- b. Organization funding that will affect the program under this contract

5. **Equal Opportunity**. Organization shall maintain policies of employment as follows:

Such action shall include, but not be limited, to the following: recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. finances and operations as related to County funds. Further, Organization agrees to establish and adopt such accounting standards and forms as recommended by the County prior to receipt of the County's first distribution of funds under the terms of this Agreement. The forms used to document expenditure of these funds may be changed from time to time by the County.

8. **Default.** If Organization shall default in the performance or observation of any covenant, term or condition herein contained to be performed by Organization, the County shall give Organization ten days written notice, setting forth the default. If said default shall continue and not be corrected by Organization within ten days after receipt of notice from the County, the County may, at its election, terminate this Agreement and withhold any payments not yet made to Organization. Said election shall not, in any way, limit the County's rights to sue for breach of this Agreement.

9. **Appropriation Of Funds.** Organization and the County recognize that the County intends to satisfy its financial obligation to Organization hereunder out of funds annually appropriated for that purpose by the County. County promises and covenants to make its best efforts to appropriate funds in accordance with this Agreement. In the event no funds or insufficient funds are appropriated and budgeted, or are otherwise unavailable by any means whatsoever for payment due hereunder, County shall immediately notify Organization of this occurrence and this Agreement shall terminate on the last day for which appropriations were received, without penalty or expense to the County of any kind whatsoever, except as to the portions of the payment amounts herein agreed upon for which funds shall have been appropriated and budgeted or are

County further agrees:

A. That any funds authorized or appropriated for services rendered under this Agreement shall be applied to the payments hereunder until all such funds are exhausted.

B. That County will use its best efforts to obtain authorization and appropriation of such funds including, without limitation, the inclusion in its annual budget, a request for adequate funds to meet its obligation under this Agreement in full.

10. **Conflict Of Interest.** Organization warrants that no officer or employee of the County, whether elected or appointed, shall, in any manner whatsoever, be interested in or receive any benefit from the profits or emoluments of this Agreement.

11. **Severability.** If any covenant or other provision of this Agreement is invalid, or incapable of being enforced by reason of any rule of law or public policy, all other conditions and provisions of this Agreement shall, nevertheless, remain in full force and effect; and no covenant or provision shall be deemed dependent upon any other covenant or provision unless so expressed herein.

12. **Indemnification.** Organization shall indemnify, defend and hold the County harmless from any and all claims, liabilities, damages, and costs (including reasonable attorney's fees directly related thereto) including but not limited to violation of civil rights and/or bodily injury to or death of any person and for damage to or destruction of property if and to the extent caused by the negligence, willful misconduct or omissions

of Organization during the performance of this Agreement.

13. **Insurance.** Organization shall maintain the following insurance coverage during the term of this Agreement.

C. Organization agrees to provide the County with certificates of insurance evidencing the above described coverage prior to the start of Services, and annually thereafter, if required by the County. Such certificates shall provide that the applicable insurance policies have been endorsed to provide a minimum of thirty days advance notice to the County in the event of cancellation, non-renewal, or reduction in limits by endorsement.

14. **Term.** The term of this Agreement shall commence January 1, 2016, and shall continue until December 31, 2016, unless sooner terminated pursuant to paragraph 8, 15, or 19 hereof. If this Agreement is terminated by either party, the County shall pay only for those services actually performed by Organization as verified

by the County's audit.

15. **Termination**. This Agreement may be terminated for any reason or no reason by either of the parties upon thirty (30) days' written notice to the other party's designated fiscal representative. All services and payments shall continue through the effective date of termination. Should this Agreement terminate, all County written materials of any kind must be delivered and returned by Organization to the County within ten (10) days of the termination of this Agreement.

16. **Standard Of Care**. Organization shall exercise the same degree of care, skill, and diligence in the performance of the Services as is ordinarily possessed and exercised by professionals operating under similar circumstances.

Section C 2016 Program Information

Agency Name:
AdHoc Group Against Crime

Program:
Support Services for Families Surviving Homicide

Proposed Program

Detail functions to be performed.

The AdHoc Group Against Crime will provide case management, and mental health services through monthly support group, Mothers and Families for Healing and Justice; Individual and family therapy sessions to all persons affected by violent crime and homicide. In addition substance abuse counseling will be offered to all persons identified by their counselor as needing treatment. AdHoc will continue to serve a minimum of 55 families that are receiving services currently through the program and add an additional 55 families as new homicide occur in the Kansas City area in 2016. Program components include the initial intake, case management, group sessions, referral services, community events, and evaluation.

Why is this a priority for your agency?

In Kansas City, there have been 100 or more homicides each year since 1969. That is, astoundingly, over 3,700 murders. In each of these years, the African American family has been disproportionately affected by the City's homicides. Alarmingly, African American males in these families (ages 9-24), have consistently and disproportionately been affected by homicides. This age group represents 40% of the homicides each year in Kansas City. Characteristic post-traumatic stress, chronic depression, feelings of anger, betrayal, and loss of safety, we have found that over 45% of our clients are using various substances to help them cope with the loss of their loved one. This growing dependency on alcohol, tobacco, and other drugs is further destroying the fabric of our community.

Check if this program is sustainable without Jackson County's funding.

Target Population

Describe target population and demographics to be served by each program.

The AdHoc Group against Crime primarily serves those residents in the urban core of Kansas City, particularly around the Prospect corridor. The target population of this initiative is to provide services to any individual/family who has been impacted by homicide, regardless of age, race, sex, gender, sexual orientation, economic status, or religion.

What criteria do you have for the participants you serve?

Clients are accessed through direct client contact with the AdHoc organization. AdHoc receives, on average 35 calls per month from individuals who have been affected by violent crime and who are requesting a prayer vigil or victim services.

Service Delivery Area
