

**AGREEMENT**  
**(Housing Resources Commission)**

**THIS AGREEMENT**, made by and between **JACKSON COUNTY, MISSOURI**, a Constitutional Home Rule Charter County of the First Class of the State of Missouri, acting by and through its **Housing Resources Commission**, hereinafter referred to as "the County" and a Missouri not-for-profit corporation, **SALVATION ARMY - LINWOOD SHELTER, 101 W. LINWOOD BLVD., KANSAS CITY, MO 64111**, hereinafter referred to as "Contractor".

**WHEREAS**, on June 4, 1991, the voters of Jackson County authorized the County Legislature to impose a \$3.00 user fee on all instruments recorded with the County's Department of Records, the proceeds of which fee is to be used to provide funds for assistance to homeless persons; and,

**WHEREAS**, the County actually imposed said fee by Ordinance No. 1986, dated June 10, 1991; and,

**WHEREAS**, by Ordinance No. 2030, dated September 3, 1991, the Legislature created the Housing Resources Commission and designated said Commission as the agency of the County responsible for determining the allocation and distribution of the proceeds of the user fee; and,

**WHEREAS**, the Commission has reviewed Contractor's proposal for the expenditure of County user fee funds for the purpose of providing assistance to homeless persons in Jackson County; and,

**WHEREAS**, the Commission has determined that it is in the best interests of the

County's citizens to provide funding to Contractor according to the terms and conditions hereof;

**NOW, THEREFORE,** it is agreed by and between the parties as follows:

1. **SERVICES.** Contractor shall use the proceeds of this Agreement solely for the purpose of providing assistance to homeless persons in Jackson County, Missouri. Contractor agrees to use the funds as set out on the Housing Resources Commission Funding Request Form, attached hereto as Exhibit A.

2. **PAYMENT.** The County shall pay to Contractor a total amount not to exceed \$14,000.00 for the purpose of providing assistance to homeless persons in Jackson County, Missouri. One quarter of this sum, or \$3,500.00, shall be paid to Contractor on a quarterly basis for the periods ending March 31, 2013, June 30, 2013, September 30, 2013, and December 31, 2013, upon receipt of Contractor's invoice and supporting documentation, provided that Contractor has submitted to the County the report(s) required under Paragraph 3 and Paragraph 5 hereof. Each quarter's payment will be issued after Contractor has submitted the required invoices and supporting documentation for reimbursement.

3. **REPORTS/OTHER DOCUMENTATION.** Under this Agreement, Contractor shall submit appropriate reports, including copies of invoices and cancelled checks and/or a copy of the face of the check and corresponding bank statements and other documentation, as requested by the Housing Resources Commission staff to show that funds paid to Contractor by the County are being used for the purpose of providing assistance to homeless persons in Jackson County, Missouri. If the reports submitted

do not satisfactorily demonstrate appropriate expenditures of County funds, payments are subject to downward adjustment to reflect the amounts actually spent on allowable services provided during the previous quarter. The final request for payment shall include a Quarterly Report and an Annual Report, which shall set out the program objectives and accomplishments, and a final reconciliation of funds. The Annual Report shall be submitted no later than January 31, 2014. Section 67.1071, R.S.Mo., specifically requires the Annual Report to include "statistics on the number of persons served by the agency, and shall include the results of an independent audit of expenditures of funds received by Contractor pursuant to this Agreement. Failure to submit said reports, including the Annual Report, shall result in the loss of future funding by the County.

4. **MAINTENANCE OF ACCOUNTS.** The parties recognize that this funding by the County serves to improve the quality and effectiveness of homelessness programs in Jackson County, Missouri. It is, therefore, declared as the express intent of the parties that the services to be rendered hereunder shall be in addition to those deemed necessary and required to maintain the efficient and effective operation of Contractor in its normal duties, and that none of the funds paid by the County pursuant to this Agreement shall serve to reduce any funds budgeted, or to be budgeted, by Contractor for operations as they exist at the time of this Agreement. Contractor shall not commingle the County's funds and shall keep funds received under this Agreement separate from all other Contractor funds and accounts until expended as herein provided.

5. **SUBMISSION OF DOCUMENTS.** No payment shall be made under this

Agreement unless Contractor shall have submitted to the County's Director of Finance and Purchasing: (1) a written proposal setting out in detail the intended use of the County's funding, including the target population to be served; (2) Contractor's IRS Form 990 from the previous fiscal or calendar year; (3) a statement of Contractor's total budget for its most recent fiscal year; and (4) a detailed explanation of actual expenditures of the County's funds (pertains to final payments and payments on contracts for future years). If Contractor has previously received funding from the County, to be eligible for future payments, Contractor must submit either an audited financial statement for Contractor's most-recent fiscal or calendar year by March 31 of the following year, or a certified public accountant's program audit of the County's funds by January 31 of the following year. Any documents described herein which were submitted to the Director of Finance and Purchasing as a part of an application for funding need not be resubmitted to qualify for payment. No payment shall be made if Contractor is out of compliance on any other County contract, or has not paid county taxes on all properties owned by Contractor and assessed by the County.

6. **AUDIT.** The parties agree that the County may, upon reasonable notice, examine and audit the books and records of Contractor pertaining to its finances and operations specific to the contracted service. Further, Contractor agrees to establish and adopt such accounting standards and forms as recommended by the County prior to receipt of the County's first distribution of funds under the terms of this Agreement. The forms used to document expenditure of these funds may be changed from time to time by the County.

7. **DEFAULT.** If Contractor shall default in the performance or observation of any covenant, term or condition herein contained to be performed by Contractor, the County shall give Contractor ten days written notice, setting forth the default. If said default shall continue and not be corrected by Contractor within ten days after receipt of notice from the County, the County may, at its election, terminate this Agreement and withhold any payments not yet made to Contractor. Said election shall not, in any way, limit the County's rights to sue for breach of this Agreement.

8. **TERM.** The term of this Agreement shall commence January 1, 2013, and shall continue until December 31, 2013.

9. **LIABILITY.** No party to this Agreement shall assume any liability for the acts of the other party, its officers, agents, or employees.

10. **CONFLICT OF INTEREST.** Contractor warrants that no officer or employee of the County, whether elected or appointed, shall, in any manner whatsoever, be interested in or receive any benefit from the profits or emoluments of this Agreement.

11. **EMPLOYMENT OF UNAUTHORIZED ALIENS PROHIBITED.** Pursuant to §285.530.1, RSMo, Contractor assures that it does not knowingly employ, hire for employment, or continue to employ an unauthorized alien to perform work within the State of Missouri and/or Jackson County, and shall affirm, by sworn affidavit and provision of documentation, its enrollment and participation in a federal work authorization program with respect to the employees working in connection with the contracted services. Further, Contractor shall sign an affidavit, attached hereto and

incorporated herein as Exhibit B, affirming that it does not knowingly employ any person who is an unauthorized alien in connection with the contracted services.

12. **INFORMATIONAL REPORTING.** A representative of Contractor shall attend meetings of the County Legislature and the Housing Resources Commission when so requested by either of the above-referenced entities. The representative shall be prepared to answer any questions concerning payments made pursuant to this Agreement.

13. **TERMINATION.** Except as provided in Paragraphs 7 and 16 hereof, this Agreement may be terminated by either of the parties upon thirty days written notice to the other party.

14. **SURPLUS FUNDS.** Any surplus funds not spent at the end of this Agreement term shall be returned to the County by the fifteenth of the month following the termination of this Agreement. These funds shall not be subject to reappropriation. The term "surplus funds" refers only to those funds that have not been committed for costs or purposes by purchase order, contract, or other formal documentation within the Agreement term.

15. **PERFORMANCE REVIEW.** The performance of this Agreement shall be subject to review by the County or its designated agent. The County's Housing Resources Commission Director shall review the performance of this Agreement according to his/her responsibilities. Contractor agrees to file all required forms with the Housing Resources Commission Director. The Housing Resources Commission may provide to Contractor a list identifying specific areas funded by the proceeds of this

Agreement to be reviewed or audited. The Housing Resources Commission and Contractor shall agree on the definition and scope of a review audit of each specific area identified. Contractor shall conduct internal review of each specific area identified and shall provide its findings to the Commission. The parties recognize that all books, records, accounts, and any other documents in the possession of the County relative to the funding of this Agreement, are public records and open for inspection and photocopying in accordance with Chapter 610, R.S.Mo.

16. **REMEDIES FOR BREACH.** Contractor agrees to faithfully observe and perform all of the terms, provisions, and requirements of this Agreement, and Contractor's failure to do so constitutes a breach of this Agreement. In such event, Contractor consents and agrees as follows:

- A. The County may, without prior notice to Contractor, immediately terminate this Agreement; and
- B. The County shall be entitled to collect from Contractor all payments made by the County to Contractor for which Contractor has not yet rendered services in accordance with this Agreement, and to collect the County's reasonable attorney's fees, court costs and service fees if it is necessary to bring action to recover such payments.

17. **SEVERABILITY.** If any covenant or other provision of this Agreement is invalid, or incapable of being enforced by reason of any rule of law or public policy, all other conditions and provisions of this Agreement shall, nevertheless, remain in full force and effect; and no covenant or provision shall be deemed dependent upon any other

covenant or provision unless so expressed herein.

18. **ASSIGNMENT**. Contractor shall not assign any portion or the whole of this Agreement without the prior written consent of the County.

19. **DISCONTINUANCE OF PROGRAM**. In the event Contractor should elect to discontinue this program, or file for bankruptcy, or participate in a reContractor, or go out of existence, or should a court of competent jurisdiction render a final decision in any way invalidating this Agreement or its purposes, Contractor shall remit any proceeds of this Agreement as are unexpended to the County.

20. **APPROPRIATION OF FUNDS**. Contractor and the County recognize that the County intends to satisfy its financial obligation to Contractor hereunder out of funds annually appropriated for that purpose by the County. County promises and covenants to make its best efforts to appropriate funds in accordance with this Agreement. In the event no funds or insufficient funds are appropriated and budgeted, or are otherwise unavailable by any means whatsoever for payment due hereunder, County shall immediately notify Contractor of this occurrence and this Agreement shall terminate on the last day for which appropriations were received, without penalty or expense to the County of any kind whatsoever, except as to the portions of the payment amounts herein agreed upon for which funds shall have been appropriated and budgeted or are otherwise available, or at any time after the last date that County has paid for the Services, if earlier.

County further agrees:

a. That any funds authorized or appropriated for services rendered under this Agreement shall be applied to the payments hereunder until all such funds are exhausted.

b. That County will use its best efforts to obtain authorization and appropriation of such funds including, without limitation, the inclusion in its annual budget, a request for adequate funds to meet its obligation under this Agreement in full.

21. **CONFIDENTIALITY.** Contractor's records concerning the identities of those participating in its programs shall be strictly confidential; the County shall be entitled to examine said records in performing its audit and review functions, but shall not disclose said identities to any third party in any fashion.

22. **COMPLIANCE WITH RFP.** At all times in connection with the performance of its services hereunder, Contractor agrees to comply with and abide by the General Conditions, Specifications, and Guidelines contained in the County's RFP No. 94-12. Failure to comply with the terms of the RFP shall be a breach, remediable under Paragraph 16 hereof. In the event of a conflict between any provision of this Agreement and a provision of the County's RFP No. 94-12, the provision of this Agreement shall govern.

23. **INDEMNIFICATION.** Contractor shall indemnify, defend and hold the County harmless from any and all claims, liabilities, damages, and costs (including reasonable attorney's fees directly related thereto) including but not limited to violation of civil rights and/or bodily injury to or death of any person and for damage to or destruction of property if and to the extent caused by the negligence, willful misconduct or omissions of

Agency Name: The Salvation Army

Program Name: Linwood Center Supportive Housing Program

### Agency History / Background

*Indicately describe your agency's history and background.*

The Salvation Army has served the Kansas City community since 1885. Nationally, The Salvation Army is one of the largest providers of services to the homeless.

Locally, The Salvation Army has provided shelter and services to the homeless in our community since 1973. Currently, The Salvation Army operates several homeless service programs in the metropolitan area: the Family Lodge and Johnson County Transitional Housing in Olathe, Kansas, the Harbor Light Village Veterans Services Program and Permanent Supportive Housing in Kansas City, Kansas, the Supportive Services for Veteran Families (SSVF) Program in the State of Kansas and Northwest Missouri, the Crossroads Shelter in Independence, Missouri, Access House Transitional Housing and Haven of Hope Permanent Supportive Housing in Kansas City, Missouri, MOSOS/Harbor House Program (transitional housing for homeless veterans) in Kansas City, Missouri and the Linwood Center Supportive Housing Program (applicant) in midtown Kansas City, Missouri.

In addition to the emergency shelter, transitional housing, rapid re-housing, and permanent supportive housing programs, The Salvation Army also operates a homeless outreach program Honk 'N Holler, which is a collaborative effort with Swope Parkway Health Care and Truman Behavioral Health Network Assertive Community Outreach Team.

Homelessness prevention and food pantry services are available through The Salvation Army Emergency Corps Community Centers and Red Shield Service Centers in the Metro area.

The Supportive Housing Program has been in operation since 1993. Annually an average of 74% of participants exit the program into permanent housing. Additionally, long term data indicates 78% of all participants who have left the program for permanent housing maintained their housing for at least one year and did not become homeless again.

## Section D: 2013 Program Information

Agency Name: The Salvation Army

Program Name: Linwood Center Supportive Housing Program

### Proposed Program

*Detail functions to be performed by each program.*

The Supportive Housing program is a transitional housing program that utilizes 12 scattered site leased units and 3 units owned by The Salvation Army to provide shelter and supportive services to homeless families and single women. The program has a capacity of 42 beds; ten units for families and five units for single women. Participants are provided with up to 24 months of transitional housing, comprehensive case management as well as other support services, and one year of follow-up services.

The purpose of the program is to work with participants to develop individualized goal plans that will enable them to achieve increased economic self-sufficiency and participants' ability to secure and maintain permanent housing. Case managers conduct an assessment on each program participant that identifies the precipitating factors leading to the participant becoming homeless, an assessment of support services needed, and the development of a strengths based goal plan. Participants are required to work with their case manager to establish a debt reduction plan, an educational/vocational plan, and a monthly budget. The assigned case manager also works with each participant to develop employability plans that identify barriers to employment and/or job retention and works with the participant to develop solutions to overcome barriers.

The case plans are reviewed and updated weekly by the participant and the case manager as well as our multi-disciplinary team in order to evaluate and to track progress. This component ensures that each participant is receiving the support services needed and provides an objective approach when dealing with issues of compliance.

The case manager and the participant work together to develop a discharge plan which addresses permanent housing, long-term economic and emotional stability, and utilization of the follow-up component to assist them in maintaining stability.

Program Name: Linwood Center Supportive Housing Program

### Approach & Method

List the top three (3) objectives for each program.

To provide program participants with individualized strengths based case management and connection to community and mainstream support services.

To increase opportunities for program participants to increase their self sufficiency skills and income.

To increase opportunities for program participants to secure and maintain permanent housing.

Detail specific methods or what you will try to achieve these objectives.

The program case managers track participants' success and need for additional services by conducting weekly case reviews on follow through with appointments, goal attainment, amount of savings, level of debt repayment, life skills training completion, connection to mainstream and community resources, success in securing employment and/or entitlements, and by evidence that the participant is following their budget plan. Program outcome measures in place are tracked and reviewed at least bi-annually to evaluate the overall success of the program and how closely we are meeting our mission and purpose.

The program also utilizes a transition in place model that allows participants who have completed the program and are financially stable to take over the lease on their unit without having to re-qualify, thus increasing their permanent housing options, which are often limited due to their criminal and/or eviction histories.

### Evaluation

How can the success of each program be evaluated?

Indicate performance measures or statistics you will use to demonstrate the success of each program.

Success of the project is evaluated by tracking the results of established program outcomes. Annual outcomes are identified using an Outcome Logic Model that includes short, intermediate, and long term outcomes. The Logic Model used includes identification of outcome indicators, data collection methods, the person(s) responsible for the data collection and where the data is stored. Project success is also measured by comparing established United Way and HUD Annual Performance Report measures to accomplished program outcomes.

Progress is monitored bi-annually and compiled annually for submission to The Salvation Army Territorial Headquarters (Annual Area Command Review), the United Way, and The Department of Housing and Urban Development (HUD). Additionally, Annual Performance Reports are submitted to the Jackson County Housing Resource Commission.

The Salvation Army Territorial and Divisional Headquarters also conduct comprehensive program evaluations of all social services programs every three years. The Linwood Center Supportive Housing Program's most recent evaluation was September of 2010 and the program received a gold rating of 98%.

### Mental Health

*How does your agency deal with mental health due to homelessness?*

The Supportive Housing Program deals with mental health issues experienced by our homeless participants initially by providing them with safe shelter, supportive services, and developing a relationship with them. Secondly, as necessary, we connect participants to mental health services that best meets their immediate needs. We have a mental health program component that is utilized for crisis intervention and as well as other on-going mental health needs of participants. Whenever possible our goal is to connect or re-connect participants to community based mental health services.

*What programs does your agency work with to provide mental health services to mental health program for the homeless population?*

While participants are in the program mental health services are available to them. The program contracts with a Psychologist to provide mental health services to program participants. Services include individual assessments, cognitive testing, psychological testing, individual therapy, weekly group counseling that focuses on trauma recovery and referral/linkage community mental health services. Having the means to provide this service has proven to be essential to our participants' ability to gain emotional stability, especially since a high percentage of the people we serve have severe trauma histories.

Whenever possible we prefer to connect and/or re-connect participants in need of mental health services back to community resources. We primarily refer participants to Truman Behavioral Health, Swope Health Services, and the Kansas City Free Health Clinic.
