

COOPERATIVE AGREEMENT

THIS AGREEMENT, made by and between **JACKSON COUNTY, MISSOURI**, a Constitutional Home Rule Charter County of the First Class of the State of Missouri, hereinafter referred to as "the County" and a Missouri not-for-profit corporation, **aSTEAM VILLAGE, 1601 E. 18TH STREET, KANSAS CITY, MO 64108**, hereinafter referred to as "Organization".

WHEREAS, the County and Organization desire to enter into an Agreement to provide funding to be used for a science and technology youth club; and,

WHEREAS, the County deems it to be in the best interest of its citizenry to support such programs and activities; and,

NOW THEREFORE, in consideration of the foregoing and the terms and provisions herein contained, the County and Organization respectively promise, covenant, and agree with each other as follows:

NOW, THEREFORE, it is agreed by and between the parties as follows:

1. **Services**. Organization shall provide an all-inclusive, hands-on science and technology youth club designed to attract diversified and under-represented groups of students, as is more fully set out in the proposal attached hereto as Exhibit A and incorporated herein by reference. The budget Organization submitted as part of Exhibit A is considered final and non-changeable. If Organization encounters unforeseen circumstances that require a change to Organization's budget, Organization shall submit a written request to the Jackson County Legislative Auditor's no later than October 28, 2016. Any changes to the budget must be approved by the Jackson

County Legislature.

2. **Terms Of Payment.** The County agrees to pay Organization the total amount of **\$20,000.00** in quarterly installments of **\$5,000.00**, with the payment for the first quarter to be made upon execution of this Agreement. The remaining payments shall be made upon the County's receipt of the reports as set forth in paragraph 3 hereof. The County reserves the right to audit all invoices and to reject any invoice for good cause. The County retains the right to deduct from an invoice of Organization any overpayment made by the County on a prior invoice. The County retains the right to make invoice corrections/changes. The County will not reimburse sales tax expense.

3. **Reports/Other Documentation.** Within 30 days after the conclusion of each calendar quarter under this Agreement, Organization shall submit a quarterly report, including cancelled checks and/or a copy of the face of the check and corresponding bank statements, invoices, and any other documents requested by the Director of Finance and Purchasing, to establish that the funds provided pursuant to this Agreement were used for the purposes set forth herein. The report for the first quarter shall be submitted within 30 days after the execution of this Agreement. The last quarter's report shall include an annual report which shall summarize all of Organization's activities pursuant to this Agreement. Organization's failure to submit this annual report shall disqualify Organization from future funding by the County.

Organization must notify the County in writing on Organization's letterhead, within five working days of the following changes:

- a. Organization name, address, telephone number, administration, or board of directors
- b. Organization funding that will affect the program under this contract

- c. Liability insurance coverage
- d. Management or staff responsible for providing services pursuant to this contract
- e. Any proposed or actual merger or acquisition either taken by the Organization or toward the Organization

4. **Submission Of Documents.** No payment shall be made under this Agreement unless Organization shall have submitted to the County's Director of Finance and Purchasing: (1) a written proposal setting out in detail the intended use of the County's funding, including the target population to be served; (2) Organization's IRS Form 990 from the previous fiscal or calendar year; (3) a statement of Organization's total budget for its most recent fiscal year; and (4) a detailed explanation of actual expenditures of the County's funds (pertains to final payments and payments on contracts for future years). If Organization has previously received funding from the County, to be eligible for future payments, Organization must submit either an audited financial statement for Organization's most-recent fiscal or calendar year, or a certified public accountant's program audit of the County's funds. Any documents described herein which were submitted to the Director of Finance and Purchasing as a part of an application for funding need not be resubmitted to qualify for payment. No payment shall be made if Organization is out of compliance on any other County contract, or has not paid county taxes on all properties owned by Organization and assessed by the County.

5. **Equal Opportunity.** Organization shall maintain policies of employment as follows:

A. Organization and Organization's subcontractor(s) shall not discriminate against any employee or applicant for employment because of race, religion,

color, sex, age, disability, or national origin. Organization shall take affirmative action as set forth to ensure that applicants are employed and employees are treated without regard to their race, religion, color, sex, age, disability, or national origin. Such action shall include, but not be limited, to the following: recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. Organization agrees to post in conspicuous places, available to employees and applicants for employment, notices setting forth the policies of non-discrimination.

B. Organization and Organization's subcontractor(s) shall, in all solicitation or advertisements for employees placed by them or on their behalf, state that all qualified applicants will receive consideration for employment without regard to race, religion, color, sex, age, disability, or national origin.

6. **Employment Of Unauthorized Aliens Prohibited.** Pursuant to §285.530.1, RSMo, Organization assures that it does not knowingly employ, hire for employment, or continue to employ an unauthorized alien to perform work within the State of Missouri and/or Jackson County, and shall affirm, by sworn affidavit and provision of documentation, its enrollment and participation in a federal work authorization program with respect to the employees working in connection with the contracted services. Further, Organization shall sign an affidavit, attached hereto and incorporated herein as Exhibit B, affirming that it does not knowingly employ any person who is an unauthorized alien in connection with the contracted services.

7. **Audit.** The parties agree that the County may, for any reason and at any given time, examine and audit the books and records of Organization pertaining to its

finances and operations as related to County funds. Further, Organization agrees to establish and adopt such accounting standards and forms as recommended by the County prior to receipt of the County's first distribution of funds under the terms of this Agreement. The forms used to document expenditure of these funds may be changed from time to time by the County.

8. **Default.** If Organization shall default in the performance or observation of any covenant, term or condition herein contained to be performed by Organization, the County shall give Organization ten days written notice, setting forth the default. If said default shall continue and not be corrected by Organization within ten days after receipt of notice from the County, the County may, at its election, terminate this Agreement and withhold any payments not yet made to Organization. Said election shall not, in any way, limit the County's rights to sue for breach of this Agreement.

9. **Appropriation Of Funds.** Organization and the County recognize that the County intends to satisfy its financial obligation to Organization hereunder out of funds annually appropriated for that purpose by the County. County promises and covenants to make its best efforts to appropriate funds in accordance with this Agreement. In the event no funds or insufficient funds are appropriated and budgeted, or are otherwise unavailable by any means whatsoever for payment due hereunder, County shall immediately notify Organization of this occurrence and this Agreement shall terminate on the last day for which appropriations were received, without penalty or expense to the County of any kind whatsoever, except as to the portions of the payment amounts herein agreed upon for which funds shall have been appropriated and budgeted or are

otherwise available, or at any time after the last date that County has paid for the Services, if earlier.

County further agrees:

A. That any funds authorized or appropriated for services rendered under this Agreement shall be applied to the payments hereunder until all such funds are exhausted.

B. That County will use its best efforts to obtain authorization and appropriation of such funds including, without limitation, the inclusion in its annual budget, a request for adequate funds to meet its obligation under this Agreement in full.

10. **Conflict Of Interest**. Organization warrants that no officer or employee of the County, whether elected or appointed, shall, in any manner whatsoever, be interested in or receive any benefit from the profits or emoluments of this Agreement.

11. **Severability**. If any covenant or other provision of this Agreement is invalid, or incapable of being enforced by reason of any rule of law or public policy, all other conditions and provisions of this Agreement shall, nevertheless, remain in full force and effect; and no covenant or provision shall be deemed dependent upon any other covenant or provision unless so expressed herein.

12. **Indemnification**. Organization shall indemnify, defend and hold the County harmless from any and all claims, liabilities, damages, and costs (including reasonable attorney's fees directly related thereto) including but not limited to violation of civil rights and/or bodily injury to or death of any person and for damage to or destruction of property if and to the extent caused by the negligence, willful misconduct or omissions

of Organization during the performance of this Agreement.

13. **Insurance**. Organization shall maintain the following insurance coverage during the term of this Agreement.

A. Organization shall maintain Commercial General Bodily Injury and Property Damage Liability insurance, each in a combined single limit of One Million Dollars (\$1,000,000) each occurrence for bodily injury and property damage liability.

B. Organization shall maintain, if any motor vehicles are used in the performance of the Services, Commercial General Bodily Injury and Property Damage Liability insurance, and Automobile Liability insurance including owned, non-owned, or hired vehicles, each in a combined single limit of One Million Dollars (\$1,000,000) each occurrence for bodily injury and property damage liability.

C. Organization agrees to provide the County with certificates of insurance evidencing the above described coverage prior to the start of Services, and annually thereafter, if required by the County. Such certificates shall provide that the applicable insurance policies have been endorsed to provide a minimum of thirty days advance notice to the County in the event of cancellation, non-renewal, or reduction in limits by endorsement.

14. **Term**. The term of this Agreement shall commence January 1, 2016, and shall continue until December 31, 2016, unless sooner terminated pursuant to paragraph 8, 15, or 19 hereof. If this Agreement is terminated by either party, the County shall pay only for those services actually performed by Organization as verified

by the County's audit.

15. **Termination**. This Agreement may be terminated for any reason or no reason by either of the parties upon thirty (30) days' written notice to the other party's designated fiscal representative. All services and payments shall continue through the effective date of termination. Termination of this Agreement shall not constitute a waiver of the rights or obligations which the County or Organization may be entitled to receive as provided in this Agreement, or be obligated to perform under this Agreement for services prior to the date of termination. Should this Agreement terminate, all County written materials of any kind must be delivered and returned by Organization to the County within ten (10) days of the termination of this Agreement.

16. **Standard Of Care**. Organization shall exercise the same degree of care, skill, and diligence in the performance of the Services as is ordinarily possessed and exercised by professionals operating under similar circumstances.

17. **Financial Contact**. Organization shall designate a fiscal representative to act as a liaison between the parties to resolve any problems, complaints, or special circumstances encountered in the billing of the services agreed upon here.

A. The County may, without prior notice to Organization, immediately terminate this Agreement; and

Proposed Program

Detail functions to be performed.

aSTEAM Village "esteem" is an all-inclusive community project that is committed to diversifying the STEAM (Science, Technology, Engineering, Arts and Math) fields by increasing the interest, exposure, expectations and expertise in STEAM education for urban, rural, female and other under-represented communities.

Our hands-on, interactive programs, Robotics, Radio-Controlled Race Car Engineering, Video Game Design and Computer Programming enables students to learn, share and compete with other youth on both a local and national level.

Why is this a priority for your agency?

Funding and expanding this program is a priority because unfortunately, not all students are exposed to STEM-related careers in school or in their homes. Even if students do participate in STEM-focused extracurricular programs, they have limited connection to real-world, hands-on experiences that move them from the classroom into the workplace. Therefore, it is imperative that under-represented groups of students learn not only the skills they need to succeed in these high-demand professions but that they also get introduced to the mentors and companies that can make their dreams a reality.

Moving beyond K-12 STEM is of equal importance. This project addresses the needs to

We also ask for the students to commit to attending all practices because they are a part of a team and their teammates must rely on their consistent participation and
