R. 18057

WHEREAS, the County deems it to be in the best interest of its citizenry to support programs and services for the aging community as provided by MARC and other agencies, under subcontracts with MARC; and,

The County, through the Legislative Auditor, may approve adjustments to line items listed in Agency's budget/proposal contained in Exhibit A, in an amount not to exceed 10 percent of the total amount of the Agreement, so long as there is no

additional total cost to the County.

3. **Annual Report.** MARC shall submit an annual report, including invoices and cancelled checks, and other documentation as requested by the Director of Finance and Purchasing to show that the funds paid to MARC by the County were used for the purposes set forth in this Agreement. 4. **Audit.** The County further reserves the right to examine and audit, during reasonable office hours, the books and records of MARC pertaining to the finances and operations of MARC.

5. **Default.** If MARC shall default in the performance or observation for any term or condition of this Agreement, the County shall give MARC written notice setting forth the default and the correction required. Thereafter, if said default by MARC shall continue and not be corrected within 10 days of the notice of default, the County may, at its election, terminate the Agreement and take such action in law or equity to recover all funds given to MARC under this Agreement, but not used for the purposes set forth in the Agreement, as the County deems appropriate.

6. **Conflict of Interest.** MARC warrants that no officer or employee of the County, whether elected or appointed, shall in any manner whatsoever be interested in or receive any benefit from the profits or emoluments of this Agreement.

7. **Term.** This Agreement shall be effective January 1, 2013, and shall terminate on December 31, 2013. This Agreement may be terminated prior to that date

by either party upon written notice delivered fifteen days prior to the effective date of termination. If this Agreement is terminated by either party, the County shall pay only for those services actually performed as verified by the County's audit as provided in paragraph 4.

Proposed Program

Detail functions to be performed by each program.

The Jackson County supplemental funds will be directed to support the home-delivered meals service. The functions related to this service include intake and assessment of the client, preparation of the meal by the caterer, delivery of bulk food items by the caterer to the senior center; packaging of individual meals at the senior center, and delivery of the meal to the home of the client. Meals are delivered Monday through Friday. Meals are provided to eligible residents of the county over the age of 60 and older and/or disabled adults between the ages of 18 and 59, inclusive. The rapid expansion of the 60plus population, referenced as the "aging of the baby boomers", has increased the demand for home-delivered meals services. The available state and federal funds has not increased in response to the actual and projected population expansion.

Target Population

Describe target population and demographics to be served by each program.

The target population is older adults [aged 60 and above] confined to their homes due to physical and/or mental incapacity and lacking resources to provide or prepare nutritious meals for themselves. Recent data estimates the age 60 and over population of the County in excess of 100,000. National research estimates that 15 to 20 percent of the senior population is in need of community support and assistance as a factor in their long-term care.

The program also provides services to disabled adults, aged 18 to 59, who meet the same criteria. Current population data estimates there are 58,000 disabled persons residing in the County. We do not have sufficient research information to make the same types of projections and inferences for the disabled population.

Would you provide these services to anyone at your door?

Answer: No

No. Recipients of home delivered meals must meet an eligibility requirement set by the Older Americans Act.

Is anyone denied services?

Only if they do not meet the eligibility requirements or we do not have the capacity in terms of funds

or capacity to meet their needs.

What level of indigents (below poverty level) do you serve?

Approximately 33% of our clients were considered low-income during the past year. But, our program is not designed specifically for indigent clients. No means testing is allowed for services. Please classify your program from the following types by percentage of your agency's overall services:

Senior Program	97%
Indigent Program (Below Poverty Level)	33%
Senior Indigent Program	33%

What criteria do you have for the clients you serve?

Federal regulations require that priority be given to those in the greatest social and economic need, which has been further defined as low-income, ethnic minorities, those with limited English speaking ability, the disabled, and the rural isolated elderly.

Service Delivery Area

Identify your specific geographic service delivery area for each program.

Home-delivered meals come from the senior centers. We are currently operating through several centers located in Kansas City in Jackson County: St. Louis Parish, Guadalupe Center, Inc, Don Bosco Community Center, Mohart Multi-Purpose Center, and Holy Cross Catholic Church. MARC also funds senior center programs and operations in the cities of Blue Springs, Buckner, Grandview, Independence and Oak Grove. MARC also supports "Meals on Wheels" programs operated by Westport Cooperative Services, Whatsoever Community Center, Christ the King Catholic Church and Shepherd's Center.
