MEMO

To: Barbara Casamento, Purchasing Administrator
CC: Craig Mosher, John Konan
Date: 03/29/2023
From: Deloris Wells- Deputy Director of Administration
Subject: Precision Dynamics Sole Source

The increasing numbers of admissions to JCDC necessitates purchasing more than \$5,000 a year for “Clincher” identification wristbands and supportive equipment for Inmates. In 2022, we booked 7,777 inmates, all required wristbands.

When we initially acquired the supportive equipment, we were given a supply of wristbands. In the midpoint of 2022 that supply was depleted.

All of the supportive equipment, PC programming, printer and laminators are set up for use with Precision Dynamic “Clincher” wristbands.

Our annual estimated spend for clincher identification wristbands is \$20,000.00. Please consider Precision Dynamics the sole source vendor for identification wristbands for the inmate population at the Jackson County Detention Center.

Thank you for your consideration.
