 2. Price or rate quotations shall be solicited from at least three (3) qualified sources;
 3. All procurement transactions, regardless of whether by sealed bids or by negotiation, shall be conducted in a manner that provides maximum open and free competition;
 4. Grantees shall have a clear and accurate description of the item to be purchased. Such description shall not, in competitive procurements, contain features that unduly restrict competition. A "brand name or equal" description may be used as a means to define the performance or other requirement of a procurement;
 5. If for some reason the low bid is not acceptable, the grantee must have written approval from the MHTC prior to the purchase of other than the low bid.
 6. Grantees will make a good faith effort to utilize minority and women owned businesses within resource capabilities when procuring goods and services.
 - B. **DISPOSITION:** The Grantee shall make written request to the MHTC for instructions on the proper disposition of all items of equipment provided under the terms of this contract.

PROBLEM IDENTIFICATION

Alcohol and other drugs contribute substantially to traffic crashes on Missouri's roads, especially those resulting in death or disabling injury. In the 2006-2008 period, 489,219 traffic crashes occurred in the State. Of those, 0.6% resulted in a fatality and 3.6% involved someone being seriously injured. During the same time period, there were 24,995 traffic crashes where one or more drivers and/or pedestrians were under the influence of intoxicants and in the opinion of the investigating officer their intoxicated condition was a contributing factor to the crash. In these crashes where drivers or pedestrians were impaired by alcohol or other drugs, 824 people were killed and another 3,889 were seriously injured. According to the recent crash data provided by MSHP, Jackson County remains second in the number of Drinking Involved Crashes throughout Missouri and first for alcohol-related fatalities.

MCS

GOALS/OBJECTIVES

Goal:

2% decrease in alcohol and other drug related fatalities and disabling injuries in comparison to the previous 3-year total (2006-2008 = 4,713)

Objectives:

1. Participate in the National Impaired Driving Crackdown campaign
2. Participate in the quarterly impaired driving enforcement campaigns
3. Develop and implement a high visibility DWI enforcement plan involving saturation patrols and/or sobriety checkpoints.

WES

PROJECT DESCRIPTION
