- b. Organization funding that will affect the program under this contract
- c. Liability insurance coverage

If Organization has previously received funding from the County, to be eligible for future payments, Organization must submit either an audited financial statement for Organization's most-recent fiscal or calendar year, or a certified public accountant's program audit of the County's funds. Any documents described herein which were submitted to the Department of Finance and

Purchasing as a part of an application for funding need not be resubmitted to qualify for payment. No payment shall be made if Organization is out of compliance on any other County contract, or has not paid county taxes on all properties owned by Organization and assessed by the County.

5. **Equal Opportunity**. Organization shall maintain policies of employment as follows:

A. Organization and Organization's subcontractor(s) shall not discriminate against any employee or applicant for employment because of race, religion, color, sex, age, disability, or national origin. Organization shall take affirmative action as set forth to ensure that applicants for employment and employees are treated without regard to their race, religion, color, sex, age, disability, or national origin. Such action shall include, but not be limited, to the following: recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. Organization agrees to post in conspicuous places, available to employees and applicants for employment, notices setting forth the policies of non-discrimination.

B. Organization and Organization's subcontractor(s) shall, in all solicitation or advertisements for employees placed by them or on their behalf, state that all qualified applicants will receive consideration for employment without regard to race, religion, color, sex, age, disability, or national origin.

6. **Employment Of Unauthorized Aliens Prohibited**. Pursuant to §285.530.1, RSMo, Organization assures that it does not knowingly employ, hire for employment, or continue to employ an unauthorized alien to perform work within the State of Missouri

and/or Jackson County, and shall affirm, by sworn affidavit and provision of documentation, its enrollment and participation in a federal work authorization program with respect to the employees working in connection with the contracted services. Further, Organization shall sign an affidavit, attached hereto and incorporated herein as Exhibit B, affirming that it does not knowingly employ any person who is an unauthorized alien in connection with the contracted services.

7. **Audit.** The parties agree that the County may, for any reason and at any given time, examine and audit the books and records of Organization pertaining to this Agreement. Further, Organization agrees to establish and adopt such accounting standards and forms as recommended by the County prior to receipt of the County's first distribution of funds under the terms of this Agreement. The forms used to document expenditure of these funds may be changed from time to time by the County.

8. **Default.** If Organization shall default in the performance or observation of any covenant, term or condition herein contained to be performed by Organization, the County shall give Organization ten days written notice, setting forth the default. If said default shall continue and not be corrected by Organization within ten days after receipt of notice from the County, the County may, at its election, terminate this Agreement and withhold any payments not yet made to Organization. Said election shall not, in any way, limit the County's rights to sue for breach of this Agreement.

9. **Appropriation Of Funds.** Organization and the County recognize that the County intends to satisfy its financial obligation to Organization hereunder out of funds annually appropriated for that purpose by the County. County promises and covenants to make its best efforts to appropriate funds in accordance with this Agreement. In the

event no funds or insufficient funds are appropriated and budgeted, or are otherwise unavailable by any means whatsoever for payment due hereunder, County shall immediately notify Organization of this occurrence and this Agreement shall terminate on the last day for which appropriations were received, without penalty or expense to the County of any kind whatsoever, except as to the portions of the payment amounts herein agreed upon for which funds shall have been appropriated and budgeted or are otherwise available, or at any time after the last date that County has paid for the Services, if earlier.

County further agrees:

A. That any funds authorized or appropriated for services rendered under this Agreement shall be applied to the payments hereunder until all such funds are exhausted.

B. That County will use its best efforts to obtain authorization and appropriation of such funds including, without limitation, the inclusion in its annual budget, a request for adequate funds to meet its obligation under this Agreement in full.

10. **Conflict Of Interest.** Organization warrants that no officer or employee of the County, whether elected or appointed, shall, in any manner whatsoever, be interested in or receive any benefit from the profits or emoluments of this Agreement.

11. **Severability.** If any covenant or other provision of this Agreement is invalid, or incapable of being enforced by reason of any rule of law or public policy, all other conditions and provisions of this Agreement shall, nevertheless, remain in full force and effect; and no covenant or provision shall be deemed dependent upon any other

covenant or provision unless so expressed herein.

12. **Indemnification.** Organization shall indemnify, defend and hold the County harmless from any and all claims, liabilities, damages, and costs (including reasonable attorney's fees directly related thereto) including but not limited to violation of civil rights and/or bodily injury to or death of any person and for damage to or destruction of property if and to the extent caused by the negligence, willful misconduct or omissions of Organization during the performance of this Agreement.

13. **Insurance.** Organization shall maintain the following insurance coverage during the term of this Agreement.

A. Organization shall maintain Commercial General Bodily Injury and Property Damage Liability insurance, each in a combined single limit of One Million Dollars (\$1,000,000) each occurrence for bodily injury and property damage liability.

C. Organization agrees to provide the County with certificates of insurance evidencing the above described coverage prior to the start of Services, and annually thereafter, if required by the County. Such certificates shall provide that the applicable insurance policies have been endorsed to provide a minimum

of thirty days advance notice to the County in the event of cancellation, non-renewal, or reduction in limits by endorsement.

14. **Term.** The term of this Agreement shall commence January 1, 2018, and shall continue until December 31, 2018, unless sooner terminated pursuant to paragraph 8, 15, or 19 hereof. If this Agreement is terminated by either party, the County shall pay only for those services actually performed by Organization as verified by the County's audit.

15. **Termination.** This Agreement may be terminated for any reason or no reason by either of the parties upon thirty (30) days' written notice to the other party's designated fiscal representative. All services and payments shall continue through the effective date of termination. Termination of this Agreement shall not constitute a waiver of the rights or obligations which the County or Organization may be entitled to receive as provided in this Agreement, or be obligated to perform under this Agreement for services prior to the date of termination. Should this Agreement terminate, all County written materials of any kind must be delivered and returned by Organization to the County within ten (10) days of the termination of this Agreement.

16. **Standard of Care.** Organization shall exercise the same degree of care, skill, and diligence in the performance of the Services as is ordinarily possessed and exercised by professionals operating under similar circumstances.

What time period does this program run: All Year

Provide program description: The Healing House Healthy Moms and Babies Project is a 9 month residential recovery program for up to 7 women (residents). Residents must be committed to overcoming their addiction and participating in recovery programming. They must be at least 24 weeks pregnant and can stay up to 6 months after giving birth to ensure the ability to provide a stable home for their baby. One month after the birth of their child, women are supported in finding employment (resume building, online job search, and transportation to interviews). Daycare is provided at the HH daycare center close to the dedicated pregnant and new mothers' home. The home has an onsite House Manager who will organize chores, meals and activities, help residents learn life skills, and provide 24 hour availability for emotional support. All residents will participate in the following recovery services: **Addiction Recovery:** Residents work through complex questions to better understand triggers for turning to addiction, while also learning to have fun/be social and manage anxiety, unpleasant feelings, and difficult challenges without relying on drugs or alcohol. **Case management:** Services will include: securing personal identification information, obtaining healthcare coverage, coordination of prenatal care and other health related appointments for self and child, transportation to mandatory treatment programs and healthcare appointments, assistance with legal obligations, education/employment assistance, life skills training, access to healthcare providers to overcome the challenges of recovering addicts and prescription medications following childbirth. **Parenting Classes:** Residents will attend parenting classes focusing on different subjects such as newborn care, bonding, safety, developmental stages, CPR, first aid, behavior management, sibling management, healthy meals, and family budgeting.

Describe the benefits of this program to Jackson County Missouri: Healing House is a unique organization with a holistic approach addressing every aspect of a drug free life through faith, health and community. Healing House accepts women from treatment, the prison system and homelessness. Although Healing House is a faith based program, it is not required for residents to be affiliated with any religious faith or church. Healing House has a reputation for effective programming and successful outcomes, receiving multiple awards of recognition and excellence. There is no doubt that drug use by a mother during pregnancy causes irreparable harm such as low birth weight, birth defects and behavioral problems from birth throughout the child's life. The best approach to treat and prevent this is through early intervention with the mother. The sooner that a woman stops using drugs/alcohol during her pregnancy, the less likely the negative effects on the infant. Healing House believes that by assisting pregnant mothers to become and stay substance free during their pregnancy and providing a safe supportive community for them in the early weeks of caring for their babies, the women will be building a foundation of healthy relationships while developing the tools to achieve a productive substance free life for themselves as well as their child. There is a significant unmet need for support services for pregnant women. In 2014, 75 pregnant Jackson County, Missouri women were enrolled into substance abuse treatment programs, that was an increase of 13.6% from 2013

Describe target population to be served: The Healthy Moms and Babies Project will provide housing and addiction recovery services to a maximum of 7 women at any one time. It is anticipated that given the length of the program (9 months) and a possible recidivism rate of 25% and a 75% of completion, approximately 14 women will participate in the program annually. In addition, the mothers will have their newborn infants in the program for a total number impacted of 28 annually. It is anticipated that the participants will reflect the general demographics of the general population that HH serves as follows: African American 27% American Indian/Alaskan Native 1% Caucasian 71% Hispanic/Latino 1%

What are the qualifications for participants: Residents will be at least 24 weeks pregnant and will enter the program as an existing resident at HH or as a referral from one of the HH partners. The women will be of childbearing age, between 16 and 40 years old.
