In accordance with sections 34.350-34.359, RSMo, the vendor is instructed to provide information regarding the point of manufacture for each of the products being bid so that the product's eligibility for the Domestic Products Procurement Act (Buy American) Preference can be determined. This information is requested for the finished product only, not for components of the finished product. The vendor may be required to provide supporting documentation indicating proof of compliance.

Qualifying for the Domestic Products Preference:

A product qualifies for the preference if one of the following circumstances exist:

- if manufactured or produced in the U.S.; or
- if the product is imported into the U.S. but is covered by an existing international trade treaty, law, agreement, or regulation that affords the specific product the same status as a product manufactured or produced in the U.S.; or
- if only one line of products is manufactured or produced in the U.S.

Non-Domestic Product:

If the product is not manufactured or produced in the U.S. and does not otherwise qualify as domestic, then it will be considered non-domestic and not eligible for the preference.

THE VENDOR MUST COMPLETE THE FOLLOWING APPLICABLE TABLES TO CERTIFY WHETHER:

(Table 2) ALL products bid are manufactured or produced outside the U.S. and do not otherwise qualify for the Domestic Products Procurement Act Preference; OR
