(Housing Resources Commission)

THIS AGREEMENT, made by and between **JACKSON COUNTY, MISSOURI**, a Constitutional Home Rule Charter County of the First Class of the State of Missouri, acting by and through its **Housing Resources Commission**, hereinafter referred to as "the County" and a Missouri not-for-profit corporation, **AMETHYST PLACE INC 2735 TROOST KANSAS CITY, MO 64109**, hereinafter referred to as "Contractor".

WHEREAS, on June 4, 1991, the voters of Jackson County authorized the County Legislature to impose a \$3.00 user fee on all instruments recorded with the County's Department of Records, the proceeds of which fee is to be used to provide funds for assistance to homeless persons; and,

WHEREAS, the County actually imposed said fee by Ordinance No. 1986, dated June 10, 1991; and,

WHEREAS, by Ordinance No. 2030, dated September 3, 1991, the Legislature created the Housing Resources Commission and designated said Commission as the agency of the County responsible for determining the allocation and distribution of the proceeds of the user fee; and,

WHEREAS, the Commission has reviewed Contractor's proposal for the expenditure of County user fee funds for the purpose of providing assistance to homeless persons in Jackson County; and,

WHEREAS, the Commission has determined that it is in the best interests of the County's citizens to provide funding to Contractor according to the terms and conditions hereof;

NOW, THEREFORE, it is agreed by and between the parties as follows:

The final request for payment shall include a Quarterly Report and an Annual Report, which shall set out the program objectives and accomplishments, and a final reconciliation of funds. Section 67.1071, R.S.Mo., specifically requires the Annual Report to include "statistics on the number of persons served by the agency, and shall include the results of an independent audit of expenditures of funds received by Contractor pursuant to this Agreement. Failure to submit said reports, including the Annual Report, shall result in the loss of future funding by the County.

- e. Any proposed or actual merger or acquisition either taken by the Organization or toward the Organization

4. **MAINTENANCE OF ACCOUNTS.** The parties recognize that this funding by the County serves to improve the quality and effectiveness of homelessness programs in Jackson County, Missouri. It is, therefore, declared as the express intent of the parties that the services to be rendered hereunder shall be in addition to those deemed necessary and required to maintain the efficient and effective operation of Contractor in its normal duties, and that none of the funds paid by the County pursuant to this Agreement shall serve to reduce any funds budgeted, or to be budgeted, by Contractor for operations as they exist at the time of this Agreement. Contractor shall not commingle the County's funds and shall keep funds received under this Agreement separate from all other Contractor funds and accounts until expended as herein provided.

5. **SUBMISSION OF DOCUMENTS.** No payment shall be made under this Agreement unless Contractor shall have submitted to the County's Director of Finance and Purchasing: (1) a written proposal setting out in detail the intended use of the County's funding, including the target population to be served; (2) Contractor's IRS Form 990 from the previous fiscal or calendar year; (3) a statement of Contractor's total budget for its most recent fiscal year; and (4) a detailed explanation of actual expenditures of the County's funds (pertains to final payments and payments on contracts for future years). If Contractor has previously received funding from the County, to be eligible for future payments, Contractor must submit either an audited financial statement for Contractor's most-recent fiscal or calendar year, or a certified public accountant's program audit of

the County's funds. Any documents described herein which were submitted to the Director of Finance and Purchasing as a part of an application for funding need not be resubmitted to qualify for payment. Said election shall not, in any way, limit the County's rights to sue for breach of this Agreement.

10. **APPROPRIATION OF FUNDS**. Contractor and the County recognize that the County intends to satisfy its financial obligation to Contractor hereunder out of funds annually appropriated for that purpose by the County. County promises and covenants to make its best efforts to appropriate funds in accordance with this Agreement. Section C 2018 Program Information

Agency Name: Amethyst Place, Inc.

Program: Supportive Housing

Primary Program Type

Assistance Type

Is this program sustainable without Jackson County's funding. YES NO

Detail the main objective of the program.

The Mission of Amethyst Place is to support homeless women, recovering from drug and alcohol addiction, and their children by providing safe, drug-free housing and individualized services to promote healthy families. Since 2000, we have provided treatment based, supportive housing for homeless, low-income, high-risk women in crisis and their children. The program promotes recovery, helps mothers develop parenting skills, prepares the women and their children for successful transition to independent housing. A family who is accepted into the program receives professional support as well as on-site therapy in a supervised drug-free environment. We are a campus of 38 furnished private apartments, serving between 50-60 families per year including over 100 children, more than half preschool age. Successful graduates keep all furnishings, allowing for a smooth transition to independent housing. Families receive supports to improve education, employment outcomes, promote self-sufficiency, and overcome the impact of trauma. Operating under the canopy of trauma-informed care, our services incorporate the following principles: increase child safety and well-being; reunite and preserve families; and build the capacity of mothers to create stable homes. Because we provide long-term housing, wrap around services and 24 hour supervision and oversight we are uniquely positioned to make impactful changes on the women and children we see every day.

How does your program measure success? Over what period of time?

The homeless women who come to Amethyst Place have been chronic consumers of publicly funded services such as police, hospital, emergency and inpatient services, and correctional systems. By reducing the number of at-risk families, we reduce demands on social support programs and criminal justice systems, saving public tax dollars while transforming families. Our goals are transformational for the women we serve: reunite with children, maintain sober living, improve mental health, improve parenting skills, advance education, improve employment outcomes, build community, develop self-sufficiency skills. Amethyst Place measures outcomes using self-sufficiency benchmarks: a series of scales documenting a family's condition on a continuum from in-crisis to thriving. We know where each resident has strengths, and where to focus additional energy to generate improvement. Benchmarks are housing, recovery, household management, education, career resiliency, legal issues, parenting, mental health, safety and support, and goal setting. How we measure success:

- 98% of families are reunited and stabilized.
- 90% of residents are active participants in their recovery and work to create educational and vocational goals.
- 70% of clients remain drug and alcohol free during their stay at Amethyst Place, a significant accomplishment for women overcoming decades of drug use that often began in childhood.
- 60% graduate successfully, defined by maintaining sobriety for at least one year and transitioning to independent housing.
