8. **Client-Counselor Confidentiality:** The Subrecipient assures that they will maintain confidentiality of client-counselor information as required by state and federal law.
9. **Code of Professional Ethics:** The Subrecipient shall comply with and assures that the program adheres to the Missouri Department of Public Safety Code of Professional Ethics for Victim Service Provider Subrecipients.
10. **Victims' Rights Compliance:** The Subrecipient assures that it will provide the eligible direct victim services, as may be required, set forth in Missouri's Constitutional Amendment for **Victims' Rights and Section 595.209, RSMo.** (These eligible direct victim services do not include general witness assistance)
11. **Criminal or Civil Filings:** The Subrecipient assures that its laws, policies, and practices do not require, in connection with the prosecution of any misdemeanor or felony domestic violence offense, or in connection with the filing, issuance, registration, or service of a protection order or a petition for a protection order, to protect a victim of domestic violence, stalking or sexual assault, that the victim bear the costs associated with the filing of criminal charges against the offender, or the costs associated with the filing, issuance, registration, or service of a warrant, protection order, petition for a protection order or witness subpoena, whether issued inside or outside this state.
12. **Forensic Medical Exams:** To the extent funds are not available from other sources, the state, must incur the full out-of-pocket cost of forensic medical exams for victims of sexual assault. No State, territory, Indian tribal government, unit of local government, or another governmental entity shall require a victim of sexual assault to participate in the criminal justice system or cooperate with law enforcement in order to be provided with a forensic medical exam, reimbursement for charges incurred on account of such an exam, or both.
13. **Polygraph/Voice Stress Analysis:** No prosecuting or circuit attorney, peace officer, governmental official, or employee of a law enforcement agency shall request or require a victim

of sexual assault under section 566.040 or forcible rape under section 566.030 to submit to any polygraph test or psychological stress evaluator exam as a condition for proceeding with a criminal investigation of such crime.

14. **Court Records:** After August 28, 2007, any information contained in any court record, whether written or published on the Internet, that could be used to identify or locate any victim of sexual assault, domestic assault, stalking, or forcible rape shall be closed and redacted from such record prior to disclosure to the public. Identifying information shall include the name, home or temporary address, telephone number, social security number or physical characteristics.
15. **Consultation with Victim Services:** Prosecution, law enforcement and court based applicants must consult with tribal, territorial, State, or local victim service programs during the course of developing their grant applications in order to ensure that the proposed services, activities and equipment acquisitions are designed to promote the safety, confidentiality and economic independence of victims of domestic violence, sexual assault, stalking and dating violence.
16. **Nondisclosure of confidential or Private Information:** Subrecipients may not disclose personally identifying information about victims served with VOCA funds without a written release unless the disclosure of the information is required by a statute or court order. This applies whether the information is being requested for any VOCA grant program or another Federal agency, state, tribal, or a territorial grant program. This provision also limits disclosures by VOCA Subrecipients to other federal grantees, including disclosures to statewide or regional databases.
17. **Historic Preservation Act:** Subrecipients must be in compliance with the National Historic Preservation Act (16 USC 470) stating that you must consult the State Historic Preservation Officer to identify protected properties and agree to avoid or mitigate adverse effects to such properties.
18. **Time Records Requirement:** The applicant assures that, all project personnel funded through the VOCA grant (federal or local funds) will maintain timesheets that detail 100% of their time along with the activities/services provided. These timesheets must be provided to DPS upon request.
19. **Claims that are Late:** Subrecipients assure the Claim for Reimbursement, Detail of Expenditures, and supporting documentation will be submitted by the 5<sup>th</sup> of each month. If specified due date falls on a weekend or holiday, the Claim must be received by the first working day after the weekend or holiday. Claims submitted after deadline will not be processed until the following month. Claims are due each month whether or not the subrecipient expended any grant or local match funds.

Failure to submit the required forms on time shall be taken as failure to adhere to the terms of the Subaward and may result in the delay of reimbursement and/or termination of the subaward.

20. **Timely Reporting:** Subrecipients assure that expenses will be submitted within 60 days from the time the expense was incurred. The Missouri Department of Public Safety reserves the right to deny reimbursement of any expense that falls outside the 60 day requirement.
21. **Claims with Errors:** Subrecipients assure that accurate claims will be submitted. If a Claim is submitted with errors, the Claim may be negotiated for corrections. If the errors are not corrected after two (2) negotiations, the Claim may be withdrawn and not paid. If a Claim is withdrawn due to errors, a correspondence will be sent to the Executive Director and Board President.
22. **Quarterly Performance Reports:** The Subrecipient agrees to provide information on the activities supported and an assessment of the effects that the VOCA victim assistance funds have had on services to crime victims for the specified time period. This information will be

submitted on the DPS "VOCA Quarterly Performance Report" no later than 15 days following the end date of the reporting period.

23. **Match:** State and local units of government are required to provide 20% of the total project cost as match. Match may be provided in the form of cash or in-kind match. All funds designated as match are restricted to the same uses as the VOCA program funds and must be expended within the grant period. Match must be provided on a project-by-project basis. A match waiver may be submitted at the time of the application for consideration.
24. **Renewal:** An Subaward, entered into as a result of this application, shall not bind or purport to bind the Department of Public Safety for any subaward commitment in excess of the original subaward period contained in such a subaward. However, the Department of Public Safety shall have the right, at its sole discretion, to renew any such subaward on a year-to-year basis. Should the Department of Public Safety exercise its right to renew the subaward, the renewal shall be subject to the terms set forth by the Department of Public Safety in the documents developed for such renewal. Failure to comply with such terms set forth by the Department of Public Safety will result in the forfeiture of such a renewal option.
25. **Financial Statements:** All non-profit subrecipients of VOCA Assistance funding under this award are required to make their financial statements available online (either on the Missouri Department of Public Safety's, the subrecipient's, or another publicly available website). DPS and OVC will consider subrecipient organizations that have Federal 501(c)(3) tax status as in compliance with this requirement, with no further action needed, to the extent that such organization files IRS Form 990 or similar tax document (e.g., 990-EZ), as several sources already provide searchable online databases of such financial statements.
26. **Faith-based Organizations:** The Subrecipient agrees to comply with the applicable requirements of 28 C.F.R. Part 38, the Department of Justice regulation governing "Equal Treatment for Faith Based Organizations" (the "Equal Treatment Regulation"). The Equal Treatment Regulation provides in part that Department of Justice grant awards of direct funding may not be used to fund any inherently religious activities, such as worship, religious instruction, or proselytization. Recipients of direct grants may still engage in inherently religious activities, but such activities must be separate in time or place from the Department of Justice funded program, and participation in such activities by individuals receiving services from the grantee or a sub-grantee must be voluntary. The Equal Treatment Regulation also makes clear that organizations participating in programs directly funded by the Department of Justice are not permitted to discriminate in the provision of services on the basis of a beneficiary's religion. Notwithstanding any other special condition of this award, faith-based organizations may, in some circumstances, consider religion as a basis for employment. See [http://www.ojp.gov/about/ocr/equal\\_fbo.htm](http://www.ojp.gov/about/ocr/equal_fbo.htm)."
