Services Provided for Jackson County

Secured Containers / Destruction - Pricing for servicing containers includes removal of documents from customers locations. With OFF-SITE Shredding we will transporting records to off-site facility, destruction of documents within 48 hours and issuance of a certificate of destruction letter. For ON-SITE record destruction, destruction will take place in Jackson County Parking lot before the truck leaves. Any boxed material picked up during the normal periodic service date will be placed into barrels and destroyed on the barrel charge for that location. There will not be the additional box charge for the normal periodic scheduled service. For year end clean outs or on-demand record destruction needs please see pricing chart below.
