WITNESSETH:

1. **GRANT:** The County hereby grants to Aramark the exclusive right to provide food service (excluding vending machine operation) for the County's inmates, staff and visitors at the Jackson County Sheriff's Office Detention Center located at 1300 Cherry Street, Kansas City, MO 64106 (the "Facility"). Aramark hereby agrees to furnish nutritious, wholesome, and palatable food to such inmates, staff and visitors, as applicable, in accordance with this Agreement. The food service shall meet all current standards as established by:

- A. The American Correctional Association.
- B. The Food and Nutritional Board of the National Academy of Sciences as prescribed for inmates.
- C. The State of Missouri.

2. OPERATIONAL RESPONSIBILITIES:

A. **Facilities And Equipment:** The County shall, at its expense, provide Aramark with adequate preparation kitchen, office and storage facilities at the Facility, completely equipped and ready to operate, together with such heat, refrigeration and utilities services (including telephone and internet service) as may be reasonably required for Aramark's efficient performance of the Agreement.

The County shall furnish building maintenance services for the Facility and shall provide preventive maintenance and equipment repairs and replacements for the County-owned equipment. The County shall furnish and maintain an adequate inventory of serviceware, thermal tray and delivery equipment, pots, pans, beverage containers and utensils at the Facility. Notwithstanding the foregoing, Aramark shall provide the County with an allowance of up to Twenty-Thousand Dollars (\$20,000.00) per each year of the Agreement (the "Annual Equipment Allowance") (a total of up to One-Hundred Thousand Dollars (\$100,000.00 throughout the initial term and two (2) subsequent extensions) (the "Total Equipment Allowance") to be used for equipment repair, replacement and maintenance at the Facility. Any unused balance of a year's Annual Equipment Allowance shall be carried over to the following year and any amount spent in a contract year over and above the total of that year's Annual Equipment Allowance plus any carryover amount from the prior contract year(s) shall be the responsibility of the County. If the

FILED

Contract is terminated early, Aramark will not be required to provide the Annual Equipment Allowance amounts related to the future unexercised contract years.

Should the County fail to provide the equipment, repair, maintenance and replacement services or supplies described in this Section, after written notice from Aramark to do so, Aramark may, in its discretion and at its option, choose to provide, and bill the County for, such equipment, repair, maintenance and replacement services or supplies. In that event, the County shall pay for such equipment, repair, maintenance and replacement services or supplies at the prices billed by Aramark. Such prices shall be competitive with the cost of obtaining such products or services from an independent source in the open market.

B. Emergency Plan: Aramark shall submit a contingency emergency plan to provide for food service in the event of a Force Majeure (hereinafter defined) within 60 days after the commencement of operations. In the event of a Force Majeure, the County shall assist Aramark by permitting reasonable variations in Aramark's menu cycle, Product offerings and service methods. However, Aramark shall not be relieved of its responsibility to provide meal service under the terms of this Agreement. Additional costs, if any, incurred in providing service in the event of a Force Majeure shall be borne by the County. The term "**Force Majeure**" means any war, riot, terrorism, warlike action (whether actual, impending or expected, and whether de jure or de facto), or other disorder, strike or other work stoppage, fire, explosion, earthquake, severe weather, landslides, sinkholes, lightning, hurricanes, storms, floods, washouts, earthquake, tornado, flood, acts of God or other natural disaster, or other casualty, or other restraint of government (civil or military), blockades, insurrections, acts of terrorists or vandals, epidemics, pandemics, civil commotion, any material interruption of the Facility utility systems, confiscation or seizure by any government or public authority, laws, rules and regulations of governmental authorities, or nuclear reaction or radiation, radioactive contamination, or other similar condition not within the reasonable control of the party whose performance is interfered with, and which, by reasonable diligence, such party is unable to prevent.

C. Meal Delivery: Aramark personnel shall transport meals from the Facility kitchen to appropriate inmate floors. Facility personnel shall receive meals from Aramark and deliver meals to inmate living areas, and shall return all trays and delivery equipment to Aramark at the Facility kitchen, in a timely manner.

D. Food Products And Cleaning Supplies: Aramark shall purchase and pay for all food products and kitchen cleaning supplies, which purchases will be made through Aramark's purchasing programs. Products purchased for use in the food service operation shall be the property of Aramark. Aramark reserves the right, in its sole discretion, to determine specific brands, product lines and other purchasing decisions, subject to compliance with the standards for the services as set forth in this Agreement. Aramark may receive certain discounts, rebates, allowances and other payments from its manufacturers, suppliers and distributors (individually and collectively, the "**Vendors**"). County acknowledges and agrees that any prompt payment or 'cash' discounts, as well as all other discounts, rebates, allowances or other payments that Aramark receives from its Vendors shall be retained by Aramark. Aramark shall purchase all food products

from USDA inspected plants that are approved as strictly complying with food safety standards. All food products purchased have a manufacturer's and distributor's assurance of safe handling. Food products are reviewed and approved by Aramark's registered dietitians to ensure that the food products meet resident acceptability and nutritional standards. The County shall be responsible for providing maintenance supplies and for maintaining kitchen appliances and equipment at the County's expense.

E. Portion Size Requirements: All entrée portions listed on the menu that are purchased fully cooked, within the manufacturer's tolerance specifications, are based on weight measurements prior to reheating. Casserole portions and entrée portions made from scratch are based upon weight measurements after the food has been cooked according to standardized recipes.

F. Menu: The menu served at the Facility may be modified in any way by mutual agreement of the parties.

G. Sanitation: Aramark shall be responsible for daily cleaning and housekeeping in the kitchen facilities, including, food preparation, service, receiving and storage areas, and shall, on a continuing basis, maintain high standards for sanitation. Aramark shall also be responsible for the removal of trash and garbage from the designated food service area. The County shall provide janitorial services outside such kitchen facilities provided to Aramark. The County shall clean the vents and ductwork leading to the roof from food preparation areas. The County shall be responsible for extermination services. In the event the County fails to provide sufficient extermination services that meet the requirements of the Local, State and FDA Food Code regulations for Pest Management, as Aramark determines appropriate for food service, Aramark shall have the right, upon five (5) days' notice to the County, to hire an extermination company to perform the necessary services, at the County's expense.

H. Personnel: Aramark shall provide on-site management and supervisory personnel, and from its regional and headquarters locations, administrative, dietetic, purchasing, equipment consulting and personnel advice and supervision. The County shall provide a mutually agreeable number of inmate workers at the Facility kitchen. Furthermore, it is the County's sole responsibility to ensure a security officer is in the kitchen at all times when an inmate is present. No inmate shall be allowed to enter the kitchen unless and until a security officer is present. The number of inmates required shall be determined by the County liaison and Aramark's district manager prior to the commencement of operations pursuant to this Agreement. Such inmates shall be assigned duties in the food service operation that may include sanitation, food preparation and production, and storeroom functions. Inmates shall not be considered civilian employees of Aramark, shall not be part of any work release program where such inmates would have employee rights, and shall not receive wages from Aramark.

The County acknowledges that Aramark has invested considerable amounts of time and money in training its management and supervisory employees in systems, procedures, methods, forms, reports, formulas, computer programs, recipes, menus, plans, techniques and other valuable information which is proprietary and unique to Aramark's manner of conducting its business and that

such information is available, on a confidential basis, to Aramark's management and supervisory employees. Therefore, the County agrees that management and supervisory employees of Aramark shall neither be hired by the County for the term of this Agreement nor shall the County permit management and supervisory employees of Aramark to be employed on the County's premises for the term of this Agreement. For the purpose of this prohibition, "management and supervisory employees" shall be defined as those persons who have directly or indirectly performed management or professional services at the Facility at any time during the term of this Agreement.

In addition, the County agrees that if it violates the conditions set forth in the immediately preceding paragraph, then the County shall pay to Aramark, and Aramark shall accept as liquidated damages and not as a penalty for such breach, an amount equal to two times the annual salary of each Aramark management or supervisory employee hired by the County or allowed to work on the County's premises in violation of the terms of this Agreement.

The County retains the right to thoroughly investigate any current or prospective employees assigned to the Facility, subject to applicable Federal, state and local laws and regulations, including but not limited to, the Federal Polygraph Protection Act, as amended.

I. Equal Employment Opportunity: Aramark and the County mutually agree that they shall not discriminate against any employee or applicant for employment or on any matter directly or indirectly related to employment, because of race, color, religion, sex, sexual preference, national origin, physical or mental handicap where not relevant to the job, height, weight, age, marital status, or other criteria made illegal by state or federal law or the County policy. In addition, Aramark agrees to take affirmative steps to ensure that applicants are employed, and that employees are treated, during employment, without regard to the criteria listed above.

J. Insurance and Indemnification: Aramark shall provide and maintain the following insurance coverage:

Worker's Compensation insurance as required by law.

Comprehensive General (Public) Liability to include (but not be limited to) the following: Premises/operation; independent contractors; bodily injury; products/completed operation; contractual liability with a combined single limit for bodily injury and property damage of \$1,000,000.00 per occurrence. Aramark may satisfy these requirements through a combination of primary and excess coverage.

The County and Aramark waive any and all right of recovery from each other for property damage or loss of use thereof, howsoever occurring. This waiver shall include, but not be limited to, losses covered by policies of fire, extended coverage, boiler explosion and sprinkler leakage. This waiver shall not apply to claims for personal injury or death.

Aramark agrees to defend, indemnify and hold harmless the County, its officers, employees, agents and servants for all third-party personal injuries caused by the sole negligence or a wrongful act of Aramark in its performance of the services defined in this Agreement, and to pay all claims, damages, judgments, legal costs, adjuster fees and attorney fees related thereto. However, it is expressly understood that Aramark shall not be responsible for damages, injuries, losses or claims caused by inmates or the County, its officers, employees, agents, servants or other independent contractors. Neither any of the County's officers, employees, agents, servants or contractors, nor any inmates, are or will be deemed to be agents or employees of Aramark and no liability is or will be incurred by Aramark to such persons, except for bodily injury to such persons caused by Aramark's sole negligence. The County agrees to defend, indemnify and hold Aramark harmless from any liability claim by or through such persons against Aramark. Each party shall promptly notify the other of any claim for which indemnity is sought, and shall cooperate with the other party in the defense of such claim. The indemnifying party shall have the sole discretion to defend and settle such claim.

Any insurance coverage (additional insured or otherwise) that Aramark provides for the County, its officers, employees, agents and servants shall only cover liability assumed by Aramark in this Agreement; such insurance coverage shall not cover liability in connection with or arising out of the wrongful or negligent acts or omissions of the County or its officers, employees, agents and servants.

K. Hazardous Substances; Pre-Existing Conditions: Aramark has no duty to investigate, detect, prevent, handle, encapsulate, remove, or dispose of, and will have no responsibility to the County or others for any exposure of persons or property to, asbestos, lead, fuel storage tanks or contents, indoor air pollutants or contaminants, poor air quality, or hazardous, toxic, or regulated waste substances, mold, fungi, mildew, pollutants, or contaminants (collectively, the "**Hazardous Substances**") at the Facility or the surrounding premises. The County will comply with all applicable federal, state, and local laws and regulations, which have been or will be enacted during the term of this Agreement, regarding such Hazardous Substances on the County's premises. The County will inform Aramark of the presence of such Hazardous Substances and acknowledges that Aramark employees will not be required to work in any location where they could be exposed to such Hazardous Substances. Aramark has advised the County that it does not provide or assume any responsibility to monitor or remediate mold, fungi, mildew, indoor air quality or any similar conditions, and that all determinations and corrective actions regarding mold, fungi, mildew, indoor air quality and any similar conditions shall be made by the County or a third party retained by the County. In no case will any Aramark employee act in the capacity of a "**Designated Person**" (within the meaning of the Asbestos Hazard Emergency Response Act, "**AHERA**"), which duties remain solely with the County.

Aramark will not be responsible for any conditions that existed in, on, or upon the Facility before the commencement date of this Agreement ("**Pre-Existing Conditions**"), including, without limitation, environmental impairments, and other conditions. Notwithstanding the general indemnity provision contained above in Section J the County shall indemnify and hold harmless Aramark, its subsidiaries and affiliated companies, and their respective directors, officers and

employees, against any liability related to, or arising out of, any defective condition or the presence of Hazardous Substances or Pre-Existing Conditions on or at the Facility or the surrounding premises, or the claimed or actual release or threatened release or disposal of Hazardous Substances from or at the Facility, to the extent not caused by the willful misconduct or grossly negligent acts or omissions of Aramark, its employees or subcontractors, including, without limitation, fines, penalties, clean-up costs, or costs of other environmental remediation measures.

L. Damages: Aramark's liability hereunder shall not under any circumstances exceed the greater of (a) two (2) percent of the net revenue received by Aramark pursuant to this Agreement during the twelve (12) months prior to the applicable claim or (b) the actual proceeds of insurance (not to exceed the maximum limits of insurance required by Section 2.J.), less any applicable deductible. In no event will either party be liable to the other party for any loss of business, business interruption, consequential, special, indirect or punitive damages.

M. Compliance With Laws: Each party hereto shall comply with all statutes, lawful ordinances, regulations and requirements, federal, state, and local applicable to their activities hereunder. The County shall provide reasonable and adequate physical security at all times for Aramark employees, suppliers, management and other authorized visitors, which at a minimum requires that a security officer be present at all times when an inmate is in the kitchen with an Aramark employee, supplier, management and other authorized visitors.

N. License, Fees, Permits, And Taxes: Aramark shall secure and pay for all federal, state and local licenses, permits and fees required for the food service operation. The County represents and warrants that it is a tax-exempt entity and, further, agrees to provide evidence of its tax-exempt status to Aramark upon request. The County further agrees to notify Aramark promptly in the event of a change in its tax-exempt status. In the event that a determination is made by a government authority that any sales, purchases, payments or use of property made to or by Aramark under this Agreement, either in whole or in part, is subject to any sales, use, gross receipts, property or any similar tax which tax was not contemplated by the parties at the commencement of operations hereunder, the full amount of any such tax liability, together with any interest paid by Aramark, shall be invoiced by Aramark and shall be reimbursed by the County, notwithstanding the fact that this Agreement may have expired or been terminated for any reason by either party prior to the date of such determination.

3. FINANCIAL AND ACCOUNTING ARRANGEMENTS:

A. Meal Service and Prices: Aramark shall provide meals to the County's inmates, staff and visitors at the per meal prices set forth in Attachment A. Aramark will provide all medical, religious (lacto-ovo vegetarian and/or vegan diet only), gluten-free, and other special diets (the "Special Diets") for ten percent (10%) or less of the total resident population at no additional cost. Special Diets for greater than ten percent (10%) of the total resident population and/or religious diets other than a lacto-ovo vegetarian and/or vegan diet meals, such as prepackaged meals, shall be charged to the County at a mutually agreed upon price. All Special Diets must be approved by the County's nursing service or religious authority, as applicable. Aramark will work with the

County's nursing service for appropriate diabetic diets and snacks, as needed. All Special Diets made by the County will be reviewed and approved by Aramark no later than two (2) business days after the request. The County shall notify Aramark of the actual number of all meals ordered each day, including Special Diets, at a mutually agreed upon time prior to meal service, and the County shall make additions or deletions to such order within a mutually agreed upon time prior to meal service. When the initial notice of meals ordered is not given timely, Aramark shall prepare and will be paid for the same number of meals as prepared for the previous day.

B. Price Adjustments: The per meal prices stated in this Agreement are firm for the period beginning on the Effective Date and ending on September 30, 2028. Thereafter, per meal prices shall be increased on each October 1, by an amount to be mutually agreed upon and set forth in an amendment to this Agreement in the form attached hereto as Attachment B; provided, however, that in the event no agreement is reached with respect to such increase, per meal prices shall be increased as further set forth below by the greater of the (a) yearly percentage change in the Consumer Price Index, All Urban Consumers, U.S. City Average, Food Away From Home Index ("CPI-FAH"), published by the U.S. Department of Labor and (b) the yearly percentage change in the Market Basket of Products (as defined below) which approximate the products served at the Facility (the "**Client Menu**"). The period for determining CPI-FAH and Market Basket of Products increases shall be May of the immediately preceding year to May of the then-current year (the "**Base Period**").

As set forth on the sample client statement attached as Attachment C, a copy of which shall be provided prior to implementing any price adjustments pursuant to this section, the "**Market Basket of Products**" represents categories or types of products that are generally used in the Client Menu. Such products are classified into the following six (6) categories of food and beverage items (each, a "**Menu Category**"):

- (i) cereals and bakery products;
- (ii) meats, poultry, fish and eggs;
- (iii) dairy and related products;
- (iv) fruits and vegetables;
- (v) nonalcoholic beverages and beverage materials (includes juice, coffee, tea and other non-alcoholic drinks other than milk); and
- (vi) other food at home (composed of the food items in the menu that are not otherwise included in one of the preceding categories).

Each Menu Category will be ascribed a percentage (the "**Category Weighting**") representing the proportion of the Client Menu that such Menu Category approximately represents based on purchasing levels during the Base Period. Each Category Weighting will then be multiplied by the percentage change in the corresponding Bureau of Labor Statistics ("**BLS**") category compiled by the U.S. Department of Labor and published at www.bls.gov for the Base Period, and the results of each such calculation will be added together to arrive at the overall percentage change which will represent the Market Basket of Products. For the avoidance of doubt, the BLS categories from Table 2 Detailed Expense Category from CPI-FAH to be multiplied by the Category Weightings are (1) Cereals and Bakery Products; (2) Meats, Poultry, Fish and Eggs; (3) Dairy and Related Products; (4) Fruits and Vegetables; (5) Nonalcoholic Beverages and Beverage Materials; and (6) Other Food at Home. In the event that there are any changes in the method in which the BLS reports its annual statistics, including any changes or modifications to any of the applicable BLS categories, Aramark shall propose a modification to the appropriate Market Basket of Products category or categories or the methodology described above (the "**BLS Modification**"). The BLS Modification shall be subject

to Client's approval, which shall not be unreasonably, withheld, conditioned or delayed. If the parties do not agree on such a modification, Aramark shall have the right to terminate the Agreement upon 90 days' prior written notice. The Market Basket of Products is designed to approximate price adjustments with product cost increases at the Facility. The Market Basket of Products is an estimate of food and beverage costs only and actual costs may vary. While the Menu Categories attempt to approximate the products served at the Facility, they may not precisely parallel actual usage or the BLS categories listed above.

Please refer to Attachment C for an example of the Market Basket of Products calculation.

C. Additional Services: Food, beverage and other services required or desired by the Facility outside the scope of this Agreement, including but not limited to services provided in connection with the anticipated new detention center facility, shall be provided by Aramark upon written authorization by the County and/or Sheriff at mutually agreed upon prices for such services.

D. Fresh Favorites: Upon mutual agreement of Aramark and the County, Aramark shall implement its Fresh Favorites program. Aramark shall determine the prices at which Fresh Favorites items shall be sold. If Aramark sustains increases in its costs, including but not limited to, increases in its product, labor or equipment costs, Aramark may increase its Fresh Favorites prices to recover such increased costs, maintaining its historical mark-up. No returns shall be accepted unless the inmate, who ordered a product, is released prior to such delivery. All sales shall be deemed made when a Fresh Favorite item purchased by an inmate is delivered.

E. iCare Fresh: Upon mutual agreement of Aramark and the County, Aramark shall implement its iCare Fresh program at the Facility. Aramark shall determine the prices at which iCare Fresh items shall be sold. If Aramark sustains increases in its costs, including but not limited to, increases in its product, labor or equipment costs, Aramark may increase its iCare Fresh prices to recover such increased costs. No returns shall be accepted unless the inmate, who is a recipient of such iCare Fresh order, is released prior to such delivery, or the iCare Fresh order is undeliverable in accordance with Aramark standard terms and conditions for iCare Fresh orders. All sales shall be deemed made when an iCare Fresh item purchased is delivered to the inmate.

F. IN2WORK: Upon mutual agreement of Aramark and the County, Aramark shall provide vocational training and classroom instruction regarding proper food production skills to qualified inmates at the Facility through its IN2WORK program ("I2W"). Notwithstanding the foregoing, Aramark's obligation to implement its IN2WORK program is contingent upon the Fresh Favorites and/or iCare Fresh program being offered at the Facility. Training will include deployment of Aramark's proprietary materials. The County acknowledges that Aramark's willingness to implement the I2W program under this Agreement does not give the County any right, title, license or interest in the program.

G. Financial Commitment: Aramark shall make a financial commitment to County in an amount up to Fifteen Thousand Dollars (\$15,000.00) (the "Financial Commitment") for

improvements and enhancements to the staff dining space in the County's new detention center. Any equipment purchased by Aramark on County's behalf shall be purchased as a "sale-for resale" to the County. County shall hold title to all such equipment (with the exception of those items which bear the name of Aramark, its logo, or any of its logo, service marks or trademarks or any logo, service marks or trademarks of a third party) upon such resale. County acknowledges that it is a tax-exempt entity and will provide Aramark with a copy of the appropriate tax-exempt certificate. The Financial Commitment shall be amortized on a straight-line basis beginning when the items purchased with the Financial Commitment are placed in service and concluding on July 31, 2030. Upon expiration or termination of this Agreement by either party for any reason whatsoever prior to the complete amortization of the Financial Commitment, County shall reimburse Aramark for the unamortized balance of the Financial Commitment as of the date of expiration or termination plus all accrued but unbilled interest as of the date of expiration or termination. Such interest shall accrue from the effective date of this Agreement at the Prime Rate plus two percentage points per annum, computed each accounting period on the declining balance. In the event such amounts owing to Aramark are not paid to Aramark within 30 days of expiration or termination, County agrees to pay interest on such amounts at the Prime Rate plus two percentage points per annum, compounded monthly from the date of expiration or termination, until the date paid. The right of Aramark to charge interest for late payment shall not be construed as a waiver of Aramark's right to receive payment of invoices within 30 days of the invoice date. Any portion of the Financial Commitment that is not expended prior to the expiration or earlier termination of the Agreement shall revert to Aramark.

H. Micro-Market: Upon mutual agreement of Aramark and the County, Aramark will install and operate a micromarket concept within the staff dining area of the Facility (the "Micromarket"), upon mutual agreement regarding the equipment components to be installed by Aramark as part of the Micromarket and any improvements to the location(s) required for installation of the Micromarket. Aramark will stock the Micromarket on a regular basis with a selection of pre-packaged beverages, snacks, and other grab-and-go items. The Micromarket will be available to the County's staff to purchase products using credit or debit cards. Aramark will provide all equipment necessary to provide the Micromarket concept at the Facility. Aramark is and will remain the owner of all such equipment and will, at its own expense, make all necessary repairs to the equipment in order to maintain it in reasonable working order and appearance, except where such repairs are required due to the negligent or willful acts or omissions of the County. Also, should Aramark suffer a loss due to vandalism, riot, or forcible entry at a Facility, then the County shall be responsible for the total amount of any such loss (including cash, value of product inventory, and cost of equipment repairs and/or replacement). Unless otherwise expressly provided herein, upon termination or expiration of this Agreement for any reason whatsoever, the County immediately will return to Aramark, or allow Aramark to remove, all of the Micromarket equipment. The County agrees to provide all utilities necessary for Aramark to provide the Micromarket including a high-speed internet connection to be used for payment processing and security monitoring. The County will be responsible for paying the cost of such utilities. All products consumed or used in connection with the Micromarket equipment will be stocked by and purchased from Aramark. The Micromarket products shall be sold to County staff at retail cost. All receipts from the Micromarket will belong to Aramark. All Micromarket equipment is

Aramark's and Aramark will maintain the same. Aramark will price competitively as compared to local convenience stores.

I. Billing: Aramark shall submit to the County on the first day of every week, for the preceding week an invoice for inmate/staff meals ordered or served, whichever is greater, and other goods or services provided by Aramark, if any. Notwithstanding the foregoing, the parties mutually agree that Aramark shall bill the County a minimum of one hundred (100) inmate meals per day each for breakfast and lunch. The invoice shall reflect the preceding week's food services detailing the greater of the number of meals served or ordered on a daily basis as follows:

1. Adult inmate meals (with a minimum of 100 meals per day each for breakfast and lunch)
2. Staff/visitor meals
3. Any additional food, beverage or other services, as required

Aramark shall provide the County with a comprehensive monthly summary of meals, services and credits. This summary shall be forwarded to the County Administrator or his designee each month.

J. Manner Of Payment: Payment shall be made by check payable to Aramark Correctional Services, LLC within fifteen (15) days after the invoice date. All payments shall be made to the address listed on the invoice.

If any invoices are not paid within twenty-five (25) days of the invoice date, interest shall be charged on each invoice at the Prime Interest Rate plus two percentage points per annum on the unpaid balance (or in the event local law prohibits the charging of such rate, interest shall be charged at the maximum legal rate permitted), computed from the invoice date until the date paid. The term "**Prime Interest Rate**" shall mean the interest rate published in The Wall Street Journal as the base rate on corporate loans posted by at least Seventy-Five Percent (75%) of the thirty (30) largest U.S. commercial banks, such rate to be adjusted on the last day of each Aramark accounting period.

The right of Aramark to charge interest for late payment shall not be construed as a waiver of Aramark's right to receive payment of invoices within fifteen (15) days of the invoice date. In the event that Aramark incurs legal expense in enforcing its right to receive timely payment of invoices, the County agrees to pay reasonable attorney's fees and other costs.

4. MATERIAL ADVERSE CHANGE: The financial arrangements in this Agreement are based on conditions existing as of the Effective Date including any representations regarding existing and future conditions made by County in connection with the negotiation and execution of this Agreement. If such conditions change due to causes beyond Aramark's control, including, but not limited to, a change in the scope of Aramark's services; menu changes; a decrease in the Facility's inmate population or the availability of inmate labor; efforts to organize labor; increases in food/product costs, including due to imposition of tariffs, fuel, equipment, utilities, supply, and labor costs; Federal, State and local sales, and other taxes and other operation costs; a change in Federal, State and local standards, requirements recommendations, and regulations including any

applicable Child Nutrition Programs; changes in phone service providers or a change in the way phone service is sold to inmates; or other unforeseen external market conditions outside Aramark's control, then Aramark shall give County written notice of such increase or change, and within thirty (30) calendar days after such notice, Aramark and County shall mutually agree upon modification(s) to offset the impact of the increase or change, which modifications may include any or a combination of the following: an adjustment to Aramark's price per meal or commission, modifications to the menu offerings, changes to retail commissions or modifications to Aramark's scope of services. The foregoing shall be in addition to, and without limitation, of the parties' rights and obligations set forth herein in Section 2.B. with respect to continuation of services (and compensation for the same) in the event of a Force Majeure event, if applicable.

5. ACCESS AND RECORDS: Aramark will maintain accurate books and records in connection with the food service operation and shall retain such records for thirty-six (36) months after the close of the federal fiscal year (October 1, through September 30).

6. TERM OF AGREEMENT: The initial term of this Agreement shall commence on August 15, 2025, and shall continue through September 30, 2028. This Agreement may be renewed for two (2) additional one year periods upon mutual agreement of the parties. Thereafter, the County and Aramark may extend this Agreement for additional periods of twelve (12) months each, provided that the services to be provided, and the prices thereof, for the extension period, have been mutually agreed upon by the County and Aramark.

7. TERMINATION:

A. Termination For Convenience: Either party may terminate this Agreement for convenience, at any time during the term or any renewal or extension, upon ninety (90) days' notice to the other party.

B. Termination For Default: Either party may terminate this Agreement upon a breach or default of this Agreement by the other party, which is not cured within thirty (30) days after receipt by the defaulting party of a notice from the non-defaulting party, specifying the nature of such breach or default.

C. Consequences Of Termination: If this Agreement is terminated under any circumstances, the County shall pay Aramark for all inmate and staff meals, and other services, provided by Aramark to and including the date of termination, at the prices and within the payment periods set forth in this Agreement. The County's obligation to pay for meals and services provided shall survive the termination or expiration of this Agreement.

Upon the expiration or any termination of this Agreement, the County agrees, if requested by Aramark, to purchase Aramark's usable inventory of food and supplies. The purchase price for such inventory shall be Aramark's invoice cost.

8. **NOTICE:** All notices or other communication hereunder shall be deemed to be duly given when made in writing and delivered in person or deposited in the United States mail, postage prepaid, certified mail, return receipt requested and addressed to the party at its respective address first set forth above, or such other address as it may designate, by notice given as aforesaid.

9. **CONFLICTS OF INTEREST:** Aramark covenants that it presently has no interest and shall not acquire any interest, direct or indirect, which would conflict in any manner or degree with performance of this Agreement and no person having any such interest shall be employed. In addition, no officer, agent or employee of the County and no member of its governing body shall participate in any decision relating to this Agreement which affects his/her personal interest or any corporation, partnership, association which he/she is directly or indirectly interested or has any personal or pecuniary interest.

10. **CONFIDENTIAL INFORMATION:** All financial, statistical, operating and personnel materials and information, including, but not limited to, software, technical manuals, recipes, menus and meal plans, policy and procedure manuals and computer programs relative to or utilized in Aramark's business (collectively, the "**Aramark Proprietary Information**") are and shall remain confidential and the sole property of Aramark and constitute trade secrets of Aramark. The County shall keep all Aramark Proprietary Information confidential and shall use the Aramark Proprietary Information only for the purpose of fulfilling the terms of this Agreement. The County shall not photocopy or otherwise duplicate any materials containing any Aramark Proprietary Information without the prior written consent of Aramark. Upon the expiration or any termination of this Agreement, all materials containing any Aramark Proprietary Information shall be returned to Aramark.

11. **ASSIGNMENT:** Aramark may not assign this Agreement without the County's prior written consent (not to be unreasonably withheld, conditioned or delayed), except that Aramark may assign this Agreement, in its sole discretion, to any of its affiliates without any consent being required. The term "**affiliate**" means any corporation, limited liability company or any other person controlling, controlled by or under common control with, Aramark.

*The total number of inmate meals served per week is divided by 21 in order to determine the price point on the sliding scale.

In the event that the average daily inmate population for the applicable period drops below 750 and above 1100, the County and Aramark shall promptly negotiate in good faith to determine an equitable adjustment in the inmate meal rates to compensate Aramark for the effect of such decline, which shall be evidenced in a written amendment to this Agreement.

The parties acknowledge that the foregoing meal rate pricing scale assumes the availability of sufficient inmate labor to Aramark for use in the operations as contemplated in the Agreement, and accordingly, to the extent that such inmate labor is not made available to Aramark (as may be determined by County for any reason in its sole discretion), the County and Aramark shall promptly negotiate in good faith an equitable adjustment in the inmate price per meal rates to compensate Aramark for such decline in the availability of inmate labor, which shall be evidenced in a written amendment to this Agreement.

Clerk of the County Legislature

Director's Corner for July 2025

By Scott Lakin

I recently ran across an article from [Psychology Today](#) from an author who is the daughter of a good friend of mine, Jack Craft. His daughter, Gretchen Rubin is the author of two books, [The Happiness Project](#) and [Better Than Before](#), a New York Times bestseller that explains how to form good habits and break bad ones.

In Gretchen's article, she explores the differences in human beings and asks the question, "Are you a Tigger or an Eeyore?" Tigger is optimistic, positive and bounces around with a cheerful disposition. Eeyore is gloomy, critical and focused much of the time on the negative. We currently have both in our department.

As an active "Papa" I have been reintroduced to "Winnie the Pooh" as I attempt to bond with my grandchildren. It has caused me to rediscover the personality traits of two of the central characters of the series, Tigger and Eeyore.

I think it is important to evaluate ourselves both personally and professionally. Are we Tigger or are we Eeyore? In some cases, we may be a combination of both, depending on the person we are dealing with or the issue in front of us. But working collaboratively and professionally with others and communicating effectively goes a long way when working toward a challenging common goal.

It is July and we are coming down to the wire on the implementation of our new Aumentum software. The training involved to be ready is intense and can be quite stressful. However, it will be totally worth our efforts. Now, it is as important as ever that we all collaborate well together to get this job done. It is also essential that we communicate with each other respectfully, and in effective and thorough ways so we are ready for this change.

So, ask yourself, "Will you be a Tigger - optimistic, positive and excited about the beneficial results this change will produce? Or will you be an Eeyore - critical of others and what you are being asked to do, focusing yourself and others on the negative?

Either way, we will be implementing Aumentum software July 21st, the Tigger way or the Eeyore way. I have faith we have enough Tigger's in our department to make this transition a positive experience that creates greater value for Jackson County taxpayers, our department and Jackson County as a whole.

Final words from Pooh, "You're braver than you believe, stronger than you seem, and smarter than you think."
