

COOPERATIVE AGREEMENT

**THIS AGREEMENT**, made by and between **JACKSON COUNTY, MISSOURI**, a Constitutional Home Rule Charter County of the First Class of the State of Missouri, hereinafter referred to as "the County" and a Missouri not-for-profit corporation, **KANSAS CITY CARE CLINIC 3515 BROADWAY KANSAS CITY, MO 64111**, hereinafter referred to as "Organization".

Organization understands that no payment shall be made under this agreement until Organization's 2020 Outside Agency contract has been fully reconciled with the County's Department of Finance and Purchasing. No payment shall be made if Organization is out of compliance on any other County contract, or has not paid county taxes on all properties owned by Organization and assessed by the County.

The forms used to document expenditure of these funds may be changed from time to time by the County.

8. **Default.** If Organization shall default in the performance or observation of any covenant, term or condition herein contained to be performed by Organization, the County shall give Organization ten days written notice, setting forth the default. If said

default shall continue and not be corrected by Organization within ten days after receipt of notice from the County, the County may, at its election, terminate this Agreement and withhold any payments not yet made to Organization. Said election shall not, in any way, limit the County's rights to sue for breach of this Agreement.

9. **Appropriation of Funds**. Organization and the County recognize that the County intends to satisfy its financial obligation to Organization hereunder out of funds annually appropriated for that purpose by the County. County promises and covenants to make its best efforts to appropriate funds in accordance with this Agreement. In the event no funds or insufficient funds are appropriated and budgeted, or are otherwise unavailable by any means whatsoever for payment due hereunder, County shall immediately notify Organization of this occurrence and this Agreement shall terminate on the last day for which appropriations were received, without penalty or expense to the County of any kind whatsoever, except as to the portions of the payment amounts herein agreed upon for which funds shall have been appropriated and budgeted or are otherwise available, or at any time after the last date that County has paid for the Services, if earlier.

County further agrees:

A. That any funds authorized or appropriated for services rendered under this Agreement shall be applied to the payments hereunder until all such funds are exhausted.

B. That County will use its best efforts to obtain authorization and appropriation of such funds including, without limitation, the inclusion in its annual

budget, a request for adequate funds to meet its obligation under this Agreement in full.

10. **Conflict of Interest.** Organization warrants that no officer or employee of the County, whether elected or appointed, shall, in any manner whatsoever, be interested in or receive any benefit from the profits or emoluments of this Agreement.

11. **Severability.** If any covenant or other provision of this Agreement is invalid, or incapable of being enforced by reason of any rule of law or public policy, all other conditions and provisions of this Agreement shall, nevertheless, remain in full force and effect; and no covenant or provision shall be deemed dependent upon any other covenant or provision unless so expressed herein.

12. **Indemnification.** Organization shall indemnify, defend and hold the County harmless from any and all claims, liabilities, damages, and costs (including reasonable attorney's fees directly related thereto) including but not limited to violation of civil rights and/or bodily injury to or death of any person and for damage to or destruction of property if and to the extent caused by the negligence, willful misconduct or omissions of Organization during the performance of this Agreement.

13. **Insurance.** Organization shall maintain the following insurance coverage during the term of this Agreement.

performance of the Services, Commercial General Bodily Injury and Property Damage Liability insurance, and Automobile Liability insurance including owned, non-owned, or hired vehicles, each in a combined single limit of One Million Dollars (\$1,000,000) each occurrence for bodily injury and property damage liability.

C. Organization agrees to provide the County with certificates of insurance evidencing the above described coverage prior to the start of Services, and annually thereafter, if required by the County. Such certificates shall provide that the applicable insurance policies have been endorsed to provide a minimum of thirty days advance notice to the County in the event of cancellation, non-renewal, or reduction in limits by endorsement.

14. **Term**. The term of this Agreement shall commence January 1, 2021, and shall continue until December 31, 2021, unless sooner terminated pursuant to paragraph 8, 15, or 19 hereof. If this Agreement is terminated by either party, the County shall pay only for those services actually performed by Organization as verified by the County's audit.

15. **Termination**. This Agreement may be terminated for any reason or no reason by either of the parties upon thirty (30) days' written notice to the other party's designated fiscal representative. All services and payments shall continue through the effective date of termination. Should this Agreement terminate, all

County written materials of any kind must be delivered and returned by Organization to the County within ten (10) days of the termination of this Agreement.

16. **Standard of Care.** Organization shall exercise the same degree of care, skill, and diligence in the performance of the Services as is ordinarily possessed and exercised by professionals operating under similar circumstances.

**Community Infrastructure**

**Other organizations in the community that provide the same or similar services as your organization.**

While KC CARE is similar to other FQHCs in the region such as Samuel U. Rodgers and Swope Health, we are unique being both an FQHC and a provider of comprehensive HIV Care and Prevention Services. KC CARE is the largest HIV care provider in Kansas City but partners closely with other HIV care providers such as Truman Medical Centers and KU Hospital. Agencies in Kansas City such as SAVE Inc., ReStart, and Thrive Health Connection provide housing, emergency assistance, HIV testing, and case management to people living with HIV.

**Compare your programs and results to others working in the same field.**

KC CARE distinguishes itself through its multidisciplinary HIV care and prevention team that includes medical providers who are experts in HIV care and treatment, clinical trials, and case managers. KC CARE's Peer Treatment Adherence counselors are themselves living with HIV and provide unique support to clients, sharing their own experience and knowledge. KC CARE serves as a Midwest training site and technical assistance provider for other staff, both clinical and support, who would like to provide HIV care or build their HIV knowledge.

**List all partnerships you have with other organizations along with the nature of the partnership.**

For HIV Care and Prevention, KC CARE collaborates with Thrive, both formally through partnerships such as the ASO Collaboration and informally through joint community events and outreach. Ryan White funds (Parts C/D) support KC CARE (direct) and Truman Medical Centers (sub-recipient) as formal partners; funds TMC HIV Family Case Manager (CM) and its HIV Primary Care (PC) program. To KC CARE: KCHD funds (RW A/B) for HIV PC, Dental, CM, Peers, Prevention, Substance Use, Behavioral Health. MODHSS funds: get fallen PLWH back into care, train MO HIV CMs, expand metro HIV testing.

**Date Program was Initiated:** 2010

**What time period does this program run:** All Year

**Provide program description:** At our four locations and via community outreach, KC CARE provides HIV prevention education to PLWH and those at high-risk, risk-reduction tools and strategies, HIV testing, and linkage to care. Thrive will: provide HIV/STD risk-reduction counseling, HIV testing, emergency assistance for HIV+ clients and homeless or those at imminent risk; begin an at-home HIV testing program. Due to COVID-19 safety protocols and people leaving home less frequently, both the number of individuals tested for HIV and those seeking assistance for bus passes or public transit has decreased.

**Describe the benefits of this program to Jackson County Missouri:** HIV prevention, care, and support services are critical components of the health, wellness, and productivity of Jackson County's residents. These services are vital to the missions of both ASOs. KC CARE has provided a continuum of HIV services since the 1980s, emphasizing education, prevention, and care. We recognize that these focuses are crucial to creating a healthier community. Thrive Health Connection was founded in 1985 in response to the AIDS epidemic. Thrive continues to provide advocacy, education, and services to those impacted by HIV/AIDS in Jackson County.

**Describe target population to be served:** Jackson County residents who are either infected with HIV or who are at high risk for contracting HIV are the target population of this ASO collaboration. Target at-risk groups: Black, White, Latino men having sex with men (MSM); Black and Latino women; the homeless; those in substance use treatment, correctional, and domestic violence facilities. KC CARE serves those at risk of HIV, with no tracking of income level for prevention and testing. Thrive does not track income for prevention and testing clients; CM clients are within 300% FPL.

**What are the qualifications for participants:** KC CARE and Thrive do not have specific criteria for prevention and outreach efforts; these services are generally targeted to communities vulnerable to HIV infection. Testing efforts will be targeted to those clients considered high risk. KC CARE's interventions are also designed to target specific high-risk groups including MSM, African American women, and youth. Thrive clients who demonstrate financial hardship, are HIV-positive, and are receiving case management services are eligible to receive emergency assistance funding.

**Check if your services are available to anyone:**

**How do you maintain a database of participants:** Tracking spreadsheets, database

**Number of participants from Jackson County:** 1300

**Number of participants from Other Areas:** 700

**Total Number of participants:** 2000

**Identify the community need for your organization's program and services in Jackson County.**

In Kansas City, about 3,640 PLWH (85%) are male, with the rate of PLWH among Black/African Americans is 3.8 times that of White/Caucasians; these groups are consistently identified as high-risk. The CY 2017-21 Missouri Statewide Integrated HIV Prevention and Care Plan identified these major needs: expanded HIV testing, condom distribution and education, support services, and peer navigation. This ASO collaboration provides critical services to get newly diagnosed individuals linked to comprehensive HIV care and to meet the needs of the underserved and all PLWH in the community.
