The MHISC, co-managed by the Drug Enforcement Administration and the Kansas City, Missouri Police Department, is a multi-agency coalition consisting of federal, state, and local agencies located within the six-state Midwest HIDTA region. Located in Kansas City, Missouri the MHISC is electronically linked to task force locations and key state agencies in each of the states. The MHISC collects and analyzes information from all Midwest HIDTA task forces and participating task forces and agencies. The MHISC provides event and subject deconfliction services, multi-source name checks, investigative case support, toll analysis, charting, graphic work, post seizure analysis and trend/predictive analysis. The MHISC also provides continual evaluation of the threat to the region, identifying changes in patterns and trends. Trend and predictive analysis developed by the MHISC assists the Midwest HIDTA Executive Board in utilizing its limited resources more efficiently. The Midwest HIDTA Investigative Support Center has been operational since 1998, and continues to develop the regional mission to support a six-state effort. Event deconfliction through the Watch Center is fully implemented in the Kansas City metropolitan area.
