Dear Mr. McQueen:

The Grandview Area Chamber and Economic Development Council is a not-for-profit business organization representing 275 members, 600 businesses, and over 11,000 employees in Grandview, Missouri. As President of that organization, I would like to nominate Randy Woehl, Manager of Human Resources and Organization Development of Cartwright Companies, for a position as a Board member representing Grandview on the FECs' Eastern Jackson County Workforce Investment Board.

I have had the pleasure of working with Mr. Woehl for over 7 years. He is a highly respected professional within his industry and the business community of Grandview. His role at Cartwright Companies, a global logistics company with major government contracts, has brought major changes to the company and their approach to workforce development.

To give you an example, under Randy's direction, Cartwright was one of the first companies in Grandview to provide wellness resources to employees for increased retention and stronger physical health. One of the ways Cartwright accomplishes this is to provide community center memberships and reward employees that exercise and live healthy lifestyles.

I know Randy will bring his energetic and innovative approach to his service on the Eastern Jackson County Workforce Investment Board. I hope you will accept my recommendation for his nomination. Thank you!

Kind regards,

Kim Curtis
