**DEPARTMENT:** Parks + Rec

**TITLE:** An ORDINANCE transferring funds in the amount of \$500,000 from 001-8003-56830 General Fund Contingency to 001-1608-58060 Parks - Other Improvements

**SUMMARY:** During severe spring storms several long sections of the Little Blue Trace and Lake Vista Trails were flooded and washed out. The trail sections on each trail were closed for weeks while our crews made temporary repairs to get them re-opened for public use. The washed-out sections of trail were all constructed of crushed limestone, making them susceptible to repeat washouts and erosion due to their locations within the flood plain. A permanent fix is needed for these trail sections most at risk, changing the surface type from gravel to concrete which can withstand frequent flooding and stormwaters. To get this project moving forward as soon as possible, the Parks + Rec Department requests a budget transfer of \$500,000 from 001-8003-56830 to 001-1608-58060. All work can be completed by existing Term & Supply vendors.
