## ACTIVITIES & QUALIFICATIONS

I served on the board for the Young Real Estate Professionals group from 2009 through 2012. Our goal was to unite young real estate professionals with city leaders and key players in the industry through quarterly events to educate and expand members' knowledge by discussing relevant topics and notable real estate transactions.

I recently served on the leadership committee for St. Teresa's Academy Inspiring Women Capital Campaign. The committee assisted the school in planning the development and raising the necessary funds to build the chapel, which was completed successfully in 2011.
