DEPARTMENT: Prosecutor's Office

TITLE:The Prosecutor's Office is requesting an ordinance appropriating \$1,000,000 from the Undesignated Fund Balance of the 2026 Anti-Crime Sales Tax into the newly established Public Safety Education Cost Center and authorizing the County Executive to execute an agreement with TJP.

SUMMARY:

In February 2026, the Prosecutor's Office began evaluating qualified providers to support public education and outreach efforts related to the upcoming Anti-Crime Sales Tax renewal initiative. Several organizations with demonstrated experience in campaign-related public education were contacted, and three proposals were received outlining their services and strategic approach.

Each proposal was reviewed for experience, capacity, and alignment with the objectives of the Public Safety Education Fund. Following this evaluation, TJP Strategies, LLC emerged as the provider whose proposal best met the needs of the Office, offering the strongest combination of expertise and

support for the initiative. Based on this assessment, the Prosecutor's Office recommends approval of a contract with TJP Strategies, LLC in conjunction with the requested appropriation of funds.
