5 COMMUNICATIONS WITH AND REPORTS OF THE COUNTY EXECUTIVE

Frank White Jr., County Executive, was not present.

Caleb Clifford, Chief of Staff, said there were no reports.

Manuel Abarca IV, County Legislator, stated he was made aware of another flooding occurrence over the past weekend at the building located at 1300 Washington Avenue. Prior to that, a more significant flooding event happened that was also over a weekend. He asked if there was any

monitoring that happens to stop problems before they become catastrophic.

Caleb Clifford, Chief of Staff, answered by first stating there are significant differences between the flooding that occurred at the downtown courthouse and the 1300 Washington building. He stated there are moisture recognition applications/programs that have bluetooth devices. He is unaware as to the placement of the devices, but can have Brian Gaddie, Director of Public Works, talk to the Legislature about the steps taken to mitigate flooding issues. There was testimony in an earlier committee meeting that covered the issue including speaking to consultants hired by the County to mitigate and monitor the situation. Legislator Abarca said consultants were hired to figure out the problem at a cost of \$38,000.00. Mr. Clifford replied the money was not used to identify the problem. He said funds are budgeted and used piecemeal to address ongoing issues that develop at the 1300 Washington building while the Administration tries to build support to update the building. Legislator Abarca asked how much of the \$38,000.00 was approved by the Legislature. Mr. Clifford said it was all approved in the budget as well as the term and supply contracts. When asked if the statement was true, Whitney Miller, Deputy County Counselor, stated if work needed to be done term and supply contracts can be utilized, it does not need to come before the Legislature for approval regardless of the amount. Legislator Abarca asked the Administration for a report with the line items that are associated with the repairs.

Legislator Abarca asked if members of the County Executive's staff had received raises. Caleb Clifford answered no. Legislator Abarca asked if anyone received any type of pay increase or out of class pay. Mr. Clifford said he could not speak to anything in regard to specific associates and was not aware of any associates receiving out of class pay.

Legislator Abarca asked where the County Executive was since he was not present. Mr. Clifford said he had no knowledge of the County Executive's schedule.
