

COOPERATIVE AGREEMENT
(Cabot Clinic Program)

THIS AGREEMENT, made by and between **JACKSON COUNTY, MISSOURI**, a Constitutional Home Rule Charter County of the First Class of the State of Missouri, hereinafter referred to as "the County" and a Missouri not-for-profit corporation, **SAMUEL U. RODGERS - CABOT WESTSIDE CENTER 825 EUCLID AVENUE KANSAS CITY, MO 64124**, hereinafter referred to as "Organization".

WHEREAS, the County and Organization desire to enter into an Agreement to provide funding to be used for Cabot Westside Medical Indigent Care; and,

WHEREAS, the County deems it to be in the best interest of its citizenry to support such programs and activities; and,

NOW THEREFORE, in consideration of the foregoing and the terms and provisions herein contained, the County and Organization respectively promise, covenant, and agree with each other as follows:

NOW, THEREFORE, it is agreed by and between the parties as follows:

1. **Services**. Organization shall provide services Cabot Westside Medical Indigent Care, as is more fully set out in the proposal attached hereto as Exhibit A and incorporated herein by reference. The term of this contract is January 1, 2020, through December 31, 2020, and as such, all expenditures must occur within this period. The budget Organization submitted as part of Exhibit A is considered final and non-changeable.

2. **Terms Of Payment**. The County agrees to pay Organization the total amount of **\$72,000.00** in quarterly reimbursements up to **\$18,000.00**, Payments shall be

made upon the County's receipt of the quarterly reports as set forth in paragraph 3 hereof. The final payment will not be processed until the Organization's annual program report has been completely reconciled. The County will not reimburse sales tax expense.

3. **Reports/Other Documentation.** Within 30 days after the conclusion of each calendar quarter under this Agreement, Organization shall submit a quarterly report through the Outside Agency Portal along with proof of payment and receipt documentation that reconciles to the quarterly report, including cancelled checks and/or a copy of the face of the check and corresponding bank statements, invoices, itemized credit card receipts and credit card statements showing proof of purchase and proof of payment and any other documents requested by the Department of Finance and Purchasing, to establish that the funds provided pursuant to this Agreement were used for the purposes set forth herein. All payments will be processed within 30 days of receipt of invoice, if the invoice is complete and accurate. All payments will be detained until reports are received and accurate. Any reports that are incorrect will delay payment. The last quarter's report is due by January 30th, 2021 and shall include an annual report which shall summarize all of Organization's activities pursuant to this Agreement. Organization's failure to submit this annual report shall disqualify Organization from future funding by the County. The final payment will not be processed until the Organization's annual program report has been completely reconciled.

Organization must submit all quarterly reports in the format specified by the County regardless of whether activity took place in each quarter, before the next quarterly payment will be processed. Any quarterly reports that are incomplete or incorrect will delay payment. Any documents described herein which were submitted as a part of an application for funding need not be resubmitted to qualify for payment. Organization understands that no payment shall be made under this agreement until Organization's 2019 Outside Agency contract has been fully reconciled with the County's Department of Finance and Purchasing. No payment shall be made if Organization is out of compliance on any other County contract, or has not paid county taxes on all properties owned by Organization and assessed by the County.

5. **Equal Opportunity**. Organization shall submit an Affirmative Action Plan or Equal Employment Opportunity statement as required by the County Compliance Review Office. Organization shall maintain policies of employment as follows:

6. **Employment Of Unauthorized Aliens Prohibited.** Pursuant to §285.530.1, RSMo, Organization assures that it does not knowingly employ, hire for employment, or continue to employ an unauthorized alien to perform work within the State of Missouri and/or Jackson County, and shall affirm, by sworn affidavit and provision of documentation, its enrollment and participation in a federal work authorization program with respect to the employees working in connection with the contracted services. Further, Organization shall sign an affidavit, attached hereto and incorporated herein as Exhibit B, affirming that it does not knowingly employ any person who is an unauthorized alien in connection with the contracted services.

7. **Audit.** The parties agree that the County may, for any reason and at any given time, examine and audit the books and records of Organization pertaining to this Agreement. Further, Organization agrees to establish and adopt such accounting standards and forms as recommended by the County prior to receipt of the County's first distribution of funds under the terms of this Agreement. The forms used to document expenditure of these funds may be changed from time to time by the County.

8. **Default.** If Organization shall default in the performance or observation of any covenant, term or condition herein contained to be performed by Organization, the County shall give Organization ten days written notice, setting forth the default. If said

default shall continue and not be corrected by Organization within ten days after receipt of notice from the County, the County may, at its election, terminate this Agreement and withhold any payments not yet made to Organization. Said election shall not, in any way, limit the County's rights to sue for breach of this Agreement.

9. **Appropriation Of Funds**. Organization and the County recognize that the County intends to satisfy its financial obligation to Organization hereunder out of funds annually appropriated for that purpose by the County. County promises and covenants to make its best efforts to appropriate funds in accordance with this Agreement. In the event no funds or insufficient funds are appropriated and budgeted, or are otherwise unavailable by any means whatsoever for payment due hereunder, County shall immediately notify Organization of this occurrence and this Agreement shall terminate on the last day for which appropriations were received, without penalty or expense to the County of any kind whatsoever, except as to the portions of the payment amounts herein agreed upon for which funds shall have been appropriated and budgeted or are otherwise available, or at any time after the last date that County has paid for the Services, if earlier.

County further agrees:

A. That any funds authorized or appropriated for services rendered under this Agreement shall be applied to the payments hereunder until all such funds are exhausted.

B. That County will use its best efforts to obtain authorization and appropriation of such funds including, without limitation, the inclusion in its annual

budget, a request for adequate funds to meet its obligation under this Agreement in full.

10. **Conflict Of Interest**. Organization warrants that no officer or employee of the County, whether elected or appointed, shall, in any manner whatsoever, be interested in or receive any benefit from the profits or emoluments of this Agreement.

11. **Severability**. If any covenant or other provision of this Agreement is invalid, or incapable of being enforced by reason of any rule of law or public policy, all other conditions and provisions of this Agreement shall, nevertheless, remain in full force and effect; and no covenant or provision shall be deemed dependent upon any other covenant or provision unless so expressed herein.

12. **Indemnification**. Organization shall indemnify, defend and hold the County harmless from any and all claims, liabilities, damages, and costs (including reasonable attorney's fees directly related thereto) including but not limited to violation of civil rights and/or bodily injury to or death of any person and for damage to or destruction of property if and to the extent caused by the negligence, willful misconduct or omissions of Organization during the performance of this Agreement.

13. **Insurance**. Organization shall maintain the following insurance coverage during the term of this Agreement.

C. Organization agrees to provide the County with certificates of insurance evidencing the above described coverage prior to the start of Services, and annually thereafter, if required by the County. Such certificates shall provide that the applicable insurance policies have been endorsed to provide a minimum of thirty days advance notice to the County in the event of cancellation, non-renewal, or reduction in limits by endorsement.

14. **Term.** The term of this Agreement shall commence January 1, 2020, and shall continue until December 31, 2020, unless sooner terminated pursuant to paragraph 8, 15, or 19 hereof. If this Agreement is terminated by either party, the County shall pay only for those services actually performed by Organization as verified by the County's audit.

15. **Termination.** This Agreement may be terminated for any reason or no reason by either of the parties upon thirty (30) days' written notice to the other party's designated fiscal representative. All services and payments shall continue through the effective date of termination. Termination of this Agreement shall not constitute a waiver of the rights or obligations which the County or Organization may be entitled to receive as provided in this Agreement, or be obligated to perform under this Agreement for services prior to the date of termination. Should this Agreement terminate, all

County written materials of any kind must be delivered and returned by Organization to the County within ten (10) days of the termination of this Agreement.

16. **Standard of Care**. Organization shall exercise the same degree of care, skill, and diligence in the performance of the Services as is ordinarily possessed and exercised by professionals operating under similar circumstances.

Date Program was Initiated: 2013

What time period does this program run: All Year

Provide program description: Rodgers Health Cabot Westside Medical and Dental Practice will perform the following medical services for Jackson County residents: 1) infant/Child Health Care: well-child exams; childhood diseases treatments; lead screenings; TB testing; immunizations. 2) Women's Health: Prenatal care; pregnancy testing; family planning/contraceptives; gynecology; Imaging; lab services. 3) Adult Medicine: health screenings; immunizations; treatments of acute illnesses; treatment of chronic illnesses. 4) Preventive Care: screenings for prevention and early detection of diseases. 5) Laboratory Services and Medication: glucose testing, hemoglobin testing; HIV testing; urine dips; breathing treatments; EKG testing; dispensing some OTC meds. 6) Cardiovascular Clinic: Testing/treatment of cardiovascular conditions. 7) Medical supplies.

Describe the benefits of this program to Jackson County Missouri: At Rodgers Health, we care for some of most medically and socially vulnerable individuals and families in Jackson County. Our patients, including racial and ethnic minorities, people with chronic diseases, the frail and elderly, and those whose families are economically disadvantaged, often have trouble accessing or paying for health care. Access challenges include difficulty getting to a medical office, prioritizing medical care among basic needs of living, overcoming financial barriers, and navigating government assistance programs. At Cabot Westside Medical Practice, families receive quality medical care based on their ability to pay. Cabot Westside provides families with health care close to home. 76% of those we cared for at Cabot in 2018 were Hispanic. Nearly all of the support staff and providers at Cabot are bi-lingual In English and Spanish.

Describe target population to be served: Rodgers Health delivered healthcare to 24,278 individuals in 2018; we currently provide services at five sites in Jackson County, Missouri, including two school-based locations. Racially and ethnically, in 2018 our patients were 17.5% African/African American, 5.1% Asian or Hawaiian/Pacific Islander, 23.7% Caucasian, 39.2% Latino, and 14.5% were two or more races or other. Over 45% of our patients were best served in a language other than English. In addition, 10,193 of our patients in 2018 - 42% - were children; 10.4% of those children had no insurance coverage; 1,241 of our patients - or 5.1% - were seniors. A big focus for Rodgers Health is chronic diseases, including high blood pressure and diabetes. In calendar year 2018, Rodgers Health had over 5,000 visits by 1807 diabetic patients, including more than 1,100 Jackson County residents. Part of the care we provide for diabetic patients involves equipment that enables us to test for diabetic retinopathy, a diabetes complication caused by damage to blood vessels in the light-sensitive tissue at the back of the eye. Diabetic retinopathy is the most common cause of vision loss among people with diabetes. The tests help us catch diabetic retinopathy when the case is mild and may be treated with careful diabetic management. We can perform the tests on site in most Rodgers Health facilities. However, we must contract with a professional to read the tests and generate the report that will allow us to provide the best treatment for the patients. Those readings cost \$15.00 per patient. In calendar year 2018, we paid more than \$16,500 on behalf of Jackson County residents to have the diabetic eye tests read and a report issued. We estimate we'll care for 1,400 diabetic Jackson County residents in 2020. Rodgers Health also has vision screening equipment for children available at our Downtown and Cabot practices. This equipment allows us to perform an initial screening to determine if children need an outside referral for complete examination by an eye care professional. Usually, outside referrals such as these do not provide services for free. In the past, Rodgers Health has provided vouchers to referral partners so the children can receive the exam and, if needed, the glasses with no financial outlay by the family. Rodgers Health wants to continue to help children who come to us for care. In 2018, over 10% of the children who came to us for care - nearly 1,000 children - had no insurance whatsoever. We anticipate that additional funding for this project will allow us to offer free full eye exams and free prescription eye glasses for a minimum of 300 Jackson County children.

What are the qualifications for participants: At Rodgers Health, we serve all patients regardless of race, gender, sexual identity, age, ethnicity, or ability to pay. Participants who present at a community event may participate in screenings and education regardless of their residence. However, participants who require additional services at the Health Center will be required to live in Jackson County to be eligible to have their care paid through Jackson County Outside Agency funding; they are required to show proof of residence.
