Further, Organization agrees to establish and adopt such accounting standards and forms as recommended by the County prior to receipt of the County's first distribution of funds under the terms of this Agreement. The forms used to document expenditure of these funds may be changed from time to time by the County.

If said default shall continue and not be corrected by Organization within ten days after receipt of notice from the County, the County may, at its election, terminate this Agreement and withhold any payments not yet made to Organization. Said election shall not, in any way, limit the County's rights to sue for breach of this Agreement.

County promises and covenants to make its best efforts to appropriate funds in accordance with this Agreement. County further agrees:

A. That any funds authorized or appropriated for services rendered under this Agreement shall be applied to the payments hereunder until all such funds are exhausted.

B. That County will use its best efforts to obtain authorization and appropriation of such funds including, without limitation, the inclusion in its annual budget, a request for adequate funds to meet its obligation under this Agreement in full.

10. **Conflict of Interest.** Organization warrants that no officer or employee of the County, whether elected or appointed, shall, in any manner whatsoever, be interested in or receive any benefit from the profits or emoluments of this Agreement.

11. **Severability.** If any covenant or other provision of this Agreement is invalid, or incapable of being enforced by reason of any rule of law or public policy, all other conditions and provisions of this Agreement shall, nevertheless, remain in full force and effect; and no covenant or provision shall be deemed dependent upon any other covenant or provision unless so expressed herein.

Such certificates shall provide that the applicable insurance policies have been endorsed to provide a minimum of thirty days advance notice to the County in the event of cancellation, non-renewal, or reduction in limits by endorsement.

14. **Term.** The term of this Agreement shall commence January 1, 2023, and shall continue until December 31, 2023, unless sooner terminated pursuant to paragraph 8, 15, or 19 hereof. If this Agreement is terminated by either party, the County shall pay only for those services actually performed by Organization as verified by the County's audit.

15. **Termination.** This Agreement may be terminated for any reason or no reason by either of the parties upon thirty (30) days' written notice to the other party's designated fiscal representative. All services and payments shall continue through the effective date of termination. Home improvements drastically improve the health and well-being of adults and children living in a home. Improvements can lower the number of times a family visits the emergency room or doctors visits. Minor home repair can increase air quality and respiratory health for families. It is also well documented that repairs can help reduce injuries in the home such as: burns, drowning, carbon monoxide poisoning, heat related deaths and noise-related harm.

Date Program was Initiated: 2021

What time period does this program run: All Year

Provide program description: We are seeking funding \$100K for the first phase in creating a coordinated and expanded minor home repair program that attracts additional private and philanthropic investments for grants and loans, coordinates existing funding sources to improve the process for both homeowners and Construction Managers (CM) (the current providers of minor home repair services), and provides training and TA to homeowners and repair/rehab contractors. The launch of a coordinated and expanded minor home repair program is conceived as phase two, dependent on and informed by the findings of this project.

Describe the benefits of this program to Jackson County Missouri: The benefit is to increase the number of homeowners that complete minor home repair, increase funding available for MHR, better coordinate resources related to home repair, energy efficiency, aging in place and accessibility; decrease utility burden and increase the health and safety of housing of low-to moderate-income homeowners, especially seniors; and strengthen the housing ecosystem in Jackson County.

Describe target population to be served: Our primary focus will be in Kansas City, MO and Grandview, MO, but have the ability to expand to other parts of the county or to specific neighborhoods as needed.

What are the qualifications for participants: Our program will target low-to-moderate income census tracts, seniors, and communities of color while exploring the structure for a broader county wide minor home repair initiative.

Identify the community need for your organization's program and services in Jackson County.

It is our intention to explore options to better coordinate different funding resources (e.g. home repair, energy efficiency, lead abatement, home modifications for seniors and people with disabilities, etc) to make it easier for the homeowner and attempt to have a greater impact with limited resources. We seek to explore additional options, such as 0% interest loans, depending on income levels, and utilizing private funding sources that could cover repairs that are not currently covered and to be able to more effectively coordinate repairs to make multiple per home.
