7. **Audit.** The parties agree that the County may, for any reason and at any given time, examine and audit the books and records of Organization pertaining to this Agreement. Further, Organization agrees to establish and adopt such accounting standards and forms as recommended by the County prior to receipt of the County's first distribution of funds under the terms of this Agreement. The forms used to document expenditure of these funds may be changed from time to time by the County.

8. **Default.** If Organization shall default in the performance or observation of any covenant, term or condition herein contained to be performed by Organization, the County shall give Organization ten days written notice, setting forth the default. If said default shall continue and not be corrected by Organization within ten days after receipt of notice from the County, the County may, at its election, terminate this Agreement and withhold any payments not yet made to Organization. Said election shall not, in any way, limit the County's rights to sue for breach of this Agreement.

9. **Appropriation Of Funds.** Organization and the County recognize that the County intends to satisfy its financial obligation to Organization hereunder out of funds annually appropriated for that purpose by the County. County promises and covenants to make its best efforts to appropriate funds in accordance with this Agreement. In the event no funds or insufficient funds are appropriated and budgeted, or are otherwise

unavailable by any means whatsoever for payment due hereunder, County shall immediately notify Organization of this occurrence and this Agreement shall terminate on the last day for which appropriations were received, without penalty or expense to the County of any kind whatsoever, except as to the portions of the payment amounts herein agreed upon for which funds shall have been appropriated and budgeted or are otherwise available, or at any time after the last date that County has paid for the Services, if earlier.

A. That any funds authorized or appropriated for services rendered under this Agreement shall be applied to the payments hereunder until all such funds are exhausted.

B. That County will use its best efforts to obtain authorization and appropriation of such funds including, without limitation, the inclusion in its annual budget, a request for adequate funds to meet its obligation under this Agreement in full.

10. **Conflict Of Interest.** Organization warrants that no officer or employee of the County, whether elected or appointed, shall, in any manner whatsoever, be interested in or receive any benefit from the profits or emoluments of this Agreement.

11. **Severability.** If any covenant or other provision of this Agreement is invalid, or incapable of being enforced by reason of any rule of law or public policy, all other conditions and provisions of this Agreement shall, nevertheless, remain in full force and effect; and no covenant or provision shall be deemed dependent upon any other covenant or provision unless so expressed herein.

12. **Indemnification.** Organization shall indemnify, defend and hold the County harmless from any and all claims, liabilities, damages, and costs (including reasonable attorney's fees directly related thereto) including but not limited to violation of civil rights and/or bodily injury to or death of any person and for damage to or destruction of property if and to the extent caused by the negligence, willful misconduct or omissions of Organization during the performance of this Agreement.

13. **Insurance.** Organization shall maintain the following insurance coverage during the term of this Agreement.

C. Organization agrees to provide the County with certificates of insurance evidencing the above described coverage prior to the start of Services, and annually thereafter, if required by the County. Such certificates shall provide that the applicable insurance policies have been endorsed to provide a minimum of thirty days advance notice to the County in the event of cancellation, non-

renewal, or reduction in limits by endorsement.

14. **Term.** The term of this Agreement shall commence January 1, 2019, and shall continue until December 31, 2019, unless sooner terminated pursuant to paragraph 8, 15, or 19 hereof. If this Agreement is terminated by either party, the County shall pay only for those services actually performed by Organization as verified by the County's audit.

15. **Termination.** This Agreement may be terminated for any reason or no reason by either of the parties upon thirty (30) days' written notice to the other party's designated fiscal representative. All services and payments shall continue through the effective date of termination. Termination of this Agreement shall not constitute a waiver of the rights or obligations which the County or Organization may be entitled to receive as provided in this Agreement, or be obligated to perform under this Agreement for services prior to the date of termination. Should this Agreement terminate, all County written materials of any kind must be delivered and returned by Organization to the County within ten (10) days of the termination of this Agreement.

Date Program was Initiated: 2010

What time period does this program run: All Year

Provide program description: Abby's Fund for Musicians' Health Care was created in 2008 when Kansas City musician Abigail Henderson was diagnosed with breast cancer. The local music community raised money to help Abigail pay for medical bills and treatment costs, an outpouring of community support that led her to co-found Midwest Music Foundation (MMF) to provide area musicians with health care assistance. Though Abigail passed away in 2013, MMF continues her mission to invest in Kansas City's musical artists. This fund is designed to assist members of the KC-area music community with emergency medical situations. Additionally, MMF is devoted to helping musicians navigate their health care options and provide education on the importance of preventive care. Since the inception of the fund, MMF has awarded over \$140,000 in health care grants to 145 Kansas City musicians. Abby's Fund grants are available to those suffering medical emergencies to help pay for urgent needs such as medical bills, rent, or utilities due to lost work. MMF has been able to grant some kind of assistance to every applicant and directs them to additional resources as needed. MMF has partnered with the RockDocs and other area health care providers to provide preventative care and free health care clinics, providing flu shots, custom earplugs, mammograms and other medical information and services to musicians throughout the year. We are also working to add mental health and addiction/recovery programs to our services in the future.

Describe the benefits of this program to Jackson County Missouri: MMF believes that access to health care is integral for musicians to share their talents and advance their careers. Due to the nature of their professions, musicians often remain uninsured or underinsured. Often, they are unable to afford medical insurance or treatment, and rely solely on county, state and federal resources. MMF promotes wellness and provides a safety net for musicians to live sustainable careers and collectively enhance the greater Kansas City arts community. Additional funding would allow MMF to expand its reach to a wider, more diverse population of musicians across Jackson County. With an increasing population of older working musicians, health care is a growing concern and MMF's services will be in greater demand as these musicians age. A healthier and more thriving community of musical entertainers — from those who are performing in front of hundreds at a major festival or dozens at a Midtown venue — will in turn boost a more vibrant economy. Our recent mammogram clinic found abnormal results in two of the women screened, which may lead to finding cancer earlier and being able to treat at an earlier stage. The flu shots will help to prevent spread of the flu in the community as a whole. Our custom earplugs can prevent hearing loss in musicians. Overall, the services we provide will improve the health of our arts community.

Describe target population to be served: Greater Kansas City-area musicians and their families and music workers, which include sound engineers, technicians, venue employees, booking agents and management. Because of the universal quality of music, MMF has the potential to reach a broad range of ages, races, religions and sexual orientations.

What are the qualifications for participants: For emergency health care grants: Must have suffered a medical emergency. Must reside in Kansas City or surrounding areas. Must provide three references, who will be contacted. Must currently be employed or have been employed in the last 12 months as a musician or in the music industry. For health care clinic: Our clinics are open to the public with priority given to musicians/music industry personnel. The custom earplugs were given to musicians or those working directly in the music industry in proximity to loud music. Mammograms were given to musicians or music industry personnel. RockDocs provide other services to public as time allows at our events. Flu shots were given to all interested attendees at our Apocalypse Meow fundraiser.
