7. GENERAL INDEMNITY.

A. GENERAL. LICENSEE shall cover, release, defend, become responsible for and forever hold harmless the CITY, its officers, agents, employees, elected officials, and attorneys, each in their official and individual capacities, subject to the provisions set forth in the Missouri Sovereign Immunity Statute, from and against all lawsuits, suits, actions, costs, claims, demands, damages, disability, losses, expenses, including reasonable attorney's fees and other defense costs or liabilities of any character and from any cause whatsoever, brought because of bodily injury or death received or sustained, or loss or damage received or sustained, by any person, persons, or property to the extent arising out of or resulting from any act, error, omission, or intentional act of LICENSEE or its agents, employees, or subcontractors, arising out of or in any way connected with the operations expressly authorized herein. Such reimbursement is due within thirty (30) days of the CITY submitting notice of proof of payment of such costs, fees or expenses.

B. NO LIMITATIONS OR WAIVER. The indemnity required hereunder shall not be limited by reason of the specification of any particular insurance coverage in this Agreement, or by a limitation of the amount or type of damages or compensation payable by or for LICENSEE under Workers' Compensation, disability or other employee benefit acts, acceptance of insurance certificates required under this Agreement, or the terms, applicability or limitation of any insurance held by LICENSEE. The CITY does not, and shall not, waive any rights against LICENSEE which it may have by reason of this indemnification, because of the acceptance by the CITY, or the deposit with the CITY by LICENSEE, of any of the insurance policies described in this Agreement. Except as provided in subpart A above, this indemnification by LICENSEE shall apply regardless of whether or not such insurance policies shall have been determined to be applicable to any such damages or claims for damages.

D. CHALLENGES TO CONTRACT. LICENSEE shall indemnify, defend and hold harmless the CITY, its officers, agents, employees, elected officials, and attorneys, each in their official and individual capacities, against any and all claims or challenges brought against the CITY with respect to the validity of the terms and conditions of this Agreement.

E. USE OF INDEPENDENT CONTRACTORS. The fact that LICENSEE carries out any activities under this Agreement through independent contractors shall not constitute an avoidance of, or defense to, LICENSEE's duty of defense and indemnification under this section.

8. INSURANCE.

A. GENERAL PROVISIONS. LICENSEE shall file with the CITY evidence of liability insurance with an insurance company licensed to do business in Missouri or evidence of self-insurance. At all times while this Agreement remains in effect, and in recognition of the indemnification provisions set forth above, LICENSEE shall, at its own cost and expense, maintain a program of commercial general liability insurance and/or self-insurance in the amounts specified below to protect

LICENSEE and the CITY, its officers, agents, employees, elected officials, and attorneys, each in their official and individual capacities, from any liability for bodily injury, death and property damage occasioned by the activities of LICENSEE, or any person acting on their behalf, under this Agreement, including, but not limited to, LICENSEE's operations, products, services or use of automobiles or construction equipment. As proof of this compliance, LICENSEE shall, during the term of this Agreement, keep on file with the Clerk of the CITY a certificate of insurance with an insurance company licensed to do business in the State of Missouri and/or affidavit of self-insurance which shall show the types and amounts of coverage. Any affidavit of self-insurance shall be signed by LICENSEE, or an employee or officer of LICENSEE who has knowledge of LICENSEE's self-insurance program and is authorized to make representations as to the scope of said program, and shall contain a statement making such representations.
