

COOPERATIVE AGREEMENT

THIS AGREEMENT, made by and between JACKSON COUNTY, MISSOURI, a Constitutional Home Rule Charter County of the First Class of the State of Missouri, hereinafter referred to as "the County" and a Missouri not-for-profit corporation, THE DON BOSCO COMMUNITY CENTER, INC, 580 CAMPBELL STREET, KANSAS CITY, MO 64106 hereinafter referred to as "Organization".

WHEREAS, the County and Organization desire to enter into an Agreement to provide funding to be used for Don Bosco Senior Services; and,

WHEREAS, the County deems it to be in the best interest of its citizenry to support such programs and activities; and,

NOW THEREFORE, in consideration of the foregoing and the terms and provisions herein contained, the County and Organization respectively promise, covenant, and agree with each other as follows:

NOW, THEREFORE, it is agreed by and between the parties as follows:

All payments will be processed within 30 days of receipt of invoice, if the invoice is complete and accurate. All payments will be detained until reports are received and accurate. Any documents described herein which were submitted as a part of an application for funding need not be resubmitted to qualify for payment. Organization understands that no payment shall be made under this agreement until Organization's 2022 Outside Agency contract has been fully reconciled with the County's Department of Finance and Purchasing. No payment shall be made if Organization is out of compliance on any other County contract or has not paid county taxes on all properties owned by Organization and assessed by the County.

5. **Equal Opportunity.** Organization shall have a current Certificate of Compliance as required by the County Compliance Review Office. Organization shall maintain policies of employment as follows:

A. Organization and Organization's subcontractor(s) shall not discriminate against any employee or applicant for employment because of race, religion, color, sex, age, disability, or national origin. 6. **Employment of Unauthorized Aliens Prohibited.** Pursuant to §285.530.1, RSMo, Organization assures that it does not knowingly employ, hire for employment, or continue to employ an unauthorized alien to perform work within the State of Missouri and/or Jackson County, and shall affirm, by sworn affidavit and provision of documentation, its enrollment and participation in a federal work authorization program with respect to the employees working in connection with the contracted services. Further, Organization shall sign an affidavit, attached hereto and incorporated herein as Exhibit B, affirming that it does not knowingly employ any person who is an unauthorized alien in connection with the contracted services.

7. **Audit.** The parties agree that the County may, for any reason and at any given time, examine and audit the books and records of Organization pertaining to this Agreement. Further, Organization agrees to establish and adopt such accounting standards and forms as recommended by the County prior to receipt of the County's first distribution of funds under the terms of this Agreement. The forms used to document expenditure of these funds may be changed from time to time by the County.

8. **Default.** If Organization shall default in the performance or observation of any covenant, term or condition herein contained to be performed by Organization, the County shall give Organization ten days written notice, setting forth the default. If said default shall continue and not be corrected by Organization within ten days after receipt of notice from the County, the County may, at its election, terminate this Agreement and withhold any payments not yet made to Organization. Said election shall not, in any way, limit the County's rights to sue for breach of this Agreement.

9. **Appropriation of Funds.** Organization and the County recognize that the County intends to satisfy its financial obligation to Organization hereunder out of funds annually appropriated for that purpose by the County. County promises and covenants to make its best efforts to appropriate funds in accordance with this Agreement. In the event no funds or insufficient funds are appropriated and budgeted, or are otherwise unavailable by any means whatsoever for payment due hereunder, County shall immediately notify Organization of this occurrence and this Agreement shall terminate on the last day for which appropriations were received, without penalty or expense to the County of any kind whatsoever, except as to the portions of the payment amounts herein agreed upon for which funds shall have been appropriated and budgeted or are otherwise available, or at any time after the last date that County has paid for the Services, if earlier.

County further agrees:

A. That any funds authorized or appropriated for services rendered under this Agreement shall be applied to the payments hereunder until all such funds are exhausted.

B. That County will use its best efforts to obtain authorization and appropriation of such funds including, without limitation, the inclusion in its annual budget, a request for adequate funds to meet its obligation under this Agreement in full.

10. **Conflict of Interest.** Organization warrants that no officer or employee of the County, whether elected or appointed, shall, in any manner whatsoever, be interested in or receive any benefit from the profits or emoluments of this Agreement.

11. **Severability.** If any covenant or other provision of this Agreement is invalid, or incapable of being enforced by reason of any rule of law or public policy, all other conditions and provisions of this Agreement shall, nevertheless, remain in full force and effect; and no covenant or provision shall be deemed dependent upon any other covenant or provision unless so expressed herein.

12. **Indemnification.** Organization shall indemnify, defend and hold the County harmless from any and all claims, liabilities, damages, and costs (including reasonable attorney's fees directly related thereto) including but not limited to violation of civil rights and/or bodily injury to or death of any person and for damage to or destruction of property if and to the extent caused by the negligence, willful misconduct or omissions of Organization during the performance of this Agreement.

13. **Insurance.** Organization shall maintain the following insurance coverage during the term of this Agreement.

C. Organization agrees to provide the County with certificates of insurance evidencing the above described coverage prior to the start of Services, and annually thereafter, if required by the County. Such certificates shall provide that the applicable insurance policies have been endorsed to provide a minimum of thirty days advance notice to the County in the event of cancellation, non-renewal, or reduction in limits by endorsement.

14. **Term**. The term of this Agreement shall commence January 1, 2023, and shall continue until December 31, 2023, unless sooner terminated pursuant to paragraph 8, 15, or 19 hereof. If this Agreement is terminated by either party, the County shall pay only for those services actually performed by Organization as verified by the County's audit.

15. **Termination**. This Agreement may be terminated for any reason or no reason by either of the parties upon thirty (30) days' written notice to the other party's designated fiscal representative. All services and payments shall continue through the effective date of termination. Termination of this Agreement shall not constitute a waiver of the rights or obligations which the County or Organization may be entitled to

receive as provided in this Agreement, or be obligated to perform under this Agreement for services prior to the date of termination. Should this Agreement terminate, all County written materials of any kind must be delivered and returned by Organization to the County within ten (10) days of the termination of this Agreement.

16. **Standard of Care.** Organization shall exercise the same degree of care, skill, and diligence in the performance of the Services as is ordinarily possessed and exercised by professionals operating under similar circumstances.

The Don Bosco Senior Services program focuses directly on the health vulnerabilities that threaten our clients: access to nutritious food, access to preventative health screenings and healthcare, social isolation, and dangerous/unhealthy living conditions. Through a diverse and comprehensive approach, the Senior Services program directly addresses the health needs of the community we serve. Our programming is based on professional best practices, and MARC has designated Don Bosco as the largest, most comprehensive senior center in the metropolitan area.

Provide program description: With an 80-year history of service to Kansas City, The Don Bosco Centers continue to position our ethnically diverse clients to be self-sufficient and contributing members of the community. Don Bosco's Senior Services program helps vulnerable older adults and adults with disabilities live healthfully, independently, and in their homes for as long as possible. We achieve our goals by focusing on food insecurity, preventative healthcare, social isolation, and basic human needs (home goods, clothing, personal hygiene, and cleaning).

Describe the benefits of this program to Jackson County Missouri: Don Bosco's Senior Services program provides direct services to some of Jackson County's most vulnerable residents. Low income seniors and adults with disabilities face challenges with access to nutritious food, healthcare, and social interaction. Don Bosco provides a community for the 85+ clients who visit the Senior Center daily, and reaches another 185 homebound residents each day with the delivery of a meal and a wellness check to assess living conditions and emergency needs. We also serve other senior centers throughout the region through catering contracts to provide hot meals.

Describe target population to be served: Don Bosco's Senior Services program serves seniors (89%) and adults with disabilities (11%). 85% of our clients live at or below the poverty level, and 75% are Medicaid recipients. We serve twice as many women as men, and our clients are racially and ethnically diverse: 40% African-American, 26% White, 19% Hispanic/Latino, 10% Asian, and 5% Other/Unknown. Most clients have very limited access to reliable and affordable transportation, family support, or any type of retirement income.

What are the qualifications for participants: The only requirements for individuals to receive services from Don Bosco are to have a permanent address, be age 60 or over, or be age 18-59 with a documented disability. There is no charge for any food, activity, service, program, or transportation.

Identify the community need for your organization's program and services in Jackson County.

The impact of COVID and its aftermath (inflation, lingering isolation, and challenges in the delivery of social services) continues to affect the already-vulnerable seniors served by Don Bosco. Seniors are more likely to face hunger if they identify as Black, Latino, or Native American, have lower incomes or a disability. Many Don Bosco clients have multiple indicators for food insecurity. Feeding America data indicates that 8.1% of Kansas City's seniors are food insecure. With 104,653 seniors in Jackson County, there are likely 8,400 food insecure seniors in our service area.
