

# PRICE QUOTE

Jackson County Nonprofit Partnership Grant	Frequency	Service Fee (2026 Pricing)
<b>Single Project Pricing</b>		
<b>New Database Start Up Fee</b>	One-Time Fee	\$2,750.00
<b>YEAR ONE (2026) LCPtracker Professional</b> <b>Based on Construction Capacity for Project \$25 Million to \$50 Million in Construction Capacity</b>  This is an annual fee for each project entered into the Services. For projects longer than the one (1) year standard subscription period, but with Client data stored by LCPtracker for less than eighteen (18) months, a six (6)-month prorated Service Fee applies for the first six (6) months of the succeeding year, but at a 10% premium (due to our pricing being priced out at a one-year term cost).	Annual	\$5,900.00
<b>YEAR ONE (2026) Onsite Module</b> <b>Based on Construction Capacity for Project \$25 Million to \$50 Million in Construction Capacity</b>  Annual Access Fee for Onsite	Annual	\$1,750.00
<b>YEAR TWO (2027) LCPtracker Professional</b> <b>Based on Construction Capacity for Project \$25 Million to \$50 Million in Construction Capacity</b>  This is an annual fee for each project entered into the Services. For projects longer than the one (1) year standard subscription period, but with Client data stored by LCPtracker for less than eighteen (18) months, a six (6)-month prorated Service Fee applies for the first six (6) months of the succeeding year, but at a 10% premium (due to our pricing being priced out at a one-year term cost).	Annual	\$6,195.00
<b>YEAR TWO (2027) Onsite Module</b> <b>Based on Construction Capacity for Project \$25 Million to \$50 Million in Construction Capacity</b>  Annual Access Fee for Onsite	Annual	\$1,837.50
