If said default shall continue and not be corrected by Organization within ten days after receipt of notice from the County, the County may, at its election, terminate this Agreement and withhold any payments not yet made to Organization. Said election shall not, in any way, limit the County's rights to sue for breach of this Agreement.

9. **Appropriation of Funds.** Organization and the County recognize that the County intends to satisfy its financial obligation to Organization hereunder out of funds annually appropriated for that purpose by the County. County promises and covenants to make its best efforts to appropriate funds in accordance with this Agreement. County further agrees:

A. That any funds authorized or appropriated for services rendered under this Agreement shall be applied to the payments hereunder until all such funds are exhausted.

B. That County will use its best efforts to obtain authorization and appropriation of such funds including, without limitation, the inclusion in its annual budget, a request for adequate funds to meet its obligation under this Agreement in full.

10. **Conflict of Interest.** Organization warrants that no officer or employee of the County, whether elected or appointed, shall, in any manner whatsoever, be interested in or receive any benefit from the profits or emoluments of this Agreement.

11. **Severability.** If any covenant or other provision of this Agreement is invalid, or incapable of being enforced by reason of any rule of law or public policy, all other conditions and provisions of this Agreement shall, nevertheless, remain in full force and effect; and no covenant or provision shall be deemed dependent upon any other covenant or provision unless so expressed herein.

Such certificates shall provide that the applicable insurance policies have been endorsed to provide a minimum of thirty days advance notice to the County in the event of cancellation, non-renewal, or reduction in limits by endorsement.

14. **Term.** The term of this Agreement shall commence January 1, 2022, and shall continue until December 31, 2022, unless sooner terminated pursuant to paragraph 8, 15, or 19 hereof. If this Agreement is terminated by either party, the County shall pay only for those services actually performed by Organization as verified by the County's audit.

15. **Termination.** This Agreement may be terminated for any reason or no reason by either of the parties upon thirty (30) days' written notice to the other party's designated fiscal representative. All services and payments shall continue through the effective date of termination. The Bridge program provides domestic violence advocacy services to survivors of domestic violence in 5 hospital systems in the KC Metro Area. These services, which directly address and respond to a victim's physical and mental health and safety needs, are delivered on-site at hospitals and clinics across the metro. The overarching goal of the Bridge Program and Rose Brooks Center is to improve the health and safety of our communities. This goal is directly aligned with the goals and purposes of the health fund.

List all partnerships you have with other organizations along with the nature of the partnership.

Specific to this program, RBC has established MOU's with Children's Mercy Hospital, Truman Medical Center, Saint Luke's/Plaza, KU Hospital Medical Center, and Research Medical Center. RBC provides DV advocacy services, training, and policy development. When hospitals identify a victim of DV, they call RBC's 24-hour crisis hotline answered by advocates in the Emergency Shelter, Bridge advocates respond in-person within 30 minutes of the call to offer victims with support, safety planning, and connection to resources such as filing orders of protection or accessing shelter.

What time period does this program run: All Year

Provide program description: The Bridge Program provides advocacy services, staff training, and policy development to 5 hospital systems, training staff to recognize DV and help their patients safely connect with RBC for support. When a patient screens positive for DV, hospital personnel contact RBC to request support for the patient. A Bridge Advocate responds onsite within 30 minutes, 24-hours/day, 7 days/week. On average, an advocate will spend 3–6 hours with each patient in the hospital. Advocates then offer to follow-up with the victim within 24–72 hours to continue and/or offer additional resources.

Describe the benefits of this program to Jackson County Missouri: RBC's Bridge Program seeks to improve health outcomes for all Jackson County residents by addressing the public health issue of DV, as physical and psychological abuse directly impact one's health. The Bridge program directly responds to this issue through our education and intervention model, which supports hospitals in providing comprehensive care to patients experiencing DV. The overall goal of Bridge and RBC is to improve the health and safety of our communities. Without Bridge, nearly 1,000 DV victims in Jackson County would not be identified or access services.

Describe target population to be served: The Bridge Program serves victims of DV who enter partner hospitals (including 5 major Jackson County hospitals) and associated clinics. 2020 racial demographics of clients: 44% white, 41% African American, 10% Hispanic, 5% other ethnicities. Additionally, 95% were female, 4% were male, and less than 1% were transgender. The Bridge Program reaches victims of DV with high health risks, who are often in life-threatening circumstances, and who otherwise would likely not receive help.

What are the qualifications for participants: Bridge advocacy services are offered to all patients at partnering hospitals who have answered affirmatively to DV screening questions asked to them by their healthcare provider. Services are provided to all genders, ages 14 and up. Services are offered to all patients who meet this criteria; a willingness to participate is all that is required to receive services. Our partnership with the five hospital systems ensures we are serving Jackson County hospitals and affiliated clinics to provide services to their patients and support to their staff.

Identify the community need for your organization's program and services in Jackson County.

Jackson County has a profound need for DV services, as 33% of all DV incidents in the state occur in Jackson County in 2020 – while the county only accounts for 11% of the state's overall population. Hospitals are first responders for DV, making their response critical. The hospital systems RBC works with repeatedly request RBC's services for policy development, staff training, and direct service. The community need for hospital advocacy services in Jackson County surpasses RBC's current capacity and is growing, with a more than 10% increase in Bridge advocacy services over the past 4 years.
