SUMMARY OF QUALIFICATIONS

Communication skills that allow me to provide professional agency representation. Master architecting relationships in complex diverse environments in order to achieve organizational goals and grow cohesive teams. Capable of excelling in new environments. Career highlights include:

- Trained members of Federal Emergency Management Agency Disaster Response Team; served families and responders following September 11th and Hurricane Katrina.
 - Set a process to review and analyze all annual outstanding encumbrances resulting in up to \$1 million annually returned to the general fund.
- Several Governor Appointments from both parties, with the most recent being a Senate confirmed appointment to the Kansas State Board of Indigents' Defense Services.
- Reduced the department error rate to 0.5% after being in a penalty phase at an error rate of 6+%.
- Developed and oversaw \$300+ million Casino RFPs; ensured supplier diversity, gaming regulations, budget guidelines, and community requirements were incorporated.

PROFESSIONAL EXPERIENCE

State of Kansas- Department for Children and Families

02/2013 – Present

Director of Economic and Employment Services

- Lead and direct the day-to-day operations of the Economic and Employment Services Office to fulfill the state's vision for the Family Services Department.
- Oversee a program budget of approximately \$14,600,000 and 700+ staff who are responsible for helping to provide a variety of services such as cash, food, medical, energy and child care assistance; Early Head Start, education and employment support services.
- Successful in building collaborative partnerships with other state agencies for data sharing, reduction of duplicate work with clients and to improve accuracy of reporting and stats.
- Successfully reduced our error rate from a penalty phase 6%+ to 0.5% in my first year.

Department of Health and Human Services/DMORT

Intermittent

Mental Health Specialist

- Section Chief during last deployment to Hurricane Katrina
- Oversee mental health and critical incident needs of staff deployed during a disaster.
- Maintain readiness and optimal capabilities of the unit's most valuable resource – members.
- Decontamination of human remains to make them safe from a chemical, biological, or radiological incident.

Unified Government of Wyandotte County Kansas City Kansas (UG)

06/2007 – 02/2013

Director of Procurement and Contract Compliance

- Chief Procurement and Contracting Officer, reporting directly to Assistant County Administrator and managing a staff of seven in the annual purchase of over \$80 million of goods, services, and construction. Managing the Office of Supplier Diversity and Small Business Affairs in the management of the county's development agreements and supplier base.
- Developed and evaluated 300M+ casino RFP for the counties first casino.
- Partnered with legal to create the UG's Supplier Diversity Ordinance
- Set a process to review and analyze all annual outstanding encumbrances resulting in over \$1 million annually returned to general fund.

Wyandotte County Sheriff's Office (UG)

06/2005 – 06/2007

Mental Health Program Manager

- Successfully created and implemented the mental health department for adult offenders.
- Responsible for the development of clinical staff, mental health interns and volunteers.
- Conducted competency to stand trial evaluations for the District Attorney's Office and Defense.
- Carried case load of administrative segregation and severely mentally ill detainees.

Kansas City Kansas Police Department (UG)

03/2001 – 06/2005

Program Supervisor

- Successfully reinvented the Victim Services Unit from an indirect support system to one that responded 24/7 to crime scenes and emergency rooms, offered free in office therapeutic services and attempted to contact all victims personally.
- Revised the Unit's general orders and created its standard operating procedures.
- The unit was 100% grant funded. Wrote and managed all state and federal grants for the unit.
- Prepared and presented program documents and related information for monthly and yearly audits of program activities and compliance.
- Ensured unit met CALEA standards.

Child Abuse Prevention Association (CAPA)

03/1999 – 06/2000

Therapist

- Provided counseling services to children and families where child abuse occurred or was suspected.
- Helped families, couples, and individuals identify strengths and weaknesses that may have affected their relationships as a family or with others.
- Facilitated group therapy for families going through divorce, to educate the parents on how to communicate, to minimize the negative impact on the entire family system.
