Organization understands that no payment shall be made under this agreement until Organization's 2019 Outside Agency contract has been fully reconciled with the County's Department of Finance and Purchasing. No payment shall be made if Organization is out of compliance on any other County contract, or has not paid county taxes on all properties owned by Organization and assessed by the County.

Further, Organization shall sign an affidavit, attached hereto and incorporated herein as Exhibit B, affirming that it does not knowingly employ any person who is an unauthorized alien in connection with the contracted services.

7. **Audit.** The parties agree that the County may, for any reason and at any given time, examine and audit the books and records of Organization pertaining to this Agreement. Further, Organization agrees to establish and adopt such accounting standards and forms as recommended by the County prior to receipt of the County's first distribution of funds under the terms of this Agreement. The forms used to document expenditure of these funds may be changed from time to time by the County.

8. **Default.** If Organization shall default in the performance or observation of any covenant, term or condition herein contained to be performed by Organization, the County shall give Organization ten days written notice, setting forth the default. If said

default shall continue and not be corrected by Organization within ten days after receipt of notice from the County, the County may, at its election, terminate this Agreement and withhold any payments not yet made to Organization. Said election shall not, in any way, limit the County's rights to sue for breach of this Agreement.

9. **Appropriation Of Funds**. Organization and the County recognize that the County intends to satisfy its financial obligation to Organization hereunder out of funds annually appropriated for that purpose by the County. County promises and covenants to make its best efforts to appropriate funds in accordance with this Agreement. In the event no funds or insufficient funds are appropriated and budgeted, or are otherwise unavailable by any means whatsoever for payment due hereunder, County shall immediately notify Organization of this occurrence and this Agreement shall terminate on the last day for which appropriations were received, without penalty or expense to the County of any kind whatsoever, except as to the portions of the payment amounts herein agreed upon for which funds shall have been appropriated and budgeted or are otherwise available, or at any time after the last date that County has paid for the Services, if earlier.

County further agrees:

A. That any funds authorized or appropriated for services rendered under this Agreement shall be applied to the payments hereunder until all such funds are exhausted.

B. That County will use its best efforts to obtain authorization and appropriation of such funds including, without limitation, the inclusion in its annual

budget, a request for adequate funds to meet its obligation under this Agreement in full.

10. **Conflict Of Interest**. Organization warrants that no officer or employee of the County, whether elected or appointed, shall, in any manner whatsoever, be interested in or receive any benefit from the profits or emoluments of this Agreement.

12. **Indemnification**. Organization shall indemnify, defend and hold the County harmless from any and all claims, liabilities, damages, and costs (including reasonable attorney's fees directly related thereto) including but not limited to violation of civil rights and/or bodily injury to or death of any person and for damage to or destruction of property if and to the extent caused by the negligence, willful misconduct or omissions of Organization during the performance of this Agreement.

13. **Insurance**. Organization shall maintain the following insurance coverage during the term of this Agreement.

Such certificates shall provide that the applicable insurance policies have been endorsed to provide a minimum of thirty days advance notice to the County in the event of cancellation, non-renewal, or reduction in limits by endorsement.

14. **Term.** The term of this Agreement shall commence January 1, 2020, and shall continue until December 31, 2020, unless sooner terminated pursuant to paragraph 8, 15, or 19 hereof. If this Agreement is terminated by either party, the County shall pay only for those services actually performed by Organization as verified by the County's audit.

15. **Termination.** This Agreement may be terminated for any reason or no reason by either of the parties upon thirty (30) days' written notice to the other party's designated fiscal representative. All services and payments shall continue through the effective date of termination. Termination of this Agreement shall not constitute a waiver of the rights or obligations which the County or Organization may be entitled to receive as provided in this Agreement, or be obligated to perform under this Agreement for services prior to the date of termination. Should this Agreement terminate, all

County written materials of any kind must be delivered and returned by Organization to the County within ten (10) days of the termination of this Agreement.

Date Program was Initiated: 2010

What time period does this program run: All Year

Provide program description: FosterAdopt Connect is dedicated to providing Jackson County foster and adoptive families with the resources they need to ensure that the children placed in their home receive the highest quality care. Our goal in this work is to provide the stable foundation that foster/adoptive children need to enjoy all the opportunities available to them, ensure a successful transition to adulthood, and achieve parity with the outcomes experienced by children in the general population. To achieve this goal, we have developed a continuum of services that directly benefit foster/adoptive families by addressing many significant challenges and barriers, including the physical necessities required for a stable home. Our direct services program and resource center, called Sammy's Window, is the primary source for Jackson County families who need help acquiring clothing, food, health equipment, bedding, fire protection equipment, and other essential items. This resource center is set up to look like a traditional thrift shop/market—with separate areas dedicated to clothing, food, birthday supplies, and specialized equipment. Sammy's Window clothing closet can be accessed by clients Monday-Friday from 8am to 4pm. The Sammy's Window food pantry is also open 8am-2pm on Thursdays and on the first and third Saturday of each month. We also work with families experiencing crises outside of the regular hours of operation – depending on the needs of the family and children. Located in southern Independence, Sammy's Window has served 577 families/young adults so far this year. These households provide care to hundreds of foster/adoptive children in Jackson County. Sammy's Window operations are overseen by FosterAdopt Connect's Direct Services Manager, Faye Woods (also an experienced foster/adoptive parent), who works directly with clients to determine the needs of individual families and provides information on and connections to other programs that can help meet those needs. Faye also works with other FosterAdopt Connect programs to ensure effective service linkage for as many families as possible. An example of this inter-program collaboration can be seen in our use of past Outside Agency funding. Following our Outside Agency grant award in 2015 (\$25,000), FosterAdopt Connect used a portion of the grant funding to purchase twin mattresses for families involved in our foster parent licensing program—with an emphasis on relatives/kin who are providing emergency placement for children entering foster care for the first time. During the grant period we expanded the target population to include families involved in our Extreme Recruitment and 30 Days to Family programs (which find loving, permanent homes for children with significant mental health/behavioral needs). We found that this collaboration made it easier for these families to quickly attain licensure, reducing the amount of time individual foster children were made to wait before being placed in a permanent home. By removing physical barriers, FosterAdopt Connect makes it possible for families to focus their energy on the emotional task of taking in children with elevated needs. This part of our work has recently become more intensive, as the number of relative's caring for children has increased in Jackson County from 30% of all providers in 2015 to over 50% of all care givers in August, 2019. Over the past year, we have expanded the eligibility guidelines for Sammy's Window to include older foster youth (who are not currently residing in a foster home) and young adults who recently aged-out of foster care (ages 17-26) who are participating in our Community Connections Youth Project (CCYP). We found this application of Outside Agency funding to have a massive positive impact on a population that faces unique and difficult challenges. We also recently expanded the eligibility guidelines for Sammy's Window to include kinship placement providers who are participating in our new Kinship Navigator program. These are relatives or kin who have volunteered to care for children who may otherwise end up in foster care. Often, kinship care providers are not offered the same resources as a foster parent providing similar care would due to the informal nature of their care. Offering Sammy's Window to this population of care providers helps offset the costs associated with taking placement of their kinship children and helps maintain placement with a known relative or kin connection. We have also used past Outside Agency funding to maximize Sammy's Window purchasing by partnering with other organizations—including Happy Bottoms diaper bank, Harvesters food bank, HyVee, Walmart, and other food/clothing purveyors—greatly increasing our ability to effectively purchase the items our families desperately need. We believe the funding provided by our past Outside Agency awards have greatly increased the capacity of Sammy's Window (and other programs) to drive positive change in the lives of the families and children we serve, and sincerely appreciate your consideration of this request.

Describe the benefits of this program to Jackson County Missouri: Sammy's Window helps foster/adoptive families access the resources needed to provide the highest quality of care to the children in their homes—many of whom have suffered abuse, neglect, and abandonment. The ultimate benefit of this program will be realized through reduced placement instability for Jackson County foster children, and a high level of retention for existing foster care providers. Sammy's Window services also helps prevent children from entering foster care by targeting at-risk families through our Kinship Navigation and Community Connections Youth Project (CCYP). Although foster parents do receive some compensation for their services, these rates (which range from \$9 - \$40/day) are widely regarded as insufficient when compared to the actual cost of raising a child—especially when that child has elevated needs that require 24/7 care. Generally speaking, relative care providers (about 50% of all providers in Jackson County) are reimbursed at a much lower rate than traditional or elevated needs homes. For kinship care providers, who provide informal placements to keep children from entering foster care, there is no financial support or reimbursement from the state or county. Through Sammy's Window, we are able to draw upon the resources of other agencies and other services to maximize the benefit experienced by foster/adoptive families who access our services. Examples of this can be seen in our collaborations with Harvesters (a regional food-bank and distribution center), the Salvation Army (who helps us manage our clothing donation overstock), and many other small nonprofits and volunteer/church groups. These partnerships help ensure that every dollar allocated for Sammy's Window operations is used efficiently, and is leveraged to provide a higher overall quality of service for Jackson County families.

Describe target population to be served: The primary beneficiaries of this service include foster and adopted children and the families who provide them a loving home. Children entering the foster care system often do so with only the clothes on their backs, and whatever else they can carry. Unfortunately, the assistance provided by Missouri to meet the clothing and personal needs of these children currently ranks 48th out of all 50 States - and is widely regarded as insufficient when compared to the actual cost of raising a child. During the past year, we have expanded Sammy's Window eligibility to include older foster youth and young adults who recently aged-out of foster care. There are currently 1,737 children in foster care in Jackson County. These children reside in the homes of 514 licensed care providers—whose numbers include relatives, kin, group homes, elevated needs homes, and traditional foster homes (MO Children's Division Management Reports 8/19). This number does not include the dozens of informal placement providers currently providing care in Jackson County. Each of these categories of placement provider have different needs and require different services to ensure they have the capacity to meet the needs of the children in their care. Overall, these families and children are much more likely to be of a minority ethnic heritage and come from an economically disadvantaged municipality/neighborhood. In the first nine months of 2019, Sammy's Window served 557 parents and older foster youth/foster care alumni. These parents and individuals provide care to hundreds of foster youth in Jackson County. We project that by the end of 2019 we will serve about 610 families and older foster youth/foster care alumni – the majority of whom reside in Jackson County. We consider this program successful if we can demonstrate that a majority of licensed care providers in our service area accessed the program in a given year.

All individuals who access Sammy's Window must show some current documentation of their involvement in the foster care system – or, in the case of CCYP clients, a referral from their case manager. This rule helps ensure that our services are directed toward the intended recipients.

What are the qualifications for participants: Clients must be a licensed foster parent, an adoptive parent of a child who experienced placement in foster care, a relative or kin providing placement for a child in lieu of a traditional foster care placement or be a young adult who recently aged-out of foster care to utilize Sammy's Window. We also make the food pantry available to seniors who reside in the 64057 zip code (southern Independence). Full list version: Foster/adoptive parents Adults providing care to non-biological children Foster care alumni (up to age 26) Youth in foster care Homeless youth/young adults Seniors Resident of 64057 zip code Relative or Kinship placement providers

Outcome: Increase access to food and clothing supplies for Jackson County youth who recently aged-out of foster care.

How will outcome be measured: FAC CCYP program serves about 130 children annually, of whom 35% (45 youth) experience hunger. Success for the portion of Sammy's Window that serves these clients is defined as meeting the needs of 90% of all clients who experience hunger.
