date, May 31, 2012. One Cold Case Analyst formerly employed under this grant resigned December 24, 2010. That analyst's replacement did not begin work until the first of October 2011. A second, and unfilled analyst position awarded under the 2010 grant was not filled until the first of November 2011. Therefore, the salary funding for these two analysts will not be expended until the end of April 2013. Based upon this timeline, a no-cost grant extension is requested until April 30, 2013.
