters of Jackson County authorized the County Legislature to impose a \$3.00 user fee on all instruments recorded with the County's Department of Records, the proceeds of which fee is to be used to provide funds for assistance to homeless persons; and,

WHEREAS, the County actually imposed said fee by Ordinance No. 1986, dated June 10, 1991; and,

WHEREAS, by Ordinance No. 2030, dated September 3, 1991, the Legislature created the Housing Resources Commission and designated said Commission as the agency of the County responsible for determining the allocation and distribution of the proceeds of the user fee; and,

WHEREAS, the Commission has reviewed Contractor's proposal for the expenditure of County user fee funds for the purpose of providing assistance to homeless persons in Jackson County; and,

WHEREAS, the Commission has determined that it is in the best interests of the County's citizens to provide funding to Contractor according to the terms and conditions

hereof;

NOW, THEREFORE, it is agreed by and between the parties as follows:

5. **SUBMISSION OF DOCUMENTS.** No payment shall be made under this Agreement unless Contractor shall have submitted to the County's Director of Finance

Program Name: Benilde Hall Program

Agency History / Background

Please describe your agency's history and background.

The mission of Benilde Hall is to promote balanced and responsible independent living by preventing the relapse of chemically dependent homeless persons through housing and substance abuse treatment so they can work and live without the havoc and chaos caused by addiction and homelessness. Benilde Hall provides comprehensive housing and treatment services to low income homeless men.

Benilde Hall began providing transitional housing and substance abuse treatment to indigent homeless men in 1993. In 1997, Benilde incorporated as its own agency, separating from the founding board, the Lay Volunteers of DeLaSalle. Since 1993, more than 2,800 men have received housing and treatment. Benilde Hall serves Jackson County, Missouri.

In 2001, Benilde Hall increased services to more men by moving to its current location at 3220 East 23rd Street on the eastside of Kansas City, Missouri. Guided by Mr. Linus Benoit, Executive Director, the program more than doubled the housing capacity by expanding from 19 transitional living units to 50 transitional living units.

In 2006, Benilde Hall opened Matt Talbot permanent housing apartments across the street. At this time, the late Executive Director Mr. Linus Benoit's vision "that when a man left Benilde Hall, the true struggle began and that permanent supported housing was greatly needed", became a reality. After clients have successfully completed treatment, they are eligible to live in one of 12 apartments. Matt Talbot clients must be employed, pay rent, and remain clean and sober.

In 2011, 333 men were served at Benilde Hall and Matt Talbot, 193 were veterans. Sixty-two percent (62%) of clients successfully discharged the program with increased income, stable housing, improved mental health, increased social skills, and abstinence from drugs & alcohol. Also in 2011, Benilde Hall continued to provide supportive emergency housing to veterans through a Veterans Affairs contract.

Benilde Services, compensated work programming, provided employment opportunities to the men. The program provides lawn care, nursery & landscaping, painting, snow removal, and repair services. Clients must be compliant with their program including being abstinent from drugs & alcohol and participating in treatment services to be eligible. Eighty percent of participants have maintained sobriety, 33% have found other or additional employment. Forty percent have found housing and moved into aftercare programming. In July 2009, Benilde Hall began outreach serving dinner and bringing supplies to the homeless living under bridges, on the street, and in homeless shelters. In 2011 more than 2000 meals were served.
