**RE: Contract for data line installations**

---

I would like to use the Circuit Court contract for pulling/installing data lines. The Circuit Court contract has been competitively bid and will cover our needs. The County employee who had been doing the cabling for us has retired and will be returning as a part-time employee only. As such we need an additional source to use for some on the cabling. We expect to spend about \$50,000 for cabling service in 2013.

Re: Extension of Bid #60291-08  
Electrical Services and Maintenance

Terry,

At this time, R.F. Fisher Electric Company, LLC requests an increase in Hourly Wage Rates. Per the current Jackson County, MO Prevailing Wage Order #19, \$34.83 plus Fringe Benefits \$15.25, plus 10% equals a net adder of \$1.00/hour. Our Adjusted rates would be as follows:

Journeyman Electrician with Service Truck from	Current \$74.14 per hour to \$75.14 per hour
Journeyman Electrician with Service Truck (overtime)	Current \$105.44 per hour to \$106.44 per hour
Journeyman Electrician with Service Truck (Holiday)	Current \$131.44 per hour to \$132.44 per hour
Journeyman Labor rate during the hours of 7a.m. to 5p.m. Monday through Friday	Current \$72.64 per hour to \$73.64 per hour
Journeyman Overtime rate any hours other than regular time	Current \$104.91 per hour to \$105.91 per hour
Journeyman Holiday rate recognized national observed holidays	Current \$129.44 per hour to \$130.44 per hour

At this no time, no apprentice increases are necessary and the original contract prices are good until it is time to re-evaluate at a later date. If I can be of any further assistance or any other information is needed please do not hesitate to contact me. Thank you for your help and your business is greatly appreciated.

Sincerely,  
R. F. Fisher Electric Company, Inc.
