

**COOPERATIVE AGREEMENT**

**THIS AGREEMENT**, made by and between **JACKSON COUNTY, MISSOURI**, a Constitutional Home Rule Charter County of the First Class of the State of Missouri, hereinafter referred to as “the County” and a Missouri not-for-profit corporation, **HAPPY BOTTOMS 303 W. 79TH STREET, KANSAS CITY, MO 64114**, hereinafter referred to as “Organization”.

County promises and covenants to make its best efforts to appropriate funds in accordance with this Agreement. 14. **Term.** The term of this Agreement shall commence January 1, 2020, and shall continue until December 31, 2020, unless sooner terminated pursuant to paragraph 8, 15, or 19 hereof. Should this Agreement terminate, all

County written materials of any kind must be delivered and returned by Organization to the County within ten (10) days of the termination of this Agreement.

**Date Program was Initiated:** 2010

**What time period does this program run:** All Year

**Provide program description:** HappyBottoms serves the six-county Kansas City metro area with our diaper distribution and education programs. In 2018, 52% of children served lived in Jackson County. Thanks to 2019 support from Jackson County and other generous funders, we were able to relocate to a larger space on March 1, 2019, which will allow us to reach more children and families with our services. We respectfully request \$15,000 in Outside Agency Funding for 2020, which will help us cover 50% of a \$30,000 annual increase in rent for our expanded warehouse/office space. HappyBottoms' ongoing Partner Agency diaper distribution program provides eligible children with 50 diapers or 30 training pants per month through our 38 partner agencies/49 distribution sites, along with an educational brochure with healthy diaper changing and stress management techniques for parents and caregivers. Children can receive diapers for the earlier of 36 months of participation or their fourth birthday and are eligible for training pants for six months. Our Bundles of Joy hospital program provides a one time distribution of 75 Newborn or Size 1 diapers to mother and baby upon discharge from one of six partner hospitals, along with a healthy diapering/stress management educational brochure and a flyer with details and locations for our ongoing distribution program. The Partner Agency model is an important component HappyBottoms' success. Anecdotally, we know that diapers are the number one requested emergency item at social service agencies. Prior to collaborating with HappyBottoms, most of our partners turned diaper-seeking clients away. The diapers we provide to agencies fill an important, immediate need for low-income families, but we know those diapers are just one piece of complex poverty issues people face. Our agencies know their communities and the needs of their clients and provide us with a pathway to provide our diapers along with their other wraparound services, all essential in easing the effects of poverty and promoting self-sufficiency. Diapers are a short-term need for low-income families, but they are expensive, and they are a basic need that must be met. Connecting low-income families to diapers either through our hospital program or through our ongoing agency distribution is often a gateway to other needed services. We have seen a shift over time from being the source of diapers for an agency's existing client base to being the critical resource that draws more clients into an agency and provides exposure and access to other services. Our Potty Training Education Program was funded in pilot stage by Junior League of Kansas City, Missouri and uses a curriculum developed in conjunction with a pediatric nurse practitioner and parent educators from the Hickman Mills Parents as Teachers program. We delivered the curriculum to 97 parents and caregivers during the pilot, and are expanding the program to additional families in 2019. Participants also receive a potty training kit, which includes an information booklet, potty seat, step stool, child's board book, and sticker chart.

**Describe the benefits of this program to Jackson County Missouri:** HappyBottoms exceeded our 2018 goal of serving 4,800 unduplicated Jackson County children with diaper distribution, reaching a total of 4,879 children for the year. We also served 50 Jackson County families with our Potty Training Education pilot in 2018. We set a goal of serving 5,500 unduplicated Jackson County children with diaper distribution for 2019, and we have reached nearly 4,000 children through September. We anticipate meeting our target by year end.

**Describe target population to be served:** HappyBottoms serves the six-county Kansas City metro area: Jackson, Clay, Cass, and Platte Counties in Missouri; and Johnson and Wyandotte Counties in Kansas. We define children with diaper need as those living in households with incomes less than 150% of Federal poverty level. Our agencies reported last year that 86% of children served lived in households with incomes less than 100% of Federal Poverty Level. In 2018, HappyBottoms distributed 2,105,930 diapers to a monthly average of 3,056 children through our ongoing agency program and an additional 183 children per month through Bundles of Joy, reaching a total of 9,364 unduplicated children for the year. A total of 4,879 unduplicated children (52%) lived in Jackson County. Ethnic breakdown of Jackson County children served in 2018 was 52% Black/African American, 18% White/Caucasian, 13% Hispanic/Latino, 11% Multi Racial, 2% Asian, and 4% other/not reported. Of Jackson County families served in 2018, 15% received housing assistance; 51% SNAP; 49% WIC; 6% TANF; 6% SSI. A total of 69% of children served in 2018 were enrolled in Medicaid.

**What are the qualifications for participants:** Participants must live in HappyBottoms' service area and must have a total household income of less than 150% of Federal Poverty Level or be experiencing a short term financial crisis like job loss or medical emergency. Families automatically qualify if they receive SNAP, TANF, SSI, WIC, or Medicaid.

**Check if your services are available to anyone:**

**Do you maintain a database of participants:** Yes

**Number of participants from Jackson County:** 4879
