**TITLE:** Vickie Wolgast retirement

**SUMMARY:** Vickie Wolgast has retired as Executive Director of the South Kansas City Chamber of Commerce. Wolgast served for over 18 years. Wolgast was praised for her ability to bring people together and address issues. Councilman Scott Taylor commended her leadership, attributing a significant increase in investment in South Kansas City to her work. Wolgast is considered one of the most influential assets in the district, known for her reliability and grounded nature. In a New Management Plan, Wolgast was described as the core of the job, demonstrating optimism and prioritizing projects regardless of perceived importance. Her involvement in any contract enhanced its value and made her its keystone. Even after leaving the Chamber of Commerce, she still wanted to be included in the development of Martin City. So, Wolgast had chosen a different role in life. She has decided to permanently now become CID Manager for Martin City.
