

IN THE COUNTY LEGISLATURE OF JACKSON COUNTY, MISSOURI

A RESOLUTION urging the County Executive to implement a temporary moratorium on foreclosure proceedings and tax lien sales against residential property owners affected by the 2023 Jackson County property reassessment cycle.

RESOLUTION NO. 21930, May 19, 2025

INTRODUCED BY Megan L. Marshall and Sean E. Smith, County Legislators

WHEREAS, Jackson County's 2023 property reassessment cycle resulted in significant residential valuation increases, with more than 200,000 parcels experiencing increases of 15% or more; and,

WHEREAS, over 54,000 appeals were filed with the Jackson County Board of Equalization and additional appeals were filed with the Missouri State Tax Commission, reflecting widespread concern over the fairness of the assessments; and,

WHEREAS, the Missouri State Tax Commission has publicly stated that Jackson County failed to comply with statutory requirements for physical inspections and ordered reassessments of thousands of parcels; and,

WHEREAS, taxpayers included in the 2025 tax sale are delinquent for tax years 2021, 2022, and 2023 or longer; and,

WHEREAS, Missouri law (RSMo § 141.210 et seq. and § 140.160) allows for foreclosure or tax lien sale after a property becomes delinquent for three years, but in the absence of accurate and just assessments, the enforcement of such proceedings may cause unjust displacement of homeowners; and,

WHEREAS, thousands of Jackson County residents are still awaiting resolution of their 2023 appeals or assessment corrections and remain at risk of foreclosure or tax lien sale despite the contested status of their property valuations; and,

BE IT RESOLVED that the County Legislature of Jackson County, Missouri, urges the County Executive to enact a temporary moratorium on foreclosure proceedings, tax lien sales, and other collection-related enforcement actions for residential properties with 2023 assessments under formal appeal, pending reassessment, or affected by State Tax Commission rollback orders; and,

BE IT FURTHER RESOLVED that the Legislature formally requests the County Executive to appear before the Legislature, or provide a written response, within fifteen (15) days of the adoption of this resolution to indicate his administration's position on the implementation of a foreclosure moratorium and outline any intended actions; and,

BE IT FURTHER RESOLVED, that the Legislature encourages the County Executive to designate appropriate staff to coordinate with members of the Legislature on the scope, timeline, and legal structure of such a moratorium, to ensure cooperative governance and responsive service to the residents of Jackson County; now therefore,

BE IT FURTHER RESOLVED that the Legislature respectfully expresses its expectation that the Executive Branch will engage in timely and transparent communication on this matter of urgent public concern, recognizing that collaboration between branches of government is essential to ensuring equitable outcomes for the residents of Jackson County.

Effective Date: This Resolution shall be effective immediately upon its passage by a majority of the Legislature.
