**4. ADDITIONAL TERMS AND CONDITIONS**

**4.1** This Pricing Schedule shall be subject to all applicable Federal, State, and Local laws, ordinances, and regulations. If Federal or State law prohibits Customer from executing any agreement that extends beyond Customer's fiscal year, then the term of the Pricing Schedule shall be deemed to be through Customer's fiscal year, and automatically renewable at the beginning of each fiscal year throughout the Term. If, after the first fiscal year of Service under this Pricing Schedule, funds are not appropriated to continue paying for a particular Service in a subsequent fiscal year, then Customer may terminate that particular Service effective the last day for which funds were duly appropriated ("Date of Termination"), without being subject to termination charges; provided, however, that (i) Customer shall be obligated to pay all charges incurred through the Date of Termination, plus any unpaid, non-recurring charges that may be owed AT&T on the Date of Termination; (ii) Customer shall use its best efforts to obtain funding for that particular Service; (iii) Customer agrees not to obtain substantially similar service and/or equipment to replace those provided under this Pricing Schedule for a period equal to the remainder of the Term as of the Date of Termination; and (iv) Customer may exercise such right to terminate upon delivery to AT&T of a 30-day written notice setting forth the reason for termination and, within 30 days following the delivery of such written notice, Customer shall provide AT&T a legal opinion of Customer's counsel certifying that no funds have been appropriated or otherwise made available for payments due under the Pricing Schedule and that funds have not been made available for the acquisition of substantially similar service and/or equipment to replace those provided under this Pricing Schedule. In Oklahoma, this Pricing Schedule is subject to the provisions of the Oklahoma Constitution pertaining to public indebtedness, and Title 15 O.S. §§213, 214, and 215; and, the rates and charges, terms, and conditions of this Pricing Schedule, including form SW-4325C, are subject to the review and/or approval by the regulatory authorities of the state of Oklahoma.
