

COOPERATIVE AGREEMENT

THIS AGREEMENT, made by and between **JACKSON COUNTY, MISSOURI**, a Constitutional Home Rule Charter County of the First Class of the State of Missouri, hereinafter referred to as "the County" and a Missouri not-for-profit corporation, **MATTIE RHODES CENTER, 148 N. TOPPING AVENUE, KANSAS CITY, MO 64123** hereinafter referred to as "Organization".

No payment shall be made if Organization is out of compliance on any other County contract or has not paid county taxes on all properties owned by Organization and assessed by the County.

5. **Equal Opportunity.** Organization shall have a current Certificate of Compliance as required by the County Compliance Review Office. Organization shall maintain policies of employment as follows:

A. Organization and Organization's subcontractor(s) shall not discriminate against any employee or applicant for employment because of race, religion, color, sex, age, disability, or national origin. Further, Organization shall sign an affidavit, attached hereto and incorporated herein as Exhibit B, affirming that it does not knowingly employ any person who is an unauthorized alien in connection with the contracted services.

7. **Audit.** The parties agree that the County may, for any reason and at any given time, examine and audit the books and records of Organization pertaining to this Agreement. Further, Organization agrees to establish and adopt such accounting standards and forms as recommended by the County prior to receipt of the County's first distribution of funds under the terms of this Agreement. The forms used to document expenditure of these funds may be changed from time to time by the County.

8. **Default.** If Organization shall default in the performance or observation of any covenant, term or condition herein contained to be performed by Organization, the County shall give Organization ten days written notice, setting forth the default. If said default shall continue and not be corrected by Organization within ten days after receipt of notice from the County, the County may, at its election, terminate this Agreement and withhold any payments not yet made to Organization. Said election shall not, in any way, limit the County's rights to sue for breach of this Agreement.

9. **Appropriation of Funds.** Organization and the County recognize that the County intends to satisfy its financial obligation to Organization hereunder out of funds annually appropriated for that purpose by the County. County promises and covenants to make its best efforts to appropriate funds in accordance with this Agreement. In the event no funds or insufficient funds are appropriated and budgeted, or are otherwise unavailable by any means whatsoever for payment due hereunder, County shall immediately notify Organization of this occurrence and this Agreement shall terminate on the last day for which appropriations were received, without penalty or expense to the County of any kind whatsoever, except as to the portions of the payment amounts herein agreed upon for which funds shall have been appropriated and budgeted or are otherwise available, or at any time after the last date that County has paid for the Services, if earlier.

County further agrees:

A. That any funds authorized or appropriated for services rendered under this Agreement shall be applied to the payments hereunder until all such funds are exhausted.

B. That County will use its best efforts to obtain authorization and appropriation of such funds including, without limitation, the inclusion in its annual budget, a request for adequate funds to meet its obligation under this Agreement in full.

10. **Conflict of Interest.** Organization warrants that no officer or employee of the County, whether elected or appointed, shall, in any manner whatsoever, be interested in or receive any benefit from the profits or emoluments of this Agreement.

11. **Severability.** If any covenant or other provision of this Agreement is invalid, or incapable of being enforced by reason of any rule of law or public policy, all other conditions and provisions of this Agreement shall, nevertheless, remain in full force and effect; and no covenant or provision shall be deemed dependent upon any other covenant or provision unless so expressed herein.

12. **Indemnification.** Organization shall indemnify, defend and hold the County harmless from any and all claims, liabilities, damages, and costs (including reasonable attorney's fees directly related thereto) including but not limited to violation of civil rights and/or bodily injury to or death of any person and for damage to or destruction of property if and to the extent caused by the negligence, willful misconduct or omissions of Organization during the performance of this Agreement.

13. **Insurance.** Organization shall maintain the following insurance coverage during the term of this Agreement.

Such certificates shall provide that the applicable insurance policies have been endorsed to provide a minimum of thirty days advance notice to the County in the event of cancellation, non-renewal, or reduction in limits by endorsement.

14. **Term.** The term of this Agreement shall commence January 1, 2023, and shall continue until December 31, 2023, unless sooner terminated pursuant to paragraph 8, 15, or 19 hereof. If this Agreement is terminated by either party, the County shall pay only for those services actually performed by Organization as verified by the County's audit.

15. **Termination.** This Agreement may be terminated for any reason or no reason by either of the parties upon thirty (30) days' written notice to the other party's designated fiscal representative. All services and payments shall continue through the effective date of termination. Community Infrastructure

Other organizations in the community that provide the same or similar services as your organization.

None. While there are other mental health providers near the Northeast, they do not offer the wrap around services that MRC offers. MRC's unique ability to offer wrap-around, bilingual family services focused on the social determinants of health that impact the Hispanic/Latinx community are exclusive to MRC.

Compare your programs and results to others working in the same field.

This programming directly addresses what Mattie Rhodes Center has seen in the community; significant growth and demand for mental health services by both adults and youth. There is also a rise in co-occurring disorders where substance abuse is present alongside issues like depression, mood disorders, and severe and persistent mental illness. These co-occurring disorders pose special problems that only organizations like MRC can address through it's unique wrap around services.

List all partnerships you have with other organizations along with the nature of the partnership.

Date Program was Initiated: 2010

What time period does this program run: All Year

Provide program description: MRC's Latino Mental Health Program brings comprehensive culturally sensitive, trauma-informed mental health services to the uninsured, under-resourced predominately Spanish-speaking population. Program components include individual and group therapy, children's therapy, service coordination, psycho-educational groups, and psychiatric services- all offered bilingually in Spanish and English. Programming also incorporates substance abuse treatment through a bilingual 12-session, evidence-based program that provides comprehensive group and individual treatment to adults and youth.

Describe the benefits of this program to Jackson County Missouri: The goal of the program is to fill a major gap in the community by providing access to bilingual individual and group therapies, service coordination, psychiatric help, and many other activities. Substance Abuse participants are provided individual treatment, family treatment services, social emotional learning skills and knowledge of the harmful effects of drugs and alcohol. Participants achieve the wellness goals central to our mission because of our focus on not just one aspect of an individual's life, but also all the factors that contribute to wellbeing.

Describe target population to be served: The target population is predominately Spanish speaking refugee and immigrant low income Northeast families with a reported median income of \$27,887 or less. MRC targets uninsured, underserved individuals with mental health needs who have limited or no access to care through other providers; in this way MRC is a true provider of last resort. Youth and adults targeted by the substance abuse program have been exposed to high rates of poverty, trauma, violence and crime, many of whom are already involved in/or at high-risk for involvement.

What are the qualifications for participants: Although there are no formal qualifications for participants, it is recommended that participants reside in Jackson County's Historic Northeast or Westside neighborhoods.

Check if your services are available to anyone: Yes

How do you maintain a database of participants: MRC uses a variety of software and databases, including both internal Excel spreadsheets and Cerner's Anasazi software.

Number of participants from Jackson County: 1300

Number of participants from Other Areas: 100

Total Number of participants: 1400

Identify the community need for your organization's program and services in Jackson County.

Mental illness affects over 30,000 Jackson County citizens of every age, religion and income. Hispanics immigrating to the United States face triggers of anxiety and depression that can last for their entire lives and substance abuse, trauma, and stress disorders often coincide. Barriers to care reported in several studies, include lack of health insurance, low acculturation, endorsement of self-reliant attitudes, high financial strains and lack of language assistance.
