

AGREEMENT
(Housing Resources Commission)

THIS AGREEMENT, made by and between **JACKSON COUNTY, MISSOURI**, a Constitutional Home Rule Charter County of the First Class of the State of Missouri, acting by and through its **Housing Resources Commission**, hereinafter referred to as "the County" and a Missouri not-for-profit corporation, **RESTART, INC., 918 E. 9TH ST., KANSAS CITY, MO 64106**, hereinafter referred to as "Contractor".

WHEREAS, on June 4, 1991, the voters of Jackson County authorized the County Legislature to impose a \$3.00 user fee on all instruments recorded with the County's Department of Records, the proceeds of which fee is to be used to provide funds for assistance to homeless persons; and,

WHEREAS, the County actually imposed said fee by Ordinance No. 1986, dated June 10, 1991; and,

WHEREAS, by Ordinance No. 2030, dated September 3, 1991, the Legislature created the Housing Resources Commission and designated said Commission as the agency of the County responsible for determining the allocation and distribution of the proceeds of the user fee; and,

WHEREAS, the Commission has reviewed Contractor's proposal for the expenditure of County user fee funds for the purpose of providing assistance to homeless persons in Jackson County; and,

WHEREAS, the Commission has determined that it is in the best interests of the County's citizens to provide funding to Contractor according to the terms and conditions hereof;

NOW, THEREFORE, it is agreed by and between the parties as follows:

1. **SERVICES**. Contractor shall use the proceeds of this Agreement solely for the purpose of providing assistance to homeless persons in Jackson County, Missouri. Contractor agrees to use the funds as set out on the Housing Resources Commission Funding Request Form, attached hereto as Exhibit A. The budget Organization submitted as part of Exhibit A is considered final and non-changeable. If Organization encounters unforeseen circumstances that require a change to Organization's budget, Organization shall submit a written request to the Housing Resources Commission no later than October 28, 2016. Any changes to the budget must be approved by the Jackson County Legislature.

2. **TERMS OF PAYMENT**. The County shall pay to Contractor a total amount not to exceed \$30,000.00 for the purpose of providing assistance to homeless persons in Jackson County, Missouri. One quarter of this sum, or \$7,500.00, shall be paid to Contractor on a quarterly basis for the periods ending March 31, 2016, June 30, 2016, September 30, 2016, and December 31, 2016, upon receipt of Contractor's invoice and supporting documentation, provided that Contractor has submitted to the County the report(s) required under Paragraph 3 and Paragraph 5 hereof. Each quarter's payment will be issued after Contractor has submitted the required invoices and supporting documentation for reimbursement. The County reserves the right to audit all invoices and to reject any invoice for good cause. The County retains the right to deduct from an invoice of Organization any overpayment made by the County on a prior invoice. The County retains the right to make invoice corrections/changes. The County will not reimburse sales tax expense.

3. **REPORTS/OTHER DOCUMENTATION.** Under this Agreement, Contractor shall submit appropriate reports, including copies of invoices and cancelled checks and/or a copy of the face of the check and corresponding bank statements and other documentation, as requested by the Housing Resources Commission staff to show that funds paid to Contractor by the County are being used for the purpose of providing assistance to homeless persons in Jackson County, Missouri. If the reports submitted do not satisfactorily demonstrate appropriate expenditures of County funds, payments are subject to downward adjustment to reflect the amounts actually spent on allowable services provided during the previous quarter. The final request for payment shall include a Quarterly Report and an Annual Report, which shall set out the program objectives and accomplishments, and a final reconciliation of funds. Section 67.1071, R.S.Mo., specifically requires the Annual Report to include "statistics on the number of persons served by the agency, and shall include the results of an independent audit of expenditures of funds received by Contractor pursuant to this Agreement. Failure to submit said reports, including the Annual Report, shall result in the loss of future funding by the County.

Organization must notify the County in writing on Organization's letterhead, within five working days of the following changes:

- a. Organization name, address, telephone number, administration, or board of directors
- b. Organization funding that will affect the program under this contract
- c. Liability insurance coverage

4. **MAINTENANCE OF ACCOUNTS.** The parties recognize that this funding by the County serves to improve the quality and effectiveness of homelessness programs in Jackson County, Missouri. It is, therefore, declared as the express intent of the parties that the services to be rendered hereunder shall be in addition to those deemed necessary and required to maintain the efficient and effective operation of Contractor in its normal duties, and that none of the funds paid by the County pursuant to this Agreement shall serve to reduce any funds budgeted, or to be budgeted, by Contractor for operations as they exist at the time of this Agreement. Contractor shall not commingle the County's funds and shall keep funds received under this Agreement separate from all other Contractor funds and accounts until expended as herein provided.

5. **SUBMISSION OF DOCUMENTS.** No payment shall be made under this Agreement unless Contractor shall have submitted to the County's Director of Finance and Purchasing: (1) a written proposal setting out in detail the intended use of the County's funding, including the target population to be served; (2) Contractor's IRS Form 990 from the previous fiscal or calendar year; (3) a statement of Contractor's total budget for its most recent fiscal year; and (4) a detailed explanation of actual expenditures of the County's funds (pertains to final payments and payments on contracts for future years). If Contractor has previously received funding from the County, to be eligible for future payments, Contractor must submit either an audited financial statement for Contractor's most-recent fiscal or calendar year, or a certified public accountant's program audit of the County's funds. Any documents described herein which were submitted to the Director of Finance and Purchasing as a part of an application for funding need not be

6. **EQUAL OPPORTUNITY**. Organization shall maintain policies of employment as follows:

A. Organization and Organization's subcontractor(s) shall not discriminate against any employee or applicant for employment because of race, religion, color, sex, age, disability, or national origin. Organization shall take affirmative action as set forth to ensure that applicants are employed and employees are treated without regard to their race, religion, color, sex, age, disability, or national origin. Such action shall include, but not be limited, to the following: recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. 7. **EMPLOYMENT OF UNAUTHORIZED ALIENS PROHIBITED.** Pursuant to §285.530.1, RSMo, Contractor assures that it does not knowingly employ, hire for employment, or continue to employ an unauthorized alien to perform work within the State of Missouri and/or Jackson County, and shall affirm, by sworn affidavit and provision of documentation, its enrollment and participation in a federal work authorization program with respect to the employees working in connection with the contracted services. Further, Contractor shall sign an affidavit, attached hereto and incorporated herein as Exhibit B, affirming that it does not knowingly employ any person who is an unauthorized alien in connection with the contracted services.

8. **AUDIT.** The parties agree that the County may, for any reason and at any given time, examine and audit the books and records of Contractor pertaining to its finances and operations. Further, Contractor agrees to establish and adopt such accounting standards and forms as recommended by the County prior to receipt of the County's first distribution of funds under the terms of this Agreement. The forms used to document expenditure of these funds may be changed from time to time by the County.

9. **DEFAULT.** If Contractor shall default in the performance or observation of any covenant, term or condition herein contained to be performed by Contractor, the County shall give Contractor ten days written notice, setting forth the default. If said default shall continue and not be corrected by Contractor within ten days after receipt of notice from the County, the County may, at its election, terminate this Agreement and withhold any payments not yet made to Contractor. Said election shall not, in any way, limit the County's rights to sue for breach of this Agreement.

10. **APPROPRIATION OF FUNDS.** Contractor and the County recognize that the County intends to satisfy its financial obligation to Contractor hereunder out of funds annually appropriated for that purpose by the County. County promises and covenants to make its best efforts to appropriate funds in accordance with this Agreement. In the event no funds or insufficient funds are appropriated and budgeted, or are otherwise unavailable by any means whatsoever for payment due hereunder, County shall immediately notify Contractor of this occurrence and this Agreement shall terminate on the last day for which appropriations were received, without penalty or expense to the County of any kind whatsoever, except as to the portions of the payment amounts herein agreed upon for which funds shall have been appropriated and budgeted or are otherwise available, or at any time after the last date that County has paid for the Services, if earlier.

County further agrees:

- a. That any funds authorized or appropriated for services rendered under this Agreement shall be applied to the payments hereunder until all such funds are exhausted.
- b. That County will use its best efforts to obtain authorization and appropriation of such funds including, without limitation, the inclusion in its annual budget, a request for adequate funds to meet its obligation under this Agreement in full.

11. **CONFLICT OF INTEREST.** Contractor warrants that no officer or employee of the County, whether elected or appointed, shall, in any manner whatsoever, be interested in or receive any benefit from the profits or emoluments of this Agreement.

12. **SEVERABILITY.** If any covenant or other provision of this Agreement is invalid, or incapable of being enforced by reason of any rule of law or public policy, all other conditions and provisions of this Agreement shall, nevertheless, remain in full force and effect; and no covenant or provision shall be deemed dependent upon any other covenant or provision unless so expressed herein.

13. **INDEMNIFICATION.** Contractor shall indemnify, defend and hold the County harmless from any and all claims, liabilities, damages, and costs (including reasonable attorney's fees directly related thereto) including but not limited to violation of civil rights and/or bodily injury to or death of any person and for damage to or destruction of property if and to the extent caused by the negligence, willful misconduct or omissions of Contractor during the performance of this Agreement.

Such certificates shall provide that the applicable insurance policies have been endorsed to provide a minimum of thirty days advance notice to the County in the event of cancellation, non-renewal, or reduction in limits by endorsement.

15. **TERM.** The term of this Agreement shall commence January 1, 2016, and shall continue until December 31, 2016, unless sooner terminated pursuant to paragraph 9, 16, or 20 hereof. If this Agreement is terminated by either party, the County shall pay only for those services actually performed by Organization as verified by the County's audit.

16. **TERMINATION.** This Agreement may be terminated for any reason or no reason by either of the parties upon thirty (30) days' written notice to the other party's designated fiscal representative. Is this program sustainable without Jackson County's funding.

YES

Detail the main objective of the program.

The Family Shelter's (FS) main objective is to temporarily house homeless families and rapidly re-house them in permanent stable housing settings while offering resources and support to help them remain stably housed long-term. This project implements Rapid Rehousing (RR) and Housing First (HF) service approaches that seek to move those experiencing homeless into permanent housing as quickly as possible. Both strategies are nationally-recognized best practices to address homelessness. Prior to implementing these strategies, just 8% of reStart shelter families exited to permanent housing versus 68% in 2014. These approaches are based on the premise that when the core issue of safe housing is addressed, homeless families are more likely to take advantage of supportive services with a goal of becoming self-sufficient or as independent as possible. The FS houses 12 homeless families at any one time each in their own one- or two-bedroom apartment with private bathrooms and full kitchens. The facility features child-safe windows and video-monitored security. Homeless families can enter the Shelter directly from the streets and receive up to 180 days of shelter and a full range of supportive services. Staff work with families to establish individualized housing goal plans with specific action steps, provide financial and support service assistance and link families with community based resources. A Housing Locator helps families find appropriate permanent housing either in reStart's permanent housing programs or through partnerships with the Housing Authority, private landlords, or other community resources. Direct assistance funds for rent and utility deposits and rent payments are available for up to twelve months for eligible families through an ESG contract with the City of KCMO. The program also provides food, clothing, basic necessities, intensive strengths based case management to help families resolve crises, identify goals and access wraparound supportive services to promote self-sufficiency. Services include mental health assessments and treatment, substance abuse counseling; life skills, job skills, health and nutrition classes, wellness activities; health benefits advocacy, domestic violence assistance; arts therapy and arts activities.

How does your program measure success? Over what period of time?

Over the course of the grant period (on an annual basis), success of the FS will be measured by the number of families successfully moved into permanent housing. We determine the project successful based on achieving or exceeding the five outcomes outlined in outcomes section. FS program staff enter and track client information and progress under each outcome area through MAACLink, a regional Homeless Management Information System database. For example, to measure the number and percentage of clients exiting to permanent housing, staff enter and track each family's exit destination. Outcome data is pooled and reported monthly to the Board of Directors via a program dashboard, ensuring we are on track.
