DEPARTMENT: Public Works, Facilities Management

TITLE: Appropriation of \$60,000 from the undesignated fund balance for the purchase of a new Fire Notification and Alarm system for the Historic Truman Courthouse from Johnson Controls Inc, a Jackson County term and supply vendor, contract #SCON-10001827, in an amount not to exceed \$60,000.

SUMMARY: The Fire Alarm and Notification system for the Historic Truman Courthouse is aged and in need of replacement. Several attempts to repair the existing unit have been made with little progress. This project replaces the main alarm panel but retains the use of the existing field devices such as horns and strobe lights. The quote from Johnson Controls is \$57,570.93. Facilities Management recommends an owner's contingency of \$2,429.07 for unknown conditions or repairs. Bringing the total request to \$60,000.
