Further, Organization agrees to establish and adopt such accounting standards and forms as recommended by the County prior to receipt of the County's first distribution of funds under the terms of this Agreement. The forms used to document expenditure of these funds may be changed from time to time by the County.

8. **Default.** If Organization shall default in the performance or observation of any covenant, term or condition herein contained to be performed by Organization, the County shall give Organization ten days written notice, setting forth the default. If said default shall continue and not be corrected by Organization within ten days after receipt of notice from the County, the County may, at its election, terminate this Agreement and withhold any payments not yet made to Organization. Said election shall not, in any way, limit the County's rights to sue for breach of this Agreement.

9. **Appropriation Of Funds.** Organization and the County recognize that the County intends to satisfy its financial obligation to Organization hereunder out of funds annually appropriated for that purpose by the County. County promises and covenants to make its best efforts to appropriate funds in accordance with this Agreement. In the

B. That County will use its best efforts to obtain authorization and appropriation of such funds including, without limitation, the inclusion in its annual budget, a request for adequate funds to meet its obligation under this Agreement in full.

10. **Conflict Of Interest**. Organization warrants that no officer or employee of the County, whether elected or appointed, shall, in any manner whatsoever, be interested in or receive any benefit from the profits or emoluments of this Agreement.

11. **Severability**. If any covenant or other provision of this Agreement is invalid, or incapable of being enforced by reason of any rule of law or public policy, all other conditions and provisions of this Agreement shall, nevertheless, remain in full force and effect; and no covenant or provision shall be deemed dependent upon any other

covenant or provision unless so expressed herein.

12. **Indemnification.** Organization shall indemnify, defend and hold the County harmless from any and all claims, liabilities, damages, and costs (including reasonable attorney's fees directly related thereto) including but not limited to violation of civil rights and/or bodily injury to or death of any person and for damage to or destruction of property if and to the extent caused by the negligence, willful misconduct or omissions of Organization during the performance of this Agreement.

13. **Insurance.** Organization shall maintain the following insurance coverage during the term of this Agreement.

C. Organization agrees to provide the County with certificates of insurance evidencing the above described coverage prior to the start of Services, and annually thereafter, if required by the County. Such certificates shall provide that the applicable insurance policies have been endorsed to provide a minimum

of thirty days advance notice to the County in the event of cancellation, non-renewal, or reduction in limits by endorsement.

14. **Term.** The term of this Agreement shall commence January 1, 2018, and shall continue until December 31, 2018, unless sooner terminated pursuant to paragraph 8, 15, or 19 hereof. 15. **Termination.** This Agreement may be terminated for any reason or no reason by either of the parties upon thirty (30) days' written notice to the other party's designated fiscal representative. All services and payments shall continue through the effective date of termination. Termination of this Agreement shall not constitute a waiver of the rights or obligations which the County or Organization may be entitled to receive as provided in this Agreement, or be obligated to perform under this Agreement for services prior to the date of termination. Should this Agreement terminate, all County written materials of any kind must be delivered and returned by Organization to the County within ten (10) days of the termination of this Agreement.

16. **Standard of Care.** Organization shall exercise the same degree of care, skill, and diligence in the performance of the Services as is ordinarily possessed and exercised by professionals operating under similar circumstances.

What time period does this program run: All Year

Provide program description: Community Access and Engagement provides increased access to health care for patients and community at Rodgers Health. This is made possible through patient navigation; community health screenings; health education; Lunch and Learns; patient communication; breast health and other cancer screenings; initial screenings and immunizations for immigrants; medical and dental screenings and services; financial resource counseling through the ACA and MO HealthNet application and enrollment; community engagement through outreach for the at-risk population; access to imaging services, pharmacy, laboratory services, oral and primary health care, behavioral health services. Additionally, the Access and Engagement Department provides health education through social media to include Facebook and Twitter and via links to other health education sites.

Describe the benefits of this program to Jackson County Missouri: The program provides access to quality health care and health education for individuals and families in the most vulnerable, medically and socially underserved communities in Jackson County. Individuals who are uninsured or underinsured can come to Rodgers Health and receive care on a sliding fee scale (with a minimum fee of \$35 paid at the of their visit); this includes imaging and laboratory services. However, patients are not denied services due to an inability to pay. The nominal fee is not a threshold for receiving care. Health screenings and events held in the community are without any fees, and often provide incentives for community members to attend. Many times, through these community events, participants are able to get their baseline results, find they have an abnormal result and are able to seek follow-up care at a location of their choosing. The overarching goal is to decrease inappropriate emergency room usage for program participants. This improves health, reduces health care costs, and improves each patient's experience.

Describe target population to be served: In 2016, Rodgers Health delivered care to 24,774 individuals and currently provides services at 3 locations in Jackson County. In 2016, only 4% of our patients had an annual household income over 200% of Federal Poverty Guidelines (\$49,200 for a family of four). Racially and ethnically, in 2016 our patients were 18.4% African/African American, 5.8% Asian, 27% Caucasian, 30.2% Latino, and 18.6% were two or more races or other. Over 33% of our patients are best served in a language other than English. 35% of our patients had no insurance coverage at all. In 2016, over 42% of our patients were children; another 5% were seniors.

What are the qualifications for participants: At Rodgers Health, we serve all patients regardless of race, gender, age, ethnicity, or ability to pay. Participants who present at a community event may participate in screenings and education regardless of their residence. However, participants who require additional services at the Health Center will be required to live in Jackson County to be eligible to have their care paid through Jackson County Outside Agency funding and are required to show proof of residence.
