| Approval of Missouri Highways and Transportation Commission Transportation Alternatives Fund Program Agreement for Construction of the the Little Blue Trace/Rock Island Trail Connector Grant Project |

| Request Summary   |
|---|
| Jackson County has been selected to receive funding through a grant under the Transportation Alternatives Fund Program to be used to construct a 0.59 mile trail connecting the Rock Island Trail to a segment of the Little Blue Trace Trail at Mo. 350 Highway. We are requesting authorization for the County Executive to execute the attached Program Agreement between the Missouri Highways and Transportation Commission and Jackson County. This agreement does not obligate the expenditure of funds by the County. Rather, this agreement sets forth a Reasonable Progress Policy and the respective responsibilities of each party as the project proceeds through the project development process. Appropriation of funding for the project will occur subsequent to this agreement. A formal bid for construction is anticipated to be let during the fall of 2022. |
