

Proposed Anti-Crime Committee Amendment
January 12, 2026

IN THE COUNTY LEGISLATURE OF JACKSON COUNTY, MISSOURI

AN ORDINANCE prohibiting law enforcement officers from concealing their faces or badges during performance of their official duties and establishing penalties and exemptions.

ORDINANCE NO. 6050, December 8, 2025

INTRODUCED BY Manuel Abarca IV, County Legislator

WHEREAS, the purpose of this ordinance is to strengthen transparency, accountability, and public trust in law enforcement; and,

WHEREAS, prohibiting officers and agencies from allowing concealment unless a valid exemption applies, including: undercover assignments, tactical/SWAT operations where concealment is necessary, medical or protective equipment requirements, helmets or visors that do not significantly obscure identity, other urgent or exceptional situations with written documentation; and,

WHEREAS, agencies must adopt written policies governing when concealment is allowed and document all uses of exemptions, including date, reason, and supervisory approval; and,

WHEREAS, agencies must report annually to the Legislature on exemption usage; and,

WHEREAS, this ordinance is advanced in honor of Renee Nicole Macklin Good, a 37-year-old American citizen with ties to Kansas City and the Waldo neighborhood, whose death during an Immigration and Customs Enforcement operation in January 2026 underscored the grave risks posed when law enforcement officers operate without clearly visible identification; and whose life and memory compel the Jackson County Legislature to reaffirm its commitment to transparency, accountability, and the protection of public trust by naming this effort the *Renee Nicole Macklin Good Transparency and Accountability Ordinance*; and,

WHEREAS, violations may result in internal disciplinary action, increased exposure to civil liability in related legal claims, and criminal misdemeanor penalties; now therefore,

BE IT ORDAINED, that law enforcement officers performing official duties in Jackson County shall keep both their faces and badges visible to the public.

Effective Date: This Ordinance shall be effective immediately upon its signature by the County Executive.
