B. The Prosecuting Attorney agrees it shall not lock out bargaining unit members outside of his authority under Section 3 of this Article. The Prosecuting Attorney further agrees not to discriminate, with regard to terms and conditions of employment, against its employees because of union membership or for lawful union activity.

**ARTICLE 2  
GRIEVANCE PROCEDURE**

Section 1. As provided in Article I, Section 3, above, Management may impose discipline for just cause. Such discipline will be pursuant to a system of progressive discipline. All disciplinary actions are covered by this Memorandum and are subject to the grievance procedure.

Section 2. The Employer shall not discipline or discharge any employee covered by this Memorandum, except for just cause.

Section 3. As noted above, all disciplinary matters shall be subject to the grievance procedure, including arbitration. Any bargaining unit member who is questioned by a member of management about any matter that the bargaining unit member reasonably believes could lead to disciplinary action is entitled to Union representation and to a reasonable amount of time to secure such representation. The right includes the right to be represented during an investigatory interview in a matter that the member reasonably believes could lead to discipline. Once the member asserts her/his right to representation, all proceedings, interviews, questions, etc. will halt, until the member has had the opportunity to acquire and consult with a Union Representative. The right to Union representation is not intended to apply in the case of routine and necessary discussion between bargaining unit members and members of management.

Section 4. The Union and the Employer desire to have a fair, effective and productive means to resolve disputes that arise in the work place. Matters subject to this grievance procedure include matters related to the interpretation and application of this Memorandum.

The parties shall make sincere and diligent efforts to settle meritorious grievances early in the grievance procedure and to keep the procedure free from non-meritorious grievances.

Section 5. Grievances may be initiated and processed by any bargaining unit and/or the Union, as set forth below:

Step 1. The matter shall first be taken up between the bargaining unit member(s) and/or the Union and the appropriate Chief Trial Assistant or a supervisor outside of the bargaining unit of this MOU. A Union representative may be present during any step of the grievance procedure. If the grievance is not adjusted orally, it may be submitted in writing, by the Union, to the Deputy Prosecuting Attorney within thirty (30) calendar days after the occurrence giving rise to the grievance became known or reasonably should have been known to the grievant and/or the Union. The Deputy Prosecuting Attorney shall reply in writing within fourteen (14) calendar days. Failure to provide a written answer within the time specified will result in the grievance automatically being advanced to Step 2.

Step 2. In case the matter cannot be resolved under Step 1, the grievance will be considered by a Union representative (Union Representative, Union President or his/her designee) and the Prosecuting Attorney or his/her designee. Requests for consideration by the Prosecuting Attorney or his/her designee must be in writing with fifteen (15) calendar days of receipt of the written answer in Step 1, or the grievance shall be considered dropped. The Prosecuting Attorney or his designee shall meet with the Unions representative and the grievant to consider the grievance. The Prosecuting Attorney shall issue a written decision regarding the grievance within seven (7) calendar days after the meeting.

Step 3. If the matter is not satisfactorily resolved at Step 2, the Union may submit the matter to arbitration. Grievances not resolved as provided under step 2, may also be pursued through the appeal procedure as provided under the Merit System Commission of the Jackson County Code and Personnel Rules at the election of the bargaining unit member. The election made by the bargaining unit member to proceed under the Merit System Commission or by the Union through arbitration, shall be irrevocable and shall extinguish the right to proceed under the method not chosen at the time of the election. Only grievances pertaining to discipline, termination of employment and salary may be submitted to arbitration. Any decision of the Merit System Commission may be appealed only through judicial review as provided by statute and not through arbitration provided herein.

Section 6.

A. If the Union is not satisfied with the decision of the Prosecuting Attorney at Step 2 and elects to proceed to arbitration, the Union shall notify the Prosecuting Attorney that it

intends to submit the matter to arbitration. Such notification shall be in writing and shall be submitted within fifteen (15) calendar days after receipt of the decision of the Prosecutor. Upon notification, the Union and the Prosecuting Attorney shall try to agree upon an arbitrator.

B. If the Union and Employer cannot agree upon an arbitrator, the Union and Employer shall, within ten (10) calendar days, request a panel of eleven (11) arbitrators from a national provider of arbitration services agreed to by the parties. Such panel may be drawn from Missouri and Kansas arbitrators, unless otherwise agreed to by the parties. Both parties will be provided curriculum vitae for each of name on the panel. Upon receipt of the panel of arbitrators, the parties shall be allowed three (3) days to review each panelist's qualifications and history. The parties shall then meet and alternately strike names from the panel, with the last remaining name being selected as the arbitrator.

C. Decisions of the arbitrator are subject to review by the Prosecutor, who may modify or change the arbitrator's decision only when the findings of fact and decision of the arbitrator are clearly contrary to the weight of the evidence, viewed in its entirety, together with the legitimate inferences which may be reasonably drawn from the evidence. Any ruling by the Prosecutor to modify a decision of the arbitrator must be submitted to the parties, in writing, within fifteen (15) calendar days of the arbitrator's decision and must specify the facts and evidence which support such modification or rejection. The Prosecutor's written ruling shall be subject to judicial review in the Circuit Court of Jackson County, at which time this court shall have the authority to overturn the Prosecutor's ruling if it does not comply with this Article. If the Prosecutor fails to timely issue a written ruling, the decision of the arbitrator shall be final and binding. The arbitrator shall have no authority to add to, subtract from, or modify any of the terms of this Memorandum. The expenses of the arbitrator shall be shared equally by the County and the Union.

D. The time limits set forth in this Article are binding, unless waived by mutual agreement of the parties. Either party may request an extension of the time limits, which will not be unreasonably denied. Failure of the Prosecutor to respond within the time limits set forth above shall result in the grievance automatically moving to the next step. Failure of the Union or a bargaining unit member to comply with the time limits set forth above shall result in the grievance being dropped.

Section 7. Grievances or appeals of disciplinary action shall be processed through the grievance procedure, as described herein, except that probationary employees are not entitled to arbitrate disciplinary action or disputes involving seniority.

Section 8. The parties may agree, in writing, to any other recognized form of dispute resolution, including the scheduling of meetings involving the same or different individuals or use of third parties.

**ARTICLE 3

An employee's vacation and sick leave continue to accrue while on vacation. Employees shall not earn vacation leave while on leave of absence without pay. Section 1. Full-time employees covered by this Memorandum shall receive a regular day's pay for each holiday established from time to time by the Employer for other employees of the County, but in no event shall full-time employees have fewer than eleven County holidays in each calendar year which are as follows: New Year's Day, Martin Luther King's Birthday, President's Day, Truman Day, Memorial Day, Independence Day, Labor Day, Veteran's Day, Thanksgiving Day, The Friday following Thanksgiving, and Christmas Day.

Section 2. If employees are required to work the above-mentioned County holidays, or days observed as such, they shall be paid at the employee's election, double the employees current hourly rate pay for such work or compensatory time credit at double the hours the employee works during a holiday.

Section 3. Should one of the County holidays fall within an employee's vacation, that day will not be counted as a day of vacation.

Section 4. In addition to the official County holidays, every full time County employee who has completed his six month probationary period is entitled to one "floating holiday" per calendar year to be taken on a day selected by the employee. The employee must obtain prior approval from his/her supervisor before taking the holiday. Approval will be liberally granted so long as efficiency of the Prosecuting Attorney's Office can be maintained. A floating holiday not used during the year is lost. The full eight hours of the

floating holiday must be taken at one time.

## **ARTICLE 5 FUNERAL LEAVE**

Section 1. Employees shall be granted up to three (3) days leave without loss of pay in the event of a death in the immediate family. The immediate family is defined as wife, husband, son, daughter, father, mother, sister, brother, mother-in-law, father-in-law, grandparent, step-parent, step-child, grandchild, son-in-law, daughter-in-law, domestic partner or other person if a member of the household of the employee. The Prosecuting Attorney will continue the practice of allowing members a reasonable amount of time off, with pay, in the event of the death of a close relative of the employee's domestic partner. Funeral leave as described in Section 1 above shall be in addition to any other accrued leave and shall not be deducted from any of the employee's other accrued leave.

Section 3. An employee will be allowed to use vacation leave for a death of family member not listed above (i.e., aunts, uncles, cousins, nieces, nephews, other in-laws, etc.).

## **ARTICLE 6 JURY DUTY PAY**

Section 1. An employee selected for jury duty will have an authorized leave for the duration of his jury service. Normal wages will be paid for the period of jury duty provided the employee shall endorse and deliver to the Prosecuting Attorney the jury summons and warrantor check received for such jury duty.

## **ARTICLE 7 MATERNITY/PATERNITY LEAVE**

Section 1. Members who are qualified to take leave under the Family Medical Leave Act (FMLA) will be allowed the first 5 weeks off, with pay and without a decrease in any accrued leave benefit, for the birth or adoption of a child. The 5 week leave does not extend the total amount of time off an employee is entitled to under the FMLA.

**ARTICLE 8**  
**HOURS OF WORK & FLEX TIME**

Section 1. Bargaining unit members are expected to work from 8:30 AM to 5:00 PM Monday through Friday, forty (40) hours weekly. Any member of the Bargaining Unit who is required to work more than forty (40) hours a week will be compensated, at the member's election, at 1.5 times his or her hourly rate for every hour worked in excess of forty (40) hours per week or compensatory time credit at 1.5 times for each hour worked in excess of forty (40) hours per week. Bargaining unit members who have completed their probationary period may request to work a flexible work schedule, unless such election will have an adverse impact on the member's ability to perform his/her duties or the operation of the Prosecutor's Office. The term "flexible work schedule" is limited to requests for a long term regular exception to scheduled working hours. Requests to deviate from required work hours which are not on a regular basis may be approved by the immediate supervisor. If such request is granted, the bargaining unit member must complete a weekly requirement of forty (40) hours. The decision to grant or deny a flex time schedule request is solely within the Prosecuting Attorney's discretion.

Section 2.

A. Upon request for a flexible work schedule, the bargaining unit member and his/her immediate supervisor outside the bargaining unit shall meet to discuss the parameters of an appropriate flexible work schedule. If an agreement is reached regarding such work schedule, it will be presented to the Prosecuting Attorney for his/her approval.

B. If the bargaining unit member and his/her immediate supervisor outside the bargaining unit cannot agree upon the parameters of an appropriate flexible work schedule, the matter will be referred to the Prosecuting Attorney for recommendation.

Section 3. All approved flexible work schedules shall be reviewed periodically. If the Prosecuting Attorney determines that a bargaining unit member's flexible work schedule has an adverse impact on the bargaining unit member's ability to perform his/her duties or an adverse impact on the operation of the Prosecutor's Office, the Prosecuting Attorney, or his/her designee, the bargaining unit member's immediate supervisor outside the bargaining unit, the bargaining unit member and a union representative shall meet and discuss such adverse impact and attempt to agree to an appropriate modification of the member's flexible work schedule. If such an agreement cannot be reached, the Prosecuting Attorney will determine the bargaining unit member's work schedule.

Section 4. In the event an employee works seven consecutive days, the employee shall be compensated at double time for the seventh day of work.

Prosecuting Attorney's seniority list. The Union will advise the Prosecuting Attorney of their appointment. The authority of job stewards and alternates shall be limited to:

A. The investigation and presentation of grievances, in accordance with the provisions of this Memorandum;

B. The transmission of information from the Union or its officers; provided such information (1) has been reduced to writing or (2) if not reduced to writing, is of a routine nature. Section 2. In the event the job steward, or his alternate, takes unauthorized strike action, or attempts to direct the work force in any manner, the Prosecuting Attorney shall have the right to discipline or discharge such steward, with recourse to the grievance procedure herein only on the question of whether he took the unauthorized strike action or attempted to direct the work force.

## **ARTICLE 15 NEW EMPLOYEES**

New employees are probationary employees for their first 6 months of employment. Probationary employees are not entitled to participate in the grievance procedures.

## **ARTICLE 16 JOB OPENING AND TRANSFERS**

Section 1. In the event a vacancy arises that the Prosecuting Attorney intends to fill, incumbent bargaining unit members will be given preference over non-employees in the filling of all such vacancies, provided that the incumbent member seeking the posted position is qualified. In the event the incumbent employee is deemed not qualified, the burden of proof is on the employer to clearly demonstrate such fact. Such preference applies whether the vacancies are lateral or promotional. Experience and qualifications of all applicants will be considered when filling vacancies.

vacant position will be given an interview if an interview is requested by the applicant member. Vacancies shall be filled no later than thirty (30) calendar days after the closing of the posting period. Bargaining Unit Members will be assigned to such vacancies as set forth in Section 3 below.

Section 3. In the event that no bargaining unit employee requests to be assigned to the vacancy, the Prosecuting Attorney may assign an employee who meets the qualifications, as determined by the Prosecuting Attorney.

Section 4. A bargaining unit employee assigned to a vacancy, as provided herein, based upon his/her request shall not be eligible to request assignment to any other vacancy for a period of twelve (12) months. This 12 month period may be waived by the Prosecuting Attorney.

Section 5. The Prosecuting Attorney may deny the application of any bargaining unit member for transfer from his or her current position to a non-promotional or lateral vacant position if the Prosecuting Attorney determines that it is in the best interest of the office to deny such application.

## **ARTICLE 17 PENSION**

Section 1. The parties recognize Jackson County, Missouri has a County-funded pension plan for County employees. The employer will continue to properly fund this plan according to the terms thereof. Employees covered under this Memorandum are included within the provisions of the plan and shall be provided a copy of the plan. The Employer shall not terminate this pension plan unless it notifies the Union at least 90 days prior to such termination and immediately after such termination invests in or institutes a successor pension plan with benefits at least equal to the County's present plan. In the event that changes to Jackson County's pension plan are officially proposed by the Employer, the parties agree to meet and confer for the purpose of discussing the effects of said proposed changes.

Section 1. Each full-time employee may request to attend educational classes at a state accredited institution, in effort to acquire an associate, bachelor or graduate degree. The County will reimburse the full cost to attend such classes provided however that the employee maintains at least a "C" average and classes do not interfere with the employees ability to maintain a 40 hour work week. Approval of requests to attend educational classes lies within the discretion of the Prosecuting Attorney and is contingent upon the availability of funds appropriated for this purpose.

Section 2. The County will pay the cost of member's attendance to a training seminar i.e. Missouri Office of Prosecution Services (MOPS), which is reasonably related to the duties performed by the bargaining unit member. Attendance at any such program must be approved by the Prosecuting Attorney, or his/her designee. In accordance with the County's travel policy, the County will also reimburse members for meals, mileage, lodging and other allowable expenses.

Failure on the part of the Employer to provide an employee with an annual evaluation by November 1st of 2012, 2013, 2014, 2015, and 2016 will result in that employee receiving an automatic three percent salary increase effective January 1st of the following fiscal year. All salary increases under this article will be awarded no later than the first pay period in February.

Section 2. The obligation of the Prosecuting Attorney to provide the annual salary increases outlined above is subject to available County revenues and annual adopted budget appropriations.
